Long, Bony Fingers

Bert's memories from childhood were few. An accident when he was four years old caused the extraterrestrials to temporarily discontinue any intense meetings with him. They did, however, continue to track him. Just prior to the accident at age four, during one meeting with him they had placed the tracking device into his nostril and also placed the monitor into the back of his head.

Eventually we were told by the extraterrestrials that they were Andromes (pronounced an-drom'-ease) from Andromeda. The Andromes try to install the tracking device and monitor as early as possible in the human child. The variables are the physical condition of the child, the Andromes' schedule and the opportunities to access the child.

After Bert's accident at age four, the Andromes watched his medical progress throughout his recovery in the hospital but didn't attempt to have a meeting with him. Doing so could have caused further stress to his already weakened condition.

The Andromes who tracked Bert were not from the same ship that I knew from childhood. They were another group of Andromes stationed in another Androme ship. We now know that there are several of these ships assigned around Earth.

When Bert was about seven years old he was involved in a short meeting with them. During the meeting he recalled watching an Androme female while she was holding another human child, a young girl, above her and talking to her as an adult sometimes does with a child. Bert remembered how the black eyes of this rather short lady fascinated him. The kindness that she showed to both the little girl and Bert was almost like that of a mother. The meeting itself seemed to be simply a sharing of time, perhaps so that they would remain in his memory, perhaps for other reasons of which he was never made aware.

Secret Vows Denise Rieb Twiggs, Bert Twiggs, 1992 **Secret Vows** Denise Rieb Twiggs, Bert Twiggs, 1995 The authors tell how through mental and physical changes they gradually became aware that they were living among friendly extraterrestrials who offered them a vision of a utopian world of communal harmony Reprint **The Lure of the Edge** Brenda Denzler, 2001-11-07 UFO phenomena entered American consciousness at the beginning of the Cold War when reports from astonished witnesses of encounters with unknown aerial objects captured the attention of the United States military and the imagination of the press and the public But when UFOs appeared not to be hostile and when some scientists pronounced the sightings to be of natural meteorological phenomena misidentified due to Cold War jitters military interest declined sharply and with it further overt scientific interest Yet sighting reports didn't stop and UFOs entered the public imagination as a cultural myth of the twentieth century Brenda Denzler's comprehensive clearly written and compelling narrative provides the first sustained overview and valuation of the UFO alien abduction movement as a social phenomenon positioned between scientific and religious perspectives Demonstrating the unique place ufology occupies in the twentieth century nexus between science and religion Denzler surveys the sociological contours of its community assesses its persistent attempt to achieve scientific legitimacy and concludes with an examination of the movement's metaphysical or spiritual outlook Her book is a substantial contribution to our understanding of American popular culture and the boundaries of American religion and to the debate about the nature of science and religion Denzler presents a thorough and fascinating history of the UFO abduction movement and traces the tensions between those who are deeply ambivalent about abduction narratives that seemingly erode their quest for scientific credibility and the growing cultural power of those who claim to have been abducted She locates the phenomenon within the context of American religious history and using data gathered in surveys sheds new light on the social profile of these UFO communities The Lure of the Edge succeeds brilliantly in repositioning a cultural phenomenon considered by many to be bizarre and marginal into a central debate about the nature of science technology and the production of a modern myth **The Gods Have Landed** James R. Viliborghi's exceptionally vivid dream comes this fascinating work of fiction that takes you into the interesting place called High Times. As you delve deep into High Times: An Alien Paradise, you'll find satisfaction, intrigue, romance, revelation, humor, mystery, good times, and insight into the future of humankind. Meet an ensemble of charming characters who will show you the beauty and delight of living and working in High Times. Follow Horn, who narrates this story as he tells you of how he enjoys waking up everyday to work as a saxophone player in a band at High Times. So what makes High Times that interesting? It is an unusual restaurant, nightclub, bar, dance hall. High Times or HT, as fondly called by its employees, is not the typical place for entertainment and eating. It even has a romantic, heated indoor, basement, heart-shaped swimming pool. The founders of High Times have built HT mostly to get friends together, especially those who have common interests in an environment of intimacy where the best of conversation, dance music, and most of all, good warm feelings can be cultivated and expressed. But is this all there is to it, or is there some mystery and intrigue behind the facade of High Times? Find out in author Mark Russell Viliborghi's High Times: An Alien Paradise. Book Reviews: A topsy-turvy, psychedelic science fiction tale starring an eclectic array of beings, human and otherwise, based on an exceptionally lucid dream experienced by author Viliborghi. Viliborghi's hero is Horn, a musician at a small nightclub called High Times. For Horn, life is so exciting that he can't wait to see what comes next. He lives to play music, loves his band mates, is well paid, and maintains a nice flat in a nearby post-war apartment building. Actually, he explains, "I have accidentally found myself in a million-dollar lifestyle without the responsibilities or stresses. We who work at High Times are all riding a train through Shangri-La. I hope it never ends, and I just knew life could be this good. But not all is how it appears. As Horn soon discovers, there is a mysterious presence in the basement of the apartment complex. The place gives me that funny feeling," he says, "the one where you walk backwards out so that you don't turn your back on whatever is there." High Times is comprised of two narratives, each carefully intertwined by Viliborghi. The first is the more straightforward: Horn recruits a new female lead singer for his band and promptly falls in love. The band plays gigs and earns the respect of the community. Meanwhile, the author delves into the stories of the other denizens of the apartment complex, including a young couple named Jack and Jill. But the book is also a sci-fi adventure, and much of the book is concerned with Horn's search for life in the basement. High Times appears to be a kind of portal which connects the nightclub and the apartment complex to a powerful alien being. Viliborghi's writing often falls flat, but his plotting is solid, and the book moves from the early scenes to the surprising, exciting ending with a good deal of ballast. Extraterrestrial happenings make this an intriguing ride. Kirkus Discoveries. *A Nest of Magpies*, Sybil Marshall, 1994-10-15. Secret Vows Our Lives With Extraterrestrials Introduction

In today's digital age, the availability of Secret Vows Our Lives With Extraterrestrials books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Secret Vows Our Lives With Extraterrestrials books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Secret Vows Our Lives With Extraterrestrials books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Secret Vows Our Lives With Extraterrestrials versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Secret Vows Our Lives With Extraterrestrials books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Secret Vows Our Lives With Extraterrestrials books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Secret Vows Our Lives With Extraterrestrials books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Secret Vows Our Lives With Extraterrestrials books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Secret Vows Our Lives With Extraterrestrials books and manuals for download and embark on your journey of knowledge?
