Experience Walter L. Fortson, Harve L. Nichols, 2001 What others are saying about this book ADULT PROGRAMS ADULT BASIC AND LITERACY EDUCATION PROGRAMS I like it because it is such an engaging upbeat and enjoyable book that I had trouble putting it down I especially like the way that it gives concrete examples to show my students how to meet the qualifications of a particular job Otherwise they would probably never think that they had a shot at the position Volunteers can use it even if they have no formal training in adult education because everything is clearly spelled out and the forms are spacious Judith Aaronson founder of the Pittsburgh Literacy Council WELFARE TO WORK WIA PROGRAMS This is an invaluable tool for a population that wants to be productive but doesn't know how to present themselves in a light that will ensure employment And for those with work histories it lets them to more easily identify the valuable transferable skills that they possess Dr Georgine Scarpino former director of JTPA WIA and Welfare to Work programs PROGRAMS FOR PERSONS WITH DISABILITIES In providing employment support services to persons with disabilities oftentimes there is a lack of work history or gaps in employment This book is a tool to develop a resume that draws from life experience and non paid work experiences Just working through the suggested activities can be a confidence builder for individuals seeking employment Diane Celidonia Supervisor Employment Services
