a Onah, 2021-09-27 This book helps children to understand the difference between secrets surprises and privacy Avoid asking children to keep secrets because secrets are predators greatest weapon to silence a child from speaking up In all my body safety story books I have made reference to close family and friends like cousins friends neighbours aunties and uncles because 90% of abuse is done by someone known liked and trusted by the family and the child Body safety is a topic that we know we need to teach our kids about But quite often we fall short because we do not know where to begin Not only do we want to keep our children safe but we also want to teach them to respect the bodies of others My four collection of body safety story books uses storytelling to explain inappropriate behaviours and body safety rules These small and yet powerful books can make a massive difference to our society and future generations **How to Say the Right Thing Every Time**
