Secrets From Grave:

Grave Secrets Kathy Reichs, 2002 Forensic anthropologist Dr Temperance Brennan assists in the excavation of 20 year old mass grave of massacre victims in a Guatemalan village Now as she pieces together the past Tempe becomes entangled in the cases of four privileged young women who suddenly vanish from Guatemala City *The Secret Grave (A Hauntings Novel)* Lois Ruby, 2017-06-27 From the author of The Doll Graveyard comes a classic ghost story for fans of Wait Till Helen Comes and The Dollhouse Murders Nightshade can be deadly Hannah and Scooter s sprawling ramshackle house is named for the lethal plant that grows in the dark woods behind it Hannah knows she s not supposed to explore the forest or nearby Moonlight Lake But she s feeling lonely and desperate for an adventure And there Hannah meets Cady a mysterious girl who promises everything Hannah s been missing Only Cady has a secret Cady wants Hannah all to herself Soon Cady is copying Hannah s style so they can be more alike She lies to Hannah s friends insults Scooter and begs Hannah to break her parents rules and sneak out for a midnight swim Hannah wants to believe Cady s just a little insecure But when she discovers a cemetery beyond the lake with an eerily familiar headstone she must decide whether to trust her new friend or dig for answers that may lead her to a watery grave **Book of Secrets** Thomas Eaton, 2008-10-21 Did you know there s a secret daily flight from the United States to Cuba Or that in 1966 the U S government smashed a bacteria laden light bulb inside the New York subway system Thomas Eaton s Book of Secrets reveals hundreds of clandestine covert surreptitious furtive hush hush and taboo pop cultural and historical curiosities from government cover ups to marketing tricks to Colonel Sander s secret recipe Practical secrets are also revealed such as how to obtain a flight upgrade speak in public or win friends and influence people Production features include a Kivar cover with rounded corners and foil stamping Mysteries and Secrets: The 16-Book Complete Codex Patricia Fanthorpe, Lionel Fanthorpe, 2014-11-12 This special 16 book bundle collects fearless investigations into the paranormal from the pens of Lionel and Patricia Fanthorpe who for several decades been researching and writing about ancient and eternal mysteries Their entertaining and thought provoking works span numerous topics from numerology freemasonry voodoo satanism and witchcraft to the very nature of death and time Additionally they have produced numerous volumes examining the great unexplained mysteries and places of history including The Bible European castles strange murders arcane objects of power the mysterious depths of the sea and remarkable people Take a strange and beautiful trip to the mystical side of life in this special set Includes Death Mysteries and Secrets of Numerology Mysteries and Secrets of the Masons Mysteries and Secrets of the Templars Mysteries and Secrets of Time Mysteries and Secrets of Voodoo Santeria and Obeah Satanism and Demonology Secrets of the World s Undiscovered Treasures The Big Book of Mysteries The Oak Island Mystery The World s Greatest Unsolved Mysteries The World s Most Mysterious Castles The World s Most Mysterious Murders The World s Most Mysterious Objects The World s Most Mysterious People Unsolved Mysteries of the Sea Secrets to the Grave Tami Hoag, 2020-09-29 For the first time in trade paperback 1 New York Times

bestselling author Tami Hoag's second thriller in the Oak Knoll microseries exploring the early days of forensic investigation the characteristics of innocence and the nature of evil Marissa Fordham had a past full of secrets a present full of lies Everyone knew of her but no one knew her When Marissa is found brutally murdered with her young daughter Haley resting her head on her mother's bloody breast she sends the idyllic California town of Oak Knoll into a tailspin Already on edge with the upcoming trial of the See No Evil killer residents are shocked by reports of the crime scene which might not have been discovered for days had it not been for a chilling 911 call a small child's voice saying My daddy hurt my mommy Sheriff's detective Tony Mendez faces a puzzle with nothing but pieces that won't fit To assist with his witness Haley he calls teacher turned child advocate Anne Leone Anne's life is hectic enough she's a newlywed and a part time student in child psychology plus she's the star witness in the See No Evil trial But one look at Haley alone and terrified and Anne's heart is stolen As Tony and Anne begin to peel back the layers of Marissa Fordham's life they find a clue fragment here another there And just when it seems Marissa has taken her secrets to the grave they uncover a fact that puts Anne and Haley directly in the sights of a killer Marissa Fordham never existed

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

River Secrets Shannon Hale, 2017-08-29 In this beloved third book in the Books of Bayern from New York Times bestselling author Shannon Hale Razo must become the unlikely hero his country needs Razo has never considered himself anything but ordinary and certainly not a great soldier So he's sure it's out of pity that his captain asks him to join an elite mission escorting the ambassador into Tira Bayern's greatest enemy But when the Bayern arrive in the strange southern country it's Razo who discovers the first dead body He is also the only Bayern able to befriend

the right people potential allies who can provide information about the ever increasing murders like the beautiful Lady Dasha If Razo can embrace his talents he might be the only one who can get the Bayern soldiers home alive The third book in master storyteller Shannon Hale s beloved Books of Bayern series is equal parts fantastical and romantic with an unforgettable protagonist to root for at its center **Deadtime Stories: Grave Secrets** Annette Cascone, Gina Cascone, 2012-01-03 Another creepy tale for beside the campfire or beneath the covers from Twisted Sisters Annette and Gina Cascone s Deadtime Stories now a hit show on Nickelodeon Amanda Peterson has a pet cemetery in her backyard It s where she s buried all her family s dear departed pets like Ralphie the hamster Herman the goldfish and Snitch the canary But when Amanda and her friends set out to bury a dead squirrel they accidentally dig up a grave that s already occupied and not by a pet The scary old lady who lives next door has lots of buried secrets And she ll do anything to keep them that way At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Geepers, I Love You Sally Gladden, 2016-12-09 Geepers I Love You by Sally Gladden is an original two act play While rummaging through trunks in the attic Sally finds love letters that her dad Parker Gladden a k a Park a lonely Fayetteville New York barber had written to his lady Marie Hamilton while she was away in nursing school in Brooklyn New York The time is 193233 the Great Depression when jobs were few haircuts were twenty five cents marathon dancers gleaned attention and all hoped that Roosevelt would save the country The primary scene is Park Gladdens barber shop in Fayetteville New York Parker writes his long letters to Marie while he awaits customers Unfortunately it is starve the barber time for many in the village of Fayetteville The economy is horrid for all Parker would have preferred to be a musician but his family needed his income as a barber He is lonely he drinks excessively he tries to remain humorous amidst the stresses of the time Voice overs of Parker reading these letters to Marie serve as segues between scenes These letters are insightful funny tragic and all telling about being the Barber of Funnyville during the Depression Colorful people come to Parks barbershop and conversations give us insight about the people and the effects of the Depression on all These customers from the very young to the old timers share the newspaper news happenings of the small village gossip and in general conversations about life A secondary scene is the nurses station in Brooklyn where Marie is seen reading many of Parks letters She is also dealing with her nurse supervisor Nurse Katrina the wicked the dictator In this two act play to while away the hours Park listens to the radio composes music practices his trombone and writes letters to his Nurtz while he awaits customers Prior to Act I and during the intermission the audience sees projections of the Depression Era and hears music of that era The play is happy sad and informative and the characters are real The playwright interviewed many citizens who endured the Depression locally The characters are based on real people Geepers I Love You Teasing Secrets from the Dead Emily Craig, Ph.D., 2004-08-31 Teasing Secrets from the Dead is a front lines story of crime scene investigation at some of the most infamous sites in recent history In this absorbing surprising and undeniably compelling book forensics expert Emily Craig tells her own story of a life spent teasing

secrets from the dead Emily Craig has been a witness to history helping to seek justice for thousands of murder victims both famous and unknown It s a personal story that you won t soon forget Emily first became intrigued by forensics work when as a respected medical illustrator she was called in by the local police to create a model of a murder victim s face Her fascination with that case led to a dramatic midlife career change She would go back to school to become a forensic anthropologist and one of the most respected and best known bone hunters in the nation As a student working with the FBI in Waco Emily helped uncover definitive proof that many of the Branch Davidians had been shot to death before the fire including their leader David Koresh whose bullet pierced skull she reconstructed with her own hands Upon graduation Emily landed a prestigious full time job as forensic anthropologist for the Commonwealth of Kentucky a state with an alarmingly high murder rate and thousands of square miles of rural backcountry where bodies are dumped and discovered on a regular basis But even with her work there Emily has been regularly called to investigations across the country including the site of the terrorist attack on the Murrah Building in Oklahoma City where a mysterious body part a dismembered leg was found at the scene and did not match any of the known victims Through careful scientific analysis Emily was able to help identify the leg s owner a pivotal piece of evidence that helped convict Timothy McVeigh In September 2001 Emily received a phone call summoning her to New York City where she directed the night shift triage at the World Trade Center s body identification site collaborating with forensics experts from all over the country to collect and identify the remains of September 11 victims From the biggest news stories of our time to stranger than true local mysteries these are unforgettable stories from the case files of Emily Craig s remarkable career
