Merlin and the Discovery of Avalon in the New World Graham Phillips,2005-10-12 The first book to present the true identity of the mythic figure Merlin Uncovers historical evidence that the legend of Merlin was based on the life of a real man Reveals that Avalon Merlin s final resting place was an island in the United States The legendary figure Merlin is known

throughout the world as the wizard of Camelot who was counselor to King Arthur and helped that monarch create the Round Table Through the course of a 20 year investigation Graham Phillips has uncovered evidence that this famous story was based on the life of an actual historical figure the son of a Roman consul who became the last of the Romans to rule Britain in the fifth century A D Furthermore the evidence reveals that he died and was buried in what is now the United States According to legend Merlin ended his life on the mystical island of Avalon A 1500 year old saga tells how Merlin left Britain on a boat bound for a mysterious island to the west The places described in Merlin s voyage Phillips argues would only have been seen by someone who had journeyed to the New World For example the island where boiling fountains bubble from the ground could be the geysers of Iceland and the island with rivers of ice the glaciers of Greenland During his research Phillips discovered that a site believed to be Merlin s grave was found by the first British settlers in North America a secret location said to have been preserved in the works of William Shakespeare and the coded writings of the Freemasons Phillips follows a trail of historical clues that leads ultimately to a mysterious New England tomb Here a final encrypted message not only reveals the whereabouts of Merlin s grave but contains evidence that Merlin s descendants still survive and through a merger with the Spencer family of Princess Diana may once again ascend the British throne [Subject Guide to Children's Books in Print](#) ,1981 [Mystery Writer's Source Book](#) David Borcharding,1995-09-15 Part marketing guide part writing guide part forum this invaluable companion for mystery suspense and crime writers includes in depth market reports on 120 mystery book and magazine publishers two novel excerpts and an award winning short story and an analysis of why they sold techniques from top writres and more *An Invisible Tattoo* Suellen Dainty,2025-04-01 When a last collection of songs by British musical icon James Bennett is discovered in an old Somerset house rumours about his mysterious death during a wild midsummer party more than fifty years ago begin to swirl again An accident Suicide Or murder The only person still alive who knows what happened is frail but indomitable Ruth Henderson She now lives in a Sydney apartment but back in 1972 she was staying in Somerset with her closest friend Adela McMahon who was married to James From very different backgrounds Ruth and Adela became inseparable while growing up in an isolated New South Wales rural town And they longed to escape Adela fled first to the bright lights and hectic whirl of swinging London where she soon met James But all was not as gilded as it seemed Ruth was a witness to her beloved friend s tempestuous and troubling relationship and she was by Adela s side the night James died Journalists are clamouring to hear Ruth s story Of them all Ruth chooses young and ambitious Kate Griffin who will do anything to boost her career But as the past and the present begin to collide an unexpected friendship grows between the two women and deciding what really matters proves life changing for them both Moving between contemporary Australia and England in 1972 and between the worlds of Ruth and Kate this compelling novel explores the inextinguishable power and joy of friendship PRAISE FOR THE HOUSEKEEPER a rip roaring story of shocking betrayal and childhood trauma Lisa Jewell Gorgeous writing wonderful characterization immersive atmosphere and
