Essential Pawn Endings in Chess Karthik Pm, 2018-05-25 Essential Pawn Endings in Chess As the title implies it contains essential pawn endings and its concepts behind the scenes Most grandmasters say Start to learn endings first before anything in chess so we have started an endgame series called Complete Endgames Manual and this is the first book in this series In this book we go through some basic concepts first and make it more interesting as we walk ahead After completing this book you ll be able to understand and play any pawn endgames theoretically We have combined basic intermediate and some advanced level of positions to make the concepts understand better other complex positions are coming soon in next part of this book Yet this book helps in creating a strong foundation for your endgame play *100 Endgames You Must Know* de la Jesus Villa, 2014-05-28 There are contrary to what most amateurs believe relatively few chess endgames one must know Jesus de la Villa an international grandmaster and former champion of Spain presents the endgames that show up most frequently in practice are easy to learn and contain ideas and concepts that are useful in more difficult positions He brings you simple rules guiding ideas at the beginning of each chapter detailed and lively explanations many diagrams clear summaries of the most important themes recommended exercises that will help you understand the material and tests divided in two parts basic and final The main thing De la Villa asks of you is to always understand WHY you play a move

100 Endgames You Must Know Jesus de la Villa, 2015-12-28 New 4th and improved edition of an all time classic The good news about endgames is there are relatively few endings you should know by heart once you know these endings that s it Your knowledge never goes out of date The bad news is that all the same the endgame technique of most players is deficient Modern time controls make matters worse there is simply not enough time to delve deep into the position Jesus de la Vila debunks the myth that endgame theory is complex and he teaches you to steer the game into a position you are familiar with This book contains only those endgames that show up most frequently are easy to learn contain ideas that are useful in more difficult positions Your performance will improve dramatically because this book brings you simple rules detailed and lively explanations many diagrams clear summaries of the most important themes dozens of tests **Wijk Aan Zee, Karsten**

Magic of Chess Tactics Karsten Muller, Claus Dieter Meyer, 2017-09-05 Chess is 99% tactics So to be a good chess player you have to spend a lot of your training time on tactics Although basic tactics are explained in a number good books complicated tactics the kind that separate tournament winners from the pack require intuition imagination and precision The Magic of Chess Tactics helps you develop these qualities Aimed primarily at aspiring chess players from club to master level who seriously want to improve their chess understanding The Magic of Chess Tactics provides examples selected for both their entertainment and instructional value as well as detailed explanations and exercises Claus Dieter Meyer chess author and FIDE Master is a well known analyst and professional chess trainer Karsten Muller is an International Grandmaster and co author along with Frank Lamprecht of the highly acclaimed Secrets of Pawn Endings and Fundamental Chess Endings I have come to realise that there are basically two types of chess tactics First simple kinds of combinations you need to know when you start to play chess I still believe they are the basis of everything Things that computers see in a half second But the book is not about them For those simple tactics old Koblenz books are more than enough This book is about complicated chess tactics the kind you sometimes need hours of analysis just to discover the truth of the position It s hard to see and calculate perfectly on the board one needs intuition imagination and precision It s not easy to develop these qualities but I believe that the present book full of examples and high quality analyses will help you achieve that objective Welcome to the magical world of tactics From the Foreword by Alexei Shirov

The ChessCafe Puzzle Book 1 Karsten Muller, Susan Polgar, 2010-08-26 This very instructive book combines clear discussions of tactical themes with over 600 well chosen positions to test challenge and teach Although the classic combinations are not ignored the emphasis here is on positions from modern tournament practice of the last decade Tactics is a very important part of the game of chess and conscientious study and application of tactical principles is crucial to success This book offers every type of tactical motif imaginable from the more common back rank mates pins skewers forks up to and including some beautiful and rare combinations This tactical book will prove exceptionally useful for a wide range of players intermediate through master strength and beyond [Chess Secrets I Learned from the Masters](#)

EDWARD LASKER, 2024-12-03 Chess Secrets I Learned from the Masters by Edward Lasker is a classic instructional book that offers insights into the strategies and techniques employed by some of the greatest chess masters of the early 20th century Lasker a strong player and contemporary of Emanuel Lasker no relation draws on his experiences and encounters with legendary players like Capablanca Alekhine and Nimzowitsch to provide readers with valuable lessons in chess strategy Key Features Personal Anecdotes The book includes Lasker s reflections and stories about matches and interactions with the chess greats adding a personal and historical dimension Tactical and Strategic Lessons It explains fundamental concepts like openings endgames positional play and tactics making it suitable for intermediate players looking to improve Illustrative Games The book presents annotated games to highlight strategic points and demonstrate practical applications of the ideas discussed Historical Perspective Lasker places chess within the context of its evolution

offering insights into the development of modern chess thought This book is both an instructional guide and a fascinating glimpse into the world of classical chess blending education with storytelling in a way that appeals to chess enthusiasts and historians alike **Secrets of Modern Chess Strategy** John Watson,1999-03 The first section of this book discusses classical themes such as pawn majorities the centre and structural weaknesses Watson then moves on to discuss new concepts including the willingness of modern players to accept backward pawns in return for dynamic play the idea of a good bad bishop knights finding useful roles at the edge of the board and the exchange of sacrifice ideas that became prevalent with the post war Soviet world champions Das Schach-Sammelsurium Hugo Kastner,2011-04-08 Eine wahre Hommage an das Schachspiel Dieses Sammelsurium f hrt auf unterhaltsame Weise durch die faszinierende Welt des Schachs Ein Kalendarium begleitet die Schachfreunde durch das ganze Jahr und bietet ihnen eine abwechslungsreiche Mischung lebendige Biografien denkw rdige Partien und Probleme Anekdothen tiefgr ndige Geschichten sowie kuriose und bizarre Geschehnisse rund ums Schachbrett Eine kongeniale Sammlung ein Muss f r jeden Schachbegeisterten
