**U.S. Foreign Policy after the Cold War** Randall B. Ripley, James M. Lindsay, 2010-11-23 The cold war came to a grinding halt during the astounding developments of 1989 1991 The Berlin Wall fell Eastern European countries freed themselves from Soviet domination and the Soviet Union itself disintegrated after witnessing a failed coup presumably aimed at restoring a communist dictatorship Suddenly the evil empire was no more and US foreign policy was forever changed This volume explores the revisions to a variety of bureaucratic institutions and policy areas in the wake of these political upheavals

Washington's Taiwan Dilemma, 1949-1950 David Finkelstein, 2014-04-15 The declaration of the People's Republic of China in October 1949 presented American foreign policy officials with two dilemmas how to deal with the communist government on the mainland and what to do about Chiang Kai shek's holdout

Nationalist regime on Taiwan By early 1950 these questions were pressing hard upon U S civilian and military planners and policy makers for it appeared that the Red Army was preparing to invade the island Most observers believed that nothing short of American military intervention would preclude a communist victory on Taiwan How U S officials grappled with the question of what to do about Taiwan is at the heart of this study Prior to the publication of this book much of the historical literature on this critical period in U S policy toward China concentrated on the question of relations with the new regime in Beijing A focus on those debates has largely overshadowed the concomitant policy debates that centered around the question of how to deal with the Nationalist regime on Taiwan As this study shows the two issues were inextricably linked and developing a Taiwan policy was no less difficult or controversial Heavily informed by an analysis of declassified U S government documents and other primary sources this history strongly suggests that had North Korea not invaded the south in June 1950 the U S would not have intervened to save Chiang Kai shek and Taiwan from near certain invasion Beyond the narrative itself this volume is also a case study into the complex and sometimes messy processes by which foreign policy is made It explores the tensions that existed within the Truman administration between the State Department and various newly created entities such as the Department of Defense the Joint Chiefs of Staff and the National Security Council Indeed the history of policymaking for China and Taiwan in 1949 50 is also a case study in the early development of the post war interagency system It also underscores the tensions between the Executive and Legislative branches in the development of foreign policy The study also brings to light little discussed and often uncomfortable issues in Taiwan history some of which still have relevance to politics on the island even today These include the legacies of the Japanese colonial experience the post war Nationalist occupation and the early stirrings of the Formosan independence movement to name just a couple Today U S policy toward Taiwan remains a highly charged and fundamentally divisive issue in U S China relations especially the security dimensions of that policy And even today U S Taiwan policy is still subject to partisan politics in Washington as well as in Taipei For those who still grapple with this issue this volume presents the roots of the dilemma and essential background reading

Lyndon B. Johnson and the Politics of Arms Sales to Israel Abraham Ben-Zvi, 2004-02-05 Lyndon B Johnson and the Politics of Arms Sales to Israel seeks to reconstruct and elucidate the processes behind the decisions made by the Johnson Administration during the years 1965 68 to sell Israel M 48 tanks A 4 Skyhawk planes and F 4 Phantom planes This examination is based on a distinction between three factions which competed for influence within Washington s high policy elite the traditionalists whose major representative was Secretary of State Dean Rusk the pragmatists whose most outspoken representative was Robert Komer of the National Security Council and the domestically oriented policymakers the central decision maker who quintessentially exemplifies this category being President Johnson This book is a sequel to John F Kennedy and the Politics of Arms Sales to Israel which examined the first arms deal between the US and Israel

**The First War on Terrorism** David C. Wills, 2004-10-26 The events of September 11 2001 brought terrorism to

the forefront but Al Qaeda is not the first group to try using political violence against the United States to make Washington change its policies In the 1980s terrorism was rampant from Latin America to Europe and the Middle East a host of groups demanded changes in American foreign policy and were willing to bomb assassinate kidnap and hijack to pressure the government to act The First War on Terrorism examines the response of the Reagan Administration to the political violence it confronted during the 1980s David Wills takes the reader inside the negotiations over how to respond to terrorist acts and shows how the Reagan Administration s decision making process was a crucial obstacle to formulating a consistent and effective terrorism policy Compelling and enlightening The First War on Terrorism serves as a powerful guide to what should be emulated and avoided from America s previous battles with shady foes **Military Review** ,1986 **Professional Journal of the United States Army** ,1986 **The West and the Birth of Bangladesh** Richard Pilkington,2021-08-15 In 1971 authorities in Islamabad perpetrated mass atrocities in East Pakistan in an attempt to thwart a struggle for autonomy by terrorizing the local population into submission The West and the Birth of Bangladesh explores the decision making processes and ethical debates in Washington Ottawa and London during the crucial first few months of the crisis US president Richard Nixon and his national security advisor Henry Kissinger favoured appeasement of Islamabad The Canadian government was unwilling to hazard bilateral ties with Pakistan Under public pressure only the UK showed somewhat greater willingness to coerce Islamabad into ending its oppressive actions Richard Pilkington analyzes the interplay of US Canadian and British responses toward East Pakistan and the available policy options This insightful book reveals how even as human rights movements began to emerge in the West blinkered government actors there remained too preoccupied with protecting national interests to take firm action during the crisis
