The Beguilement of Lady Eustacia Cavanaugh Stephanie Laurens, 2019-07-18 1

New York Times bestselling author Stephanie Laurens continues the bold tales of the Cavanaugh siblings as the sole Cavanaugh sister discovers that love truly does conquer all A lady with a

passion for music and the maestro she challenges in pursuit of a worthy cause find themselves battling villains both past and present as they fight to secure life's greatest rewards: love, marriage and family. Stacie Lady Eustacia Cavanaugh is adamant marriage is not for her. Haunted by her parents' unhappy union, Stacie believes that for her marriage is an unacceptable risk. Wealthy and well-born, she needs for nothing and with marriage off the table to give her life purpose, she embarks on a plan to further the careers of emerging local musicians by introducing them to the ton via a series of musical evenings. Yet despite her noble status, Stacie requires a musical lure to tempt the haut ton to her events and in the elevated circles she inhabits only one musician commands sufficient cachet: the reclusive and notoriously reluctant Marquess of Albury. Frederick Marquess of Albury has fashioned a life for himself as a musical scholar; one he pursues largely out of sight of the ton. He might be renowned as a virtuoso on the pianoforte, yet he sees no reason to endure the smothering over-attentiveness of society. Then his mother inveigles him into meeting Stacie and the challenge she lays before him is tempting. On a number of fronts. Enough for him not to immediately refuse her. A dance of subtle persuasion ensues and step by step, Frederick finds himself convinced that Stacie's plan has real merit and that it behooves him to support her. At least for one event. Stacie's first musical evening featuring Frederick as the principal performer is a massive success until Fate takes a hand and lands them in a situation that forces them both to reassess. Does Frederick want more than the sterile academic life he'd thought was for him? Can Stacie overcome her deepest fears and own to and reach for her girlhood dreams? Impulsive, arrogant and used to getting his own way, Frederick finds his answer easily enough, but his new direction puts him on a collision course with Stacie's fears. Luckily he thrives on challenges, which is just as well because in addition to convincing Stacie that love can indeed conquer all, he and she must unravel the mystery of who is behind a spate of murderous attacks before the villain succeeds in eliminating all hope of a happy ending. A classical historical romance set in London and Surrey in the heart of the ton. Third novel in *The Cavanaughs*, a full-length historical romance of 122,000 words. New York Times bestselling author Stephanie Laurens returns to the Cynsters' next generation with an evocative tale of two people striving to overcome unusual hurdles in order to claim true love. A nobleman wedded to the lady he loves strives to overwrite five years of masterful pretence and open his wife's eyes to the fact that he loves her as much as she loves him. Lord Devlin Cader, Earl of Alverton, married Therese Cynster five years ago. What he didn't tell her then and has assiduously hidden ever since for what seemed excellent reasons at the time is that he loves her every bit as much as she loves him.
