C. Cotham, 2022-12-20 Drawing insights from a long career in the two professions of full time church pulpit ministry and various university professorships Perry Cotham invites us to understand ancient biblical themes in a refreshingly new and relevant way Some themes are deeply theological and biblical and others are highly practical Dr Cotham challenges our thinking even if readers may not agree with all his insights and conclusions *The Sacred Secret of Human Life through Jesus Christ* Paul Kofi Peprah, Adam who had enjoyed perfect life its continuance conditioned on obedience to Jehovah Gen 2 17 now experienced in himself the workings of sin and its fruitage spiritual death He was cut off from God and true spirituality nevertheless his life vigor was strong living for 930 years before physical death overtook him He lost eternal life for himself and offspring Gen 3 17 22 23 5 5 The apostle John quotes Jesus Christ as saying God so loved the world that He gave his one and only Son Jesus Christ that whoever believes in him will not perish but have eternal life John 3 16 And Jesus Christ said This is eternal life their knowing you the only true God and the one whom you have sent Jesus Christ John 17 3

*Everyday Religion* James Edward Freeman, 1920 *Everyday Religion Or The Common Sense Teaching of the Bible* Hannah Whitall Smith, 1893 **The Best Kept Secret of Christian Mission** John Dickson, 2010 This book comes out of years of reflection failures and some successes in the task of reaching out to others with the gospel Many Christians think of the task of mission as an entirely verbal activity when perhaps the best kept secret of New Testament teaching about mission is that it involves a whole range of activities that explicitly promote Christ to the world and draw others to him and only a few of them involve speaking Without diminishing or downplaying the importance of speaking the gospel John Dickson shows that on the other hand downplaying the range of activities that promote Christ to the world has its own set of problems It can make those who are not confident about speaking of anything let alone Jesus feel inadequate and self conscious in the task of reaching out to others Equally it can make those who do have a flair for speaking feel as though they are fulfilling Christ's mission just by talking But the reality is that the Lord wants our whole life not just our lips in the task of bringing the gospel to the world Every facet of our lives can be used by God to promote the news of his power and mercy In this practical guide to the biblical art of sharing your faith John Dickson offers refreshing insight into the ways that all Christians can and should be involved in spreading the good news of Jesus While not all Christians are called and gifted to become evangelists we are all called to promote the gospel through a wide range of activities prayer financial partnership good deeds godly lives public worship daily conversation etc with and without our lips As readers engage with this book grapple with its arguments and hear the stories of people coming to faith they will be inspired to see the whole of life as significant for bringing the gospel to the world and they will be liberated out of guilt and self consciousness in evangelism into becoming perfectly natural promoters of Jesus Christ **Best Kept Secret in Christianity** Jack A.
