Secrets Of Jesse James:

Secrets of Jesse James George Eugene Turner,1975 **Jesse James Secret** Ronald Pastore,John O'Melveny Woods,2017-03 This book could be more aptly subtitled How I solved a 120 year old cold case murder mystery The ultimate truth surrounding Jesse James secret life can finally be revealed Although the previous Wikipedia blurb encapsulates what is widely written on the subject it is far from reality In spite of the secretive life he led there are numerous pieces of the puzzle that speak volumes about Jesse James The clues came in various forms Once enough information was amassed I was able to process it down to a new and clear understanding of the man and his motives What emerged was the picture of someone completely misunderstood by history This research project became both a lesson on investigative techniques and an amazing personal adventure I followed the evidence even when the trail seemed contrary to the existing facts Suddenly new clues would emerge that put me back on track Just when I thought the mystery was solved another deeper story would come to light It has truly been a life changing experience And it appears that I am as yet still only at the beginning My hope for this book is that the story will finally get out to the public and the truth will prevail My hope for the reader is that they enjoy the adventure and that it may inspire others to inquire **Jesse James' Secret** Ronald J.
