Mentally Tough James E. Loehr, Peter McLaughlin, 1988-03-15 Sport Psychologist Dr Jim Loehr and marketing consultant Peter McLaughlin outline techniques that can be used to achieve the mental toughness displayed by professional athletes. They take these techniques including visualization, motivation, performance ritual, breath control, and more, and demonstrate how they can be effectively applied in the business world. Mental toughness allows anyone to overcome stress, anger, fatigue, petty problems, and workload so they can accomplish their goals, unlock their boundless physical and mental energy, and be focused, relaxed, and confident in the workplace. The techniques outlined in this book allow anyone to hone their mental toughness and succeed in today's tough business world. **Mentally Tough** James E. Loehr, Peter J. How to Stay Cool, Calm and Collected When the Pressure's On Judith Newman, 1993-06-08 This book offers a systematic approach to dealing with a world that often seems a chaotic confluence of tough decisions, difficult situations, and combative people. Pressures, problems, and conflicts are a fact of life, but the manager who can face problems head on and deal with them calmly is way ahead of the game. Stress expert John Newman gives an antidote to stress and strain, lays out a unique and powerful approach to making wise choices and taking actions that will put you in control of any situation. Once the author's Command and Control techniques are learned, they can be used again and again in all areas of life. In *How to Stay Cool, Calm, Collected When the Pressure's On*, you will learn how to destroy counterproductive stress-producing habits, adopt new effective habits, become mentally tough, emotionally in control, communicate in a positive way. *How to Stay Cool, Calm, Collected When the Pressure's On* provides checklists, quotes from stress conquerors, and an outline for a personal effectiveness plan. By carefully adhering to the book's principles, anyone can erase the ravages of stress and move on to a more productive attitude. **New York Magazine**, 1990-11-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
