Reed, 1995-01 This ecumenical volume also examines a wide variety of established and emerging pastoral patterns of Confirmation in the churches This refreshing book lies the exciting thesis that Confirmation is a repeatable sacrament in an individual's lifecycle **The Church As Learning Community** Norma Cook Everist, 2010-10-01 Norma Cook Everist contends that it is meaningful to say that in ministries of administration outreach and pastoral care the church is functioning as a learning community Whenever and wherever Christians are being formed into the image of Jesus Christ through ministry there Christian education is taking place Christian education is the name we give to that process of formation Building on this central insight Everist has written a major new introduction to the tasks and practices of Christian education Part 1 of the book focuses broadly on what it means to be the church in the world Part 2 shows how being a learning community requires ongoing growth in faith throughout the span of life Part 3 shifts focus to the church as it moves into the community and world **T&T Clark Handbook of Sacraments and Sacramentality** Martha Moore-Keish, James Farwell, 2022-12-29 Introducing readers to the contemporary field of sacramental theology this volume covers the biblical and historical foundations a survey of the state of the discipline and a collection of constructive essays representing major themes practices and approaches to sacraments and sacramentality in the contemporary world The volume starts with a set of foundational essays that offer broad introduction to the field of sacramental theology from contemporary scholars analysing a number of historical figures in order to illumine and inform contemporary sacramental theology The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space time ritual action music and word all as aspects of what Christians have termed sacramental reality The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in Christian traditions baptism eucharist Lord's Supper confirmation confession forgiveness and reconciliation marriage ordination and anointing The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines critical race theory queer theory comparative theology and disability studies *Confirm Director Guide*, 2016-12-02 Confirm Your Faith Your Commitment God's Call Too often confirmation has been downgraded to the role of a checkpoint along the faith journey The Confirm family of resources reclaims confirmation as the first step on a journey that leads to a mature adult faith Confirm treats confirmation as more than a decision Instead it is the beginning of a conversation about what it means to be a Christian living out your faith your commitment and God's call Confirm is an easy to follow and fully customizable confirmation program that can be used virtually any church setting and with a wide variety of schedules You have the option to schedule your lesson choices and the tools to organize your own confirmation program over the course of a school year a 3 year span or in any other way that meets your needs without having to purchase additional customizable content With flexible and easy to

Deconstructing Sacramental Theology and Reconstructing Catholic Ritual Joseph Martos, 2015-05-12 Catholic sacramental doctrine has lost much of its credibility Baptized people leave the church adolescents stop attending shortly after they are confirmed supposedly indissoluble marriages regularly dissolve few go to confession and many do not believe in transubstantiation Drawing upon his decades long study of the sacraments Martos reveals how teachings that seemed rooted in the scriptures and Catholic life have become unmoored from the contexts in which they arose and why seemingly eternal truths are actually historically relative After carefully constructing Catholic teaching from the church's own documents he deconstructs it by demonstrating how biblical passages were misconstrued by patristic authors and how patristic writings were misunderstood by medieval scholastics The long process of misinterpretation culminated in the dogmatic pronouncements of the Council of Trent which continues to dominate Catholic thinking about the church's religious ceremonies If the sacraments are released from their dogmatic baggage Martos believes that the spiritual realities they symbolize can be celebrated in any human culture without being tied to their traditional rites
