Grassroots Governance in Germany and India G. Palanithurai, Niclas D. Weimar, Sonkhogin Haokip, 2014-01-01 Local Governance assumes significance in the present context of globalization It is important in the developing countries particularly in the Afro Asian countries Because the present dispensation of decentralization of powers is meant for empowerment of the marginalized The current wave of decentralization is to involve and engage the marginalized in governance and development activities Local governance is seen as a tool and mechanism to achieve inclusive development and inclusive governance In this context an attempt is made to compare the grassroots institution namely the lowest unit of governance in India and Germany It is almost a comparison of working of Gram Panchayat in India and a equivalent unit in Germany It has been done through a case analysis It gives a picture about how a village life is organized and administered through an institutional mechanism Less government more governance can be seen when ours is compared with the western countries

Governance Issues in India G. Palanithurai, 2014-01-01 Governance in India is in deep crisis Though it is an old concept it has got a new meaning contextually The unprecedented change and transformation in the country has witnessed in the last two decades due to globalization require new tools and mechanisms to regulate the governance process Growing awareness on the part of the people in India about the government governance and development demands a new kind of responsiveness and accountability on the part of the governing institutions Policy incapacity governance incapacity and administration incapacity have get in and they are being debated widely The above issues have been focused in the articles written in different periods on different issues relating to governance have been published in different journals and they are brought together in the backdrop of a framework and perspective All the articles in the book reveal the grassroots reality based on empirical evidences both primary and secondary in nature It will be of much useful to those who are interested to look at issues from
