Modern British Photography, 1919-39 Museum of Modern Art (Oxford, England), 1980 **Thoroughly Modern**

Sarah Knights, 2023-06-08 The life of pioneering photographer Barbara Ker Seymer Thoroughly entertaining Knights expertly evokes this hedonistic period The Times A picturesque portrayal of a world that sounds as thoroughly maniacal as it was modern Daily Telegraph I just called myself Ker Seymer Photographs Barbara said I didn't think it was necessary to have your sex displayed on the photographs Vivacious sassy out to have fun Ker Seymer was committed to independence One of a handful of outstanding British photographers of her generation Ker Seymer's work defined a talented forward looking network of artists dancers writers actors and musicians all of whom flocked to her Bond Street studio Among her sitters were Evelyn Waugh Margot Fonteyn Cyril Connolly Jean Cocteau and Vita Sackville West Barbara Ker Seymer 1905 1993 disdained lucrative society portraits in favour of unfussy modern images Her work was widely admired by her peers among them Man Ray and Jean Cocteau Her images as a gossip column photojournalist for Harper's Bazaar were the go to representations of the aristocracy and Bright Young Things at play Yet as both a studio portraitist and a photojournalist she broke with convention Equally unconventional in her personal life Ker Seymer was prefigurative in the way she lived her life as a bisexual woman and in her contempt for racism misogyny and homophobia Fiercely independent for much of her life she rejected the idea of family preferring her wide set of creative friends with the artist Edward Burra ballet dancer William Billy Chappell and choreographer Frederick Ashton at its core Today Ker Seymer's photographs are known for whom they represent rather than the face behind the camera an irony underpinned by the misattribution of some of her most daring images to Cecil Beaton Yet her intelligence sparkle wit and genius enabled her to link arms with the surrealists the Bloomsbury Group the Bright Young Things and most gloriously the worlds of theatre cabaret and jazz With unprecedented access to private archives and hitherto unseen material Sarah Knights brings Barbara Ker Seymer and her brilliant bohemian friends vividly to life A Gust of Photo-Philia Alexandra Moschovi, 2020-12-15 The first transnational history of photography's accommodation in the art museum Photography was long regarded as a middle brow art by the art institution Yet at the turn of the millennium it became the hot global art of our time In this book part institutional history part account of shifting photographic theories and practices Alexandra Moschovi tells the story of photography's accommodation in and as contemporary art in the art museum Archival research of key exhibitions and the contrasting collecting policies of MoMA Tate the Guggenheim the V A and the Centre Pompidou offer new insights into how art as photography and photography as art have been collected and exhibited since the 1930s Moschovi argues that this accommodation not only changed photography's status in art culture and society but also played a significant role in the rebranding of the art museum as a cultural and social site **International Photography Index** ,1981 **A History Of Advertising.
