Modern Lives A Cultural Rereading Of The Lost Generation:

The Essential Cult TV Reader David Lavery, 2014-07-11 The Essential Cult TV Reader is a collection of insightful essays that examine television shows that amass engaged active fan bases by employing an imaginative approach to programming Once defined by limited viewership cult TV has developed its own identity with some shows gaining large mainstream audiences By exploring the defining characteristics of cult TV The Essential Cult TV Reader traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television The essays explore a wide range of cult programs from early shows such as Star Trek The Avengers Dark Shadows and The Twilight Zone to popular contemporary shows such as Lost Dexter and 24 addressing the cultural context that allowed the development of the phenomenon The contributors investigate the obligations of cult series to their fans the relationship of camp and cult the effects of DVD releases and the Internet and the globalization of cult TV The Essential Cult TV Reader answers many of the questions surrounding the form while revealing emerging debates on its future The Cambridge Companion to the Literature of Paris Anna-Louise Milne, 2013-08-01 No city more than Paris has had such a constant and deep association with the development of literary forms and cultural ideas The idea of the city as a space of literary self consciousness started to take hold in the sixteenth century By 1620 where this volume begins the first in a long line of extraordinary works of the human imagination in which the city represented itself to itself had begun to find form in print This collection follows that process through to the present day Beginning with the salon followed by the hybrid culture of libertinage and the revolutionary hotbeds of working class districts it explores the continuities and changes between the pre modern era and the nineteenth century when Paris asserted itself as cultural capital of Europe It goes on to explore how this vision of Paris as a key capital of modernity has shaped contemporary literature **Zelda Sayre Fitzgerald** Linda Wagner-Martin, 2004-07-30 Linda Wagner Martin s Zelda Sayre Fitzgerald is a twenty first century story Using cultural and gender studies as contexts Wagner Martin brings new information to the story of the Alabama judge s daughter who at seventeen met her husband to be Scott Fitzgerald Swept away from her stable home life into Jazz Age New York and Paris Zelda eventually learned to be a writer and a painter and she came close to being a ballerina An evocative portrayal of a talented woman s professional and emotional conflicts this study contains extensive notes and new photographs

Enterprising Youth Monika Elbert, 2008-06-09 Recommended by Choice Enterprising Youth examines the agenda behind the shaping of nineteenth century children s perceptions and world views and the transmission of civic duties and social values to children by adults The essays in this book reveal the contradictions involved in the perceptions of children as active or passive as representatives of a new order or as receptacles of the transmitted values of their parents The question then is whether the business of telling children s stories becomes an adult enterprise of conservative indoctrination or whether children are enterprising enough to read what many of the contributors to this volume see as the subversive

potential of these texts This collection of literary and historical criticism of nineteenth century American children s literature draws upon recent assessments of canon formations gender studies and cultural studies to show how concepts of public private male female and domestic foreign are collapsed to reveal a picture of American childhood and life that is expansive and constrictive at the same time India Abroad Sandhya Shukla,2021-03-09 India Abroad analyzes the development of Indian diasporas in the United States and England from 1947 the year of Indian independence to the present Across different spheres of culture festivals entrepreneurial enclaves fiction autobiography newspapers music and film migrants have created India as a way to negotiate life in the multicultural United States and Britain Sandhya Shukla considers how Indian diaspora has become a contact zone for various formations of identity and discourses of nation She suggests that carefully reading the production of a diasporic sensibility one that is not simply an outgrowth of the nation state helps us to conceive of multiple imaginaries of America England and India as articulated to one another Both the connections and disconnections among peoples who see themselves as in some way Indian are brought into sharp focus by this comparativist approach This book provides a unique combination of rich ethnographic work and textual readings to illuminate the theoretical concerns central to the growing fields of diaspora studies and transnational cultural studies Shukla argues that the multi sidedness of diaspora compels a rethinking of time and space in anthropology as well as in other disciplines Necessarily the standpoint of global belonging and citizenship makes the boundaries of the America in American studies a good deal more porous And in dialogue with South Asian studies and Asian American studies this book situates postcolonial Indian subjectivity within migrants transnational recastings of the meanings of race and ethnicity Interweaving conceptual and material understandings of diaspora India Abroad finds that in constructed Indias we can see the contradictions of identity and nation that are central to the globalized condition in which all peoples displaced and otherwise live The Geopolitics of Cultural Difference Rebecca Walsh,2004 **The Culture of Corporeality** Stefan Leonhard Brandt,2007 The Culture of Corporeality outlines a cultural history of the body in the American postwar years 1945 1960 based on contemporary critical theory and exemplified by a variety of films literary works and other documents The book argues that the body as a cultural symbolic and lived
