Modern Australian Usage:

Modern Australian Usage Nicholas Hudson, 1997 This revised and updated paperback edition of a guide first published in 1993 provides advice about the English language as spoken in Australia Entries are arranged alphabetically and generally relate to issues and questions encountered by the author in his long career as a publisher and editor Modern Australian Usage Nicholas Hudson, 2015-05-25 Q Why have a guide to using language when you can look it up on the internet A Because you often can't find a clear or reliable answer However Nicholas Hudson's wonderfully comprehensive and practical compendium on the English language will tell you what you need to know Should you use lay or lie How do you use a semicolon correctly What's a willy willy The difference between a town and a city or a boat and a ship In his witty and pithy entries Nicholas Hudson identifies commonly confused terms He explains how to use the key elements of English grammar and punctuation to convey the meaning you intend He highlights distinctively Australian usage and terms and covers the impact of digital technologies on writing and publishing *Modern Australian Usage* should be on the desk of every writer who wants to expand their understanding of our rich and frustrating language A comprehensive usage guide based on great knowledge, experience and love of language immensely readable Susan Butler The Editor Macquarie Dictionary Insightful and original observations on Australian usage an essential read for all lovers of language Kate Burridge Professor of Linguistics Monash University *The Cambridge Guide to Australian English Usage* Pam Peters, 2007-04-26 The Cambridge Guide to Australian English Usage is an up-to-date evidence-based account of the variable points in Australian usage and style in alphabetical format Its description of Australian English uses a wealth of primary sources linguistic corpora the internet public surveys of usage conducted through Australian Style as well as the latest editions of English dictionaries style manuals and grammars With all this input the Cambridge Guide to Australian English Usage provides in-depth coverage of the currency of alternative usages in spelling punctuation and word choice in Australia while showing the influence of British and American English here as well This book is designed for everyone who writes and edits documents and non-fiction texts for print or electronic delivery Tertiary students and staff will get plenty of help from it as well as professional editors who work with manuscripts of many different authors and commissions from multiple publishers A Survey of Modern English Stephan Gramley, Kurt-Michael Pätzold, 2004-02-24 Fully revised and updated the second edition of this authoritative guide is a comprehensive scholarly and systematic review of modern English In one volume the book presents a description of both the linguistic structure of present-day English and its geographical social gender and ethnic variations Covering new developments such as the impact of email on language and corpus-based grammars this accessible text has been extensively rewritten and brings the survey of modern English right up to date It also offers new examples and suggestions for further reading Modern Australian Usage Nicholas Hudson, 2015-05-01 Q Why have a guide to using language when you can look it up on the internet A Because you often can't find a clear or reliable answer However Nicholas Hudson's wonderfully

comprehensive and practical compendium on the English language will tell you what you need to know Should you use lay or lie How do you use a semicolon correctly What s a willy willy The difference between a town and a city or a boat and a ship In his witty and pithy entries Nicholas Hudson identifies commonly confused terms He explains how to use the key elements of English grammar and punctuation to convey the meaning you intend He highlights distinctively Australian usage and terms and covers the impact of digital technologies on writing and publishing **Modern Australian Usage** should be on the desk of every writer who wants to expand their understanding of our rich and frustrating language A comprehensive usage guide based on great knowledge experience and love of language immensely readable Susan Butler The Editor Macquarie Dictionary Insightful and original observations on Australian usage an essential read for all lovers of language Kate Burridge Professor of Linguistics Monash University *Australian English Reimagined* Louisa Willoughby, Howard Manns, 2019-11-01 Australian English is perhaps best known for its colourful slang but the variety is much richer than slang alone This collection provides a detailed account of Australian English by bringing together leading scholars of this English variety These scholars provide a comprehensive overview of Australian English s distinctive features and outline cutting edge research into the variation and change of English in Australia Organised thematically this volume explores the ways in which Australian English differs from other varieties of English as well as examining regional social and stylistic variation within the variety The volume first explores particular structural features where Australian English differentiates itself from other English varieties There are chapters on phonetics and phonology socio phonetics lexicon and discourse pragmatics as these elements are core to understanding any variety of English especially within the World Englishes paradigm It then considers what are arguably the most salient aspects of variation within Australian English and finally focuses on historical attitudinal and planning aspects of Australian English This volume provides a thorough account of Australian English and its users as complex diverse and worthy of study Perhaps more importantly this volume s scholars provide a reimagining of Australian English and the paradigm through which future scholars may proceed **Modern Australian Usage** Nicholas Hudson, 2015 From grammar to punctuation to terms that are commonly confused this is an essential general reference that should be on every writer s desk **English in Australia** David Blair, Peter Collins, 2001-06-15 This unique collection fills a ten year gap in studies on the nature of Australian English and it is the first to deal exclusively with varieties of English on the Australian continent The book contains chapters on the phonology morphology syntax and the lexicon of the dialect and chapters on variation within the dialect that include Aboriginal and ethnic varieties as well as regional and generational differences with a focus on questions of Australian identity and intercultural relations With selected contributions by Australia s leading linguists this volume records the most recent developments in the study of English within Australia **Englishes around the World** Edgar W. Schneider, 1997-06-26 The two volumes of Englishes around the World present high quality original research papers written in honour of Manfred G rlach founder and editor of the journal English World

Wide and the book series Varieties of English Around the World The papers thematically focus on the field that Manfred G. Leach has helped to build and shape Volume 2 of Englishes Around the World presents studies of so called New Englishes post colonial varieties as spoken predominantly in countries of the former British Empire There are five contributions on the Caribbean covering Jamaica Guyana and Trinidad five articles on Africa South Africa East Africa and Nigeria six studies of English in Asian countries Japan the Philippines India Singapore Malaysia and Papua New Guinea and six papers on Australia and New Zealand Topics covered range from sociohistorical causes and processes the nativization of English in different countries or the expression of individual identities by means of the English language through structural descriptions to sociolinguistic psycholinguistic lexicographic pragmatic stylistic and other matters The articles in the respective sections are written by D. R. Craig L. M. Haynes P. L. Patrick K. Shields Brodber and L. Winer A. Banjo V. de Klerk R. Mesthrie J. Schmied and P. Silva R. W. Bailey R. Begum and T. Kandiah A. Gonzalez R. R. Mehrotra P. M. H. H. usler and M. Newbrook L. Bauer S. Butler M. Clyne P. Peters and A. Delbridge G. Tulloch and G. W. Turner

The Evolution of Englishes Sarah Buschfeld, Thomas Hoffmann, Magnus Huber, Alexander Kautzsch, 2014-09-15 This two part volume provides a collection of 27 linguistic studies and contributions that shed light on the evolution of different Englishes world wide varieties learner Englishes dialects creoles from a broad spectrum of different perspectives including both synchronic and diachronic approaches What makes the volume unique is that it is the first ever contribution to the field which includes a section exclusively committed towards testing discussing and refining Schneider's 2007 Dynamic Model against recent realities of English world wide Part 1 These realities include a wide variety of case studies ranging from regions socio linguistically as diverse as South Africa the Philippines Cyprus or Germany Part 2 goes beyond the Dynamic Model and offers both empirical and theoretical perspectives on the evolution of World Englishes In doing so it provides contributions with a theoretical focus on the topic as well as cross varietal accounts it sheds light on individual Englishes from different geographical regions and offers new perspectives on old varieties
