Modern Christian Spirituality Methodological And Historical Essays:

Modern Christian Spirituality Bradley Hanson, 1990 The thirteen essays in this collection fall into two sections The first section presents essays on the nature of spirituality and appropriate methods for its study while a second section includes historical studies of particular persons and movements within Christian spirituality Contributors include Ewert Cousins Carlos M N Eire Diogenes Allen Eric Lund and David Trickett *The Blackwell Companion to Christian Spirituality* Arthur Holder, 2011-04-27 The Blackwell Companion to Christian Spirituality is a comprehensive single volume introduction to Christian spirituality and represents the most significant recent developments in the field Offers a thoroughly interdisciplinary broadly ecumenical and representative overview of the most significant recent developments in the field Comprises essays combining rigorous academic scholarship with accessible and elegant writing Reflects an understanding of the field as the study of the lived experience of Christian faith and discipleship Provides material on biblical historical and theological foundations along with treatment of contemporary issues **Exploring Christian Spirituality** Bruce H. Lescher, Elizabeth Liebert, 2006 Sandra Schneiders commands respect as one of the most significant and influential figures in the emergence of the study of Christian spirituality as an academic discipline as the focused and disciplined exploration of religious experience This book honors her contributions to the field by addressing issues that are emerging at the creative edges of the discipline In this volume colleagues and students of Dr Schneiders and other collaborators in the academic discipline of Christian spirituality examine crucial issues from their various disciplinary and methodological perspectives Questions of methodology address the status of spirituality as a discipline interdisciplinarity and self implication Other essays explore the edges of Christian spirituality and biblical spirituality gender studies the natural sciences nature writing the social sciences and interfaith issues This collection of essays will provoke students and scholars of Christian spirituality as well as practitioners to continue critically thinking discussing writing and practicing it **Studying Christian Spirituality** David B. Perrin, 2007-08-07 This book provides a new introduction to the study of Christian spirituality exploring it through the human sciences and ranging from philosophy and hermeneutics to psychology history sociology and anthropology Systematic and progressive it introduces the key approaches and shows how they relate to the understanding study and practice of spirituality Covering a vast amount of ground from traditional themes such as images of God spiritual direction and pilgrimage to more contemporary issues such as place and space cyberspace and postcolonialism the author takes an ecumenical inclusive stance allowing the book to be used in a wide variety of courses and across denominations The Puritan Imagination Todd D. Baucum, 2022-07-29 This book seeks to add a needed introduction to a way of meditation used among early modern English Protestants influenced by Bishop Joseph Hall Furthermore the major role that Hall had in his *Arte of Divine Mediation* on late seventeenth century Protestant spirituality went beyond the practice of meditation and established a positive claim on the role of the imagination in shaping souls well into the modern period Within this context

the questions related to ancient understandings of faith and the interrelationship of divine revelation are discussed with fresh insights for our own times If a revival of interest emerges again in Hall s work it would be a compelling and fresh impetus to reclaim the broken imagination evident in many parts of the Western Church

Ways of Meeting and the Theology of Religions David Cheetham,2016-02-24 Exploring the different points of view and tones of voice adopted in theology for the meeting of religions this book presents a contemporary philosophical and theological engagement with key issues of how different faiths might meet of comparative philosophy of religion of the use of aesthetics of inter religious ethics and issues relating to the self Providing a critical evaluation of contemporary liberal post liberal and conservative voices and an engagement with movements such as Radical Orthodoxy and Scriptural Reasoning to mention a few this book highlights the use of the creative imagination and explores new ideas for the meeting of religions

Explorations in Spirituality Philip Sheldrake,2010 A distinctive exposition of the main elements of the study of Christian spirituality that also underlines the essentially socially transformative nature of the Christian spiritual tradition

Wesleyan Eucharistic Spirituality Lorna Lock-Nah Khoo,2005 The central thesis of the book is that there is a distinctive Wesleyan eucharistic spirituality Looking at Wesley s eucharistic practices theology and sources the writer identifies a spirituality that has a number of key themes These revolve around the dynamic encounter with a personal Christ the grace filled life the therapeutic growth towards holiness and wholenes They provide a way of looking at life and the formation of characters which may conform to the image of the Christ While there were several reasons for the decline of Wesleyan eucharistic spirituality after the death of the Wesley s the writer maintains that this spirituality can be rediscovered revived and communicated in new forms so as to impact Methodists around the world who are facing the challenges of the 21st century The author is a pastor in a Methodist Church in Singapore

Understanding Christian Spirituality Michael Downey,1997 A readable overview of the contemporary spiritual scene that defines outlines and advocates several models or methods for studying Christian spirituality Aimed at college undergraduates and useful for those in spiritual counseling and direction

The Evangelicals Robert Krapohl,Charles H. Lippy,1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular Greenwood Denominations in America series analyzes the people institutions and the religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further

research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing
