Eric R. Crouse

Modern Israel:

Ancient and Modern Israel Ira Sharkansky, 2012-02-01 This book identifies and examines those parallels between ancient and modern Israel that help to clarify the conflicts apparent in modern Israel. It discusses such contemporary issues as the Arab uprising and the Israeli government's ambivalence in dealing with it, the government's inability to come to a permanent solution concerning the territories occupied in 1967 and the lack of a clear cut consensus in the 1988 elections. By comparing these and other modern issues to those of ancient Israel, Sharkansky shows that Israel's deeply rooted problems as a nation are likely to continue, occasionally punctuated by violent outbursts. **A History of Modern Israel** Colin

Shindler, 2013-03-25 Colin Shindler's remarkable history begins in 1948 as waves of immigrants arrived in Israel from war-torn Europe to establish new cities, new institutions and a new culture founded on the Hebrew language. Optimistic beginnings were soon replaced with the sobering reality of wars with Arab neighbours, internal ideological differences and ongoing confrontation with the Palestinians. In this updated edition, Shindler covers the significant developments of the last decade, including the rise of the Israeli far right, Hamas's takeover and the political rivalry between Gaza and the West Bank. Israel's uneasy dealings with the new administration in the United States, political Islam and the potential impact of the Arab Spring on the region as a whole. This sympathetic yet candid portrayal asks how a nation that emerged out of the ashes of the Holocaust and was the admiration of the world is now perceived by many Western governments in a less than benevolent light. **The Economy of Modern Israel** Assaf Razin, Efraim Sadka, 1993-11-15 In this up-to-date study of the Israeli

economy, Assaf Razin and Efraim Sadka cover the entire economic history of the state, focusing on links between Israel's economic growth, its integration into world markets, its tax and welfare systems and the political conflicts in the Middle East. The authors present the first detailed economic analysis of the Palestinian uprising, showing how the unrest has led to a fall in Arab employment in Israel and serious economic loss to the occupied territories, with some loss to Israel. They also examine how the uprising has affected Israel's financial standing internationally and the inflow of foreign aid. Razin and Sadka see promise for Israel's economy in the waves of immigration from the former Soviet Union despite the current difficulties in absorbing the immigrants in the coexistence of a flourishing and highly competitive private sector with a relatively large public sector which is undergoing privatization and in a tax structure that encourages long-term saving and business growth. By examining the interplay between the exchange rate, interest rates and monetary and anti-inflation policies, the authors investigate the possibilities for renewed growth and conclude that the future of Israel's economy crucially depends on serious efforts to secure peace in the Middle East. **What is Modern Israel?** Yakov M. Rabkin, 2016-05-20 Few countries provoke

as much passion and controversy as Israel. What is Modern Israel convincingly demonstrates that its founding ideology, Zionism, is anything but a simple reaction to antisemitism. Dispelling the notion that every Jew is a Zionist and therefore a natural advocate for the state of Israel, Yakov Rabkin points to the Protestant roots of Zionism in order to explain the

particular support Israel musters in the United States Drawing on many overlooked pages of history including English French Hebrew Yiddish and Russian sources Yakov Rabkin shows that Zionism was conceived as a sharp break with Judaism and Jewish continuity Israel s past and present must be seen in the context of European ethnic nationalism colonial expansion and geopolitical interests rather than as an incarnation of Biblical prophecies or a culmination of Jewish history **Drama and Ideology in Modern Israel** Glenda Abramson,1998-09-10 A large number of political plays have been written in Israel over the past fifty years and they are perceived by audiences and critics alike as major interventions in the country s ongoing political debates the result is that Israeli drama is at the centre of many public controversies In this first full length study of Israeli political drama Glenda Abramson shows that during the early years of the State of Israel most of its intellectuals were identified with the official state interpretation of Zionism After the Six Day War in 1967 an influential group of playwrights concerned with the evolution of Zionist ideology in the modern nation state began to question the ethical basis of Zionism Hanokh Levin Yehoshua Sobol Yosef Mundi Miriam Kainy Amos Kenan and others have gone on to examine Zionism as it affects contemporary Israeli society *Politics and Society in Modern Israel* Adam Garfinkle,2015-03-04 With full coverage of recent dramatic events in Israeli politics from the Rabin assassination through the May 1996 elections this work provides an up to date introduction to Israeli politics and society It seeks to convey a strong sense of everyday life in Israel the nuances and contradictions of Israeli identity the ethnic composition and institutional structure of Israeli society as well as Israeli political culture and the issues that dominate the country s domestic and foreign policy *Krav Maga and the Making of Modern Israel* Andrea Molle,2022-03-04 This book examines the profound interplay of martial arts combative and self defense disciplines with nationalism and ethno religious politics through the analysis of Zionism the birth of the State of Israel antisemitism and the life of the contemporary Jewish Diaspora in the United States It connects martial arts studies and political science spearheading the new field of political hoplology Focusing on the complex formative process of national communities their growth resilience and consequences for the individuals *Krav Maga and the Making of Modern Israel* presents the unique case of Krav Maga literally hand to hand combat a self defense system developed between the late nineteenth and early twentieth centuries which is now considered a staple of Israeli culture and a prime self defense practice Through its chapters the book provides strong evidence supporting the idea that physical violence is indeed needed as a unifying experience to allow national communities to emerge and thrive Furthermore it examines the growing importance of violence for modern democratic societies and suggests the existence of a gladiatorial effect or the need for a certain level of violence to exist to maintain a harmonious stable and cooperative society *Contemporary Israel* Frederick E. Greenspahn,2016-08-09 7 Jewish Ideological Killers Religious Fundamentalism or Ethnic Marginality 8 Israeli Fiction National Identity and Private Lives 9 Israeli Hebrew National Identity and Language 10 The Politics of Israel Relations with the American Jewish Community Conclusion Imagination and Reality in Scenarios of Israel s Future **Israel, Jordan, and**

Palestine Asher Susser, 2012 An astute assessment of the relationship between Israel Jordan and the Palestinians with scenarios for the future of Palestinian statehood **American Christian Support for Israel** Eric R. Crouse, 2014-10-28
The dominant political theme of the State of Israel is the perpetual quest for security In its first 25 years Israel experienced five wars with Arab states declaring their goal to destroy Israel In American Christian Support for Israel Standing with the Chosen People 1948 1975 Eric R Crouse examines how American Christians responded to Israel s wars and the persistent threats to its security While some were quick to condemn Israel as it made difficult and unpopular decisions in its fight for survival in a hostile region conservative Christians were trustworthy supporters routinely voicing uplifting reports Crouse argues that Israel s embodiment of western ideals and its remarkable economic development gave conservative Christians good reasons to favor Israel in a troubled Middle East but the main reason for their unconditional support was the key biblical text of Christian Zionism I will bless those who bless you Abraham and his descendants and I will curse him who curses you Genesis 12 3

Modern Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modern Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern Israel has opened up a world of possibilities. Downloading Modern Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern Israel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modern Israel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.
