T&T Clark Handbook of Food in the Hebrew Bible and Ancient Israel Janling Fu, Cynthia Shafer-Elliott, Carol Meyers, 2021-11-04 Food and feasting are key themes in the Hebrew Bible and the culture it represents The contributors to this handbook draw on a multitude of disciplines to offer an overview of food in the Hebrew Bible and ancient Israel Archaeological materials from biblical lands along with the recent interest in ethnographic data a new focus in anthropology and emerging technologies provide valuable information about ancient foodways The contributors examine not only the textual materials of the Hebrew Bible and related epigraphic works but also engage in a wider archaeological environmental and historical understanding of ancient Israel as it pertains to food Divided into five parts this handbook examines and considers environmental and socio economic issues such as climate and trade the production of raw materials and the technology of harvesting and food processing The cultural role of food and meals in festivals holidays and biblical regulations is also discussed as is the way food and drink are treated in biblical texts in related epigraphic materials and in iconography

Animals and Modern Cultures Adrian Franklin, 1999-03-30 The dramatic transformation of relationships between humans and animals in the 20th century are investigated in this fascinating and accessible book At the beginning of

this century these relationships were dominated by human needs and interests modernization was a project which was attached to the goal of progress and animals were merely resources to be used on the path towards human fulfilment These relationships are increasingly being subjected to criticism and a new field of interest in human animal relationships has opened up We are now urged to be more sensitive and compassionate to animal needs and interests to understand their mindedness and how their lives and ours are entangled This book focuses on social change and animals it is concerned with how humans relate to animals and how this has changed and why Moreover it highlights through chapters on companion animals hunting and fishing animal leisures such as birdwatching and wildlife parks and the meat and livestock industries how attitudes and practices towards animals vary widely according to social class ethnicity gender region and nation **The Story Behind the Dish** Mark McWilliams,2012-04-06 Profiling 48 classic American foods ranging from junk and fast food to main dishes to desserts this book reveals what made these dishes iconic in American pop culture Americans have increasingly embraced food culture a fact proven by the rising popularity of celebrity chefs and the prominence of television shows celebrating food themes This fascinating overview reveals the surprising story behind the foods America loves **The Story Behind the Dish** Classic American Foods is an engaging pop culture resource which helps tell the story of American food Each chapter is devoted to one of 48 distinctive American dishes and features the story of where the food developed what inspired its creation and how it has evolved The book not only covers each food as a single entry but also analyzes the themes and events that connect them making the text useful as both a reference and a narrative on the history of food

Performing Animals Karen Raber,Monica Mattfeld,2017-09-07 From bears on the Renaissance stage to the equine pageantry of the nineteenth century hunt animals have been used in human orchestrated entertainments throughout history The essays in this volume present an array of case studies that inspire new ways of interpreting animal performance and the role of animal agency in the performing relationship In exploring the human animal relationship from the early modern period to the nineteenth century *Performing Animals* questions what it means for an animal to perform examines how conceptions of this relationship have evolved over time and explores whether and how human understanding of performance is changed by an animal s presence The contributors discuss the role of animals in venues as varied as medieval plays natural histories dissections and banquets and they raise provocative questions about animals agency In so doing they demonstrate the innovative potential of thinking beyond the boundaries of the present in order to dismantle the barriers that have traditionally divided human from animal From fleas to warhorses to animals that perform even after death this delightfully varied volume brings together examples of animals made to act in ways that challenge obvious notions of performance The result is an eye opening exploration of human animal relationships and identity that will appeal greatly to scholars and students of animal studies performance studies and posthuman studies In addition to the editors the contributors are Todd Andrew Borlik Pia F Cuneo Kim Marra Richard Nash Sarah E Parker Rob Wakeman Kari Weil and Jessica Wolfe
