decided to make both himself and his country legendary When the reign of Louis XIV began his nation had no particular association with elegance yet by its end the French had become accepted all over the world as the arbiters in matters of taste and style and had established a dominance in the luxury trade that continues to this day DeJean takes us back to the birth of haute cuisine the first appearance of celebrity hairdressers chic cafes nightlife and fashion in elegant dress that extended well beyond the limited confines of court circles And Paris was the magical center the destination of travelers all across Europe As the author observes without the Sun King s program for redefining France as the land of luxury and glamour there might never have been a Stork Club a Bergdorf Goodman a Chez Panisse or a Cristophe of Beverly Hills and President Clinton would never have dreamed of holding Air Force One on the tarmac of LAX for an hour while Cristophe worked his styling genius on the president s hair Written with wit dash and lan by an author who knows this astonishing true story better than virtually anyone The Essence of Style will delight fans of history and everybody who wonders about the elusive definition of good taste
