

Modern Politics

M Lipman

Modern Politics:

Merleau-Ponty and Modern Politics After Anti-Humanism Diana Coole, 2007-08-28 In this important new book Diana Coole shows how existential phenomenology illuminates and enlivens our understanding of politics Merleau PontyOs focus on embodied experience allows us to approach political life in a manner that is both critical and engaged With breadth of vision and penetrating insight Coole demonstrates that political questions were always central to Merleau PontyOs philosophical project Her examination of his complete body of work presents us with a rigorous philosophy that maintains our capacities for agency despite moving beyond a philosophy of the subject Merleau Ponty and Modern Politics after Anti humanism is the first major work on Merleau PontyOs political philosophy in over two decades Coole presents his later philosophy of flesh as the outline for a new understanding of the political which forms the basis for reconsidering humanism after but also through anti humanism She also shows how Merleau PontyOs concern with contingency anticipated arguments by thinkers such as Derrida Foucault and Deleuze while sustaining a robust sense of politics as the domain of collective life The result is a philosophical analysis that speaks to our contemporary concerns in which we seek a coherent account of our actions our environment and ourselves such that we might become exemplary political actors within a complex and uncertain world

The Pragmatics of Early Modern Politics: Power and Kingship in Shakespeare's History Plays Urszula Kizelbach, 2014-10-10 Early modern kings adopted a new style of government Realpolitik as spelled out in Machiavelli s writings Tudor monarchs well aware of their questionable right to the throne posed as great dissimulators similarly to the modern prince who must learn from the fox and the lion This book paints a portrait of a successful politician according to early modern standards Kingship is no longer understood as a divinely ordained institution but is defined as goal oriented policy making relying on conscious acting and the theatrical display of power The volume offers an intriguing discussion on kingship in pragmatic terms as the strategic face saving behaviour of Shakespeare s kings It also demonstrates how an efficient or inefficient management of the king s political face could decide his success or failure as a monarch and how the Renaissance world of Shakespeare s history plays is combined with modern theories of communication politeness and face Many studies in historical pragmatics or historical stylistics purport to expose language use in social context but they fall short when measured against this study The author approaches Shakespeare with concepts from literary studies and linguistic pragmatics and weaves them together seamlessly with social history The result is a treasure trove of insights Jonathan Culpeper Lancaster University Exploring Machiavellian politics from the perspective of linguistic pragmatics and sociological role theory Urszula Kizelbach s study sheds interesting new light on Shakespeare s stage kings Her discussion of the strategic uses of polite speech is a particularly welcome addition to our thinking about Shakespeare s English history plays A promising new voice in European Shakespeare studies Andreas H fele Munich University

Competition
, 2009-01-01 The Super Bowl Democrats vs Republicans Ford vs Chevy Bloods vs Crips Public vs private schools Sibling

rivalries Competition permeates every aspect of our society and we place great confidence in its ability to allocate resources efficiently spur innovation and build personal character As others have argued competition is now a paradigm a conceptual framework that is often taken for granted but rarely challenged In this book experts examine competition from their own disciplinary perspectives From economics to philosophy biology to education and psychology to politics the origins and applications of this paradigm are placed in historical context its mechanics are analyzed and its costs and benefits are assessed The questions addressed in this book are important and varied What is the historical genesis of the competition paradigm How is competition manifest in our culture in religion politics economics sports business and education and are its effects always beneficial What can we learn about the mechanics of competition from studying nature Are humans naturally competitive or is it a learned behavior How does competition affect our mental and physical well being Is competition the best strategy for allocating finite planetary resources to an expanding human population The book also engages a cooperative alternative and asks Is there an ethical tension between competition and cooperation Why have cooperative models been undervalued and marginalized Can cooperation increase innovation and efficiency This collection provides a broad insightful and productive examination of one of the dominant concepts of our time **Apocalyptic Movements in Contemporary Politics**

C. Aldrovandi, 2014-05-27 This book explores Israeli Religious Zionism and US Christian Zionism by focusing on the Messianic and Millenarian drives at the basis of their political mobilization towards a Jewish colonization of the occupied territories **Statutes and Ordinances of the University of Cambridge 2008**

University of Cambridge, 2008-09-25 This is the latest updated edition of the University of Cambridge's official statutes and Ordinances

The Challenge of Politics Douglas W. Simon, Joseph Romance, 2022-01-07 This is a textbook that offers students a good introduction to the science of politics while emphasizing the moral empirical and prudential dimensions of politics Prosper Bernard Jr College of Staten Island The Seventh Edition of The Challenge of Politics by Douglas W Simon and Joseph Romance balances classic political theory with contemporary politics to help students understand the fundamental questions of political science The authors relate insights of classic political thinkers both to their modern counterparts and to the political dynamics of American comparative and international affairs With its theme of politics as a scientific study this book allows students to explore the impact of philosophy and ideology to recognize major forms of government to evaluate empirical findings and to understand how policy issues directly affect people's lives **Conference Proceedings**

Dr Sheetal Sharma & Dr Shruti Singh, The International Conference on Emerging Socio cultural and Political Issues India and Europe is organised by Amity Institute of Social Sciences Amity University Noida Uttar Pradesh in collaboration with Jean Monnet Module and Centre for European Studies Jawaharlal Nehru University on May 24 25 2021 The aim of the conference is to develop an understanding of the dynamics of social change and Development taking place in European and Indian society Both India and Europe are taking firm strides towards cooperation and development specially in the post pandemic era In

this context the conference aims in developing on working new path for structuring and building new vision and ideas for strong partnership between the two The main objective of the Conference is to deliver new understanding of various issues ranging from society culture politics and environment It shall look into these issues from a different prism in the post pandemic era

Politics of the Modern Arab World Laleh Khalili, 2009 This four volume collection of cutting edge and canonical scholarship counters the oft cited opinion that studies of Middle Eastern politics are devoid of social scientific theory and method by providing an overview of the state of the scholarship in the field innovations therein and the debates that have advanced knowledge in the field The collection covers the Arab world from Morocco to the borders of Iran with the focus primarily on the twentieth century and especially the post Second World War era By choosing a wide array of authors many of whom are from the region or from the non Anglophone world the full breadth of worldwide scholarship on the modern Arab world is on display The collection defines politics broadly in line with the most innovative current works in the field of political studies to include not only politics at the state level but also the public social and popular domains that define and shape and are in turn defined and shaped by politics

Dalit Politics in Contemporary India Sambaiah Gundimeda, 2015-10-14 This book is a ground breaking intervention on Dalit politics in India Challenging received ideas it uses a comparative framework to understand Dalit mobilisations for political power social equality and justice The monograph traces the emergence of Dalit consciousness and its different strands in north and south India from colonial to contemporary times and interrogates key notions and events These include the debate regarding core themes such as the Hindu Muslim cleavage in the north and caste in the south the extent to which Dalits and other backward castes OBC base their anti Brahminism on similar ideologies and why Dalits in Uttar Pradesh north India succeeded in gaining power while they did not do so in the region of erstwhile Andhra Pradesh south India where Dalit consciousness is more evolved Drawing on archival material fieldwork and case studies this volume puts forward an insightful and incisive analysis It will be of great interest to researchers and scholars of Dalit studies and social exclusion Indian politics and sociology

The Routledge International Handbook on Max Weber Alan Sica, 2022-09-20 This book explores the latest thinking about Max Weber and his continuing influence on theoretical and empirical interests today Bringing together the work of leading scholars from a variety of disciplines it illuminates Weber's thought in a number of key areas including the methodology and philosophy of social science comparative religion the rationalization process political sociology the sociology of law and the Protestant ethic and the development of capitalism An international collection that demonstrates the enduring importance of Weber's thought to contemporary sociology and the discipline's major concerns The Routledge International Handbook on Max Weber will appeal to scholars in a range of disciplines including sociology social theory politics philosophy law and international relations
