[What Happened to My American Dream?](#) Stefan Adam, 2007-04 For millions of people seeking better lives, the ideal we call The American Dream continues to be the ultimate goal. At an early age, author Stefan Adam longed for freedom in America, far away from the crushing rule of communism in his native Romania. After years of struggle and sacrifice, Stefan realized his dream of coming to America and building that dream. This true story unfolds through good times and bad, with insightful observation of American society and a never-ending desire to understand what makes it great: its people, culture, and politics. The story begins on the shores of Romania's Black Sea, where 12-year-old Stefan first dreams of finding freedom and a better life in America, far away from the dark clutches of communism. Years later, that dream blossoms along with Stefan's love for his high school sweetheart and future wife, Michaela. Together, they embark on a journey to make their American Dream come true, and after years of hard work, that dream comes into a full blossom. Readers who come along for the ride will experience the wonder and awe of discovering America through their eyes. But as time goes by, the promise of that dream begins to fade. Could it be that corporate greed and political arrogance were eroding the foundation on which this

great nation was built Is this another Roman Empire a great civilization doomed to fall under the weight of its own power greed and corruption Their struggles exemplify what it means to fight for freedoms that are so often taken for granted and never to give up hope because in the end it is not just the story of Stefan and Michaela's American Dream It's everyone's American Dream to nurture and protect What Happened To My American Dream is a very personal story of hopes and dreams and what happens when those dreams are threatened Told in a straightforward conversational style is a touching tale that anyone who has ever longed for a better life will easily relate to It is written by an ordinary citizen who came to this country under extraordinary circumstances What Happened To My American Dream serves as a reminder that safeguarding the American Dream is the responsibility of everyone who has the privilege of calling this great country home *My American Dreams* terry ireland,2016-11-15 Poems about a lifelong fascination with America from youth to old age and the changing attitudes that come with advancing age Whimsical frank critical but always affectionate **My American Dream** Lidia Matticchio Bastianich,2018-04-03 For decades beloved chef Lidia Bastianich has introduced Americans to Italian food through her cookbooks TV shows and restaurants Now she tells her own story for the first time in this memoir as rich and complex as her mushroom rag O the Oprah Magazine Born in Pula on the Istrian peninsula Lidia grew up surrounded by love and security learning the art of Italian cooking from her beloved grandmother But when Istria was annexed by a communist regime Lidia's family fled to Trieste where they spent two years in a refugee camp waiting for visas to enter the United States When she finally arrived in New York Lidia soon began working in restaurants the first step on a path that led to her becoming one of the most revered chefs and businesswomen in the country Heartwarming deeply personal and powerfully inspiring *My American Dream* is the story of Lidia's close knit family and her dedication and endless passion for food **My American Dream** Omar Raihanoune,2020-08-26 In Morocco we had a decent life as a couple but as soon as we had our first child we realized that we needed something more to support our family's needs After talking to my cousins and my brother who were living in the US the American dream seemed to be the solution to our financial distress Our journey in the US was never easy there were many life changing events And although each one left a deep scar in the end we were better for it Each one of those challenges thickened our skin and made us less vulnerable to face the next one With each and every milestone and graduation of our kids we confirmed that immigrating to the US was never a mistake After twenty years of thinking we were chasing the American dream we found out that we just had to look deep inside of each one of us to bring it to life The American dream does not define who we are we define ourselves by setting up what kind of dream we choose and we start a journey chasing it **My American Dream** Jesus Meza,2005-10 When friendships have no boundaries anything can happen Mario and Robert boyhood friends from the barrio find themselves in a whirlwind frenzy in their journey to becoming men Mario is a Mexican American ex con just getting out of prison trying to find his place in the world His parents are a humble people who came to this country to survive the third world conditions of their native Mexico Both have
