Nonviolence and Community Douglas Van Steere, Margery Post Abbott, Newton Garver, Robert Cushman Murphy, Eric Reitan, 1995 **This We Can Do** Sally Herzfeld, 2015-01-19 Quakers have had a big influence on the Alternatives to Violence Project AVP from its beginning in 1975 This is consistent with their emphasis on seeking that of God in everyone and their commitment to finding nonviolent ways to respond to conflict In this lecture drawing on long experience Sally Herzfeld outlines the remarkable development of AVP within prisons schools and social groups and its spread to 60 countries The philosophy and processes used in AVP workshops are explained in a way that makes it clear why this approach has changed many lives and helped build more peaceful communities Security Challenges and Management in Modern Nigeria Abimbola Adesoji, Ayodeji Olukoj, Oluyato Adesina, 2019-01-15 This collection of essays explores the critical and fluid nature of security challenges that have plagued Nigeria since colonial times Insecurity in diverse forms remains the bane of growth and progressive development in the country and has the capability to derail a society no matter how sophisticated What has generated insecurity at the macro and micro levels How has insecurity been tackled Why have security challenges escalated particularly in the post independence period What lessons could be learnt from the way security matters have been mis handled in the past This volume presents chapters on the historical roots and antecedents of security challenges and considers the nexus between the economy political leadership and development and its impacts on security in modern Nigeria It also explores the effectiveness of the strategies employed to address security challenges and discusses why some security challenges have lingered **Historical Dictionary of the Friends (Quakers)** Margery Post Abbott, 2011-12 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful

Hemenway,2010-07-09 To witness effectively and powerfully to Christian testimonies of care and compassion of justice and mercy of healing and wholeness it is necessary to foster awareness of the realities of the present system of retributive justice if there is to be any hope of transformation to a system of justice which is restorative *Forget Them Not* provides a history of the prison system as a means of punishment contrasting it with the relatively recent but growing practice of restorative justice Joanne Hemenway explores the concept of disconnection as radical evil as a separation from God who is the source of our being and shows how our present approach to punishment fosters this evil The present system with its motif of retributive justice generates shame rejection and loneliness which stokes the fires of anger and rage This breeds deep disconnection which only serves to fuel further cycles of violence Hemenway presents three vignettes designed to help explore forgiveness in the context of both retributive and restorative justice To promote healing and connection *Forget Them Not* introduces compassionate witnessing in prison ministry as a way to develop awareness and empowerment
