

Gilbert Bodley (Leslie Phillips), the boss of an exclusive West End firm, has an insatiable appetite for beautiful women.

In order to give his prospective mistress Jane a gift of an expensive mink without upsetting her husband, Gilbert agrees

to sell it to her cheap and pay the majority of the price himself.

However things are never as simple as they seem and what appears at first to be a fairly uncomplicated transaction turns into a hilarious and chaotic turn of events.

Watch on to see the hilarious comic capers from the British Comedy Greats.

May the Farce Be With You Roger Foss, 2012-06-27 It seems a long way from Moliere to Ray Cooney There are immense distances between the worlds of Aristophanes Plautus Georges Feydeau Ben Travers Joe Orton and Basil Fawlty But as one of the oldest genres in the history of the theatre farce bridges the gaps by generating gales of helpless belly laughter across the generations Inspired by John Mortimer's observation that farce is tragedy played at a thousand revolutions a minute theatre critic Roger Foss embarks on a lightning tour of the rib tickling world of confused characters absurd situations ruined reputations sexual innuendo and bravura comic acting and finds out if farce really is a force to be reckoned with in the 21st century The latest addition to the Oberon Masters series *May The Farce Be With You* celebrates the great creators and performers of farce notably master farceur Ray Cooney who celebrates his 80th birthday in 2012 in essays that will inform and entertain both the aficionado and anyone with a sense of humour

Masterpieces Sarah Daniels, 2016-01-28 You are not at liberty to avenge the pornography industry in this country We have the censorship laws for that *Masterpieces* opens on three couples having dinner in a restaurant exchanging sexist jokes The response is varied some of them laugh uproariously some of them uncomfortably and one is deeply unhappy Their domestic discussion about the morality of pornography is suddenly amplified a thousand fold in the next scene in which Rowena is on trial for murder She had just been to see a snuff film in which a porn actress is actually mutilated and killed on screen and on her way home is approached threateningly by a man who she ends up pushing under a train because he was harassing her The play is the story of Rowena's journey through seeing a porn magazine for the first time to a thwarted attempt to help an unhappy prostitute from uncomfortable laughter to radical and disgusted protest at female subjugation *Masterpieces* is an angry and defiant play first staged in 1983 at the Royal Exchange Theatre Manchester before transferring to the Royal Court Theatre London It earned Daniels a London Theatre Critics Award for Most Promising Playwright This edition introduces Sarah Daniels into the Modern Classics series and features an introduction by Elaine Aston Professor of Contemporary Performance at Lancaster University

Never Marry a Politician Sarah Wights, 2016-03-07 In politics there are rules to being a good and proper wife But what if a wife wants to be a woman and what if that woman wants to be loved On the surface Emily Pemilly appears to be a perfect politician's wife and a model mother But few know the price she has paid giving up a promising journalism career and her once dear principles to stand by an ambitious husband who is now on the verge of becoming Britain's next prime minister Cynical reporter Matt Morley knows that politics is all about appearances But he never expected to find the fiery outspoken girl he once loved pinned to the arm of a PM candidate like a lobotomized mannequin When Matt uncovers a

sordid secret about Emily's hubby he knows it could crush the man's campaign as well as Emily's carefully crafted world. But maybe that's not such a bad thing. My Recitations Cora Urquhart Potter, 1906 A Mind of Winter Shira Nayman, 2012-05-01 Three people whose lives intersect during World War II take turns narrating and coming to terms with their pasts and a hidden truth that unites them. The Torch Singer, Book Two: An Almost Perfect Ending Robert Westbrook, 2014-09-14 Book Two in Robert Westbrook's epic Hollywood Noir Torch Singer Thriller series. An Almost Perfect Ending ranks alongside the best Hollywood noir. It takes the reader on a journey which leads relentlessly towards a final fatal conclusion. Daily Mail Book Two: An Almost Perfect Ending opens with sultry heroine Sonya Saint Amant at the height of her career: a glittering triumphant appearance at Ciro's, the clubhouse for the stars in 1950s Hollywood where everyone wants to claim her as their friend. But in 1954 popular music is undergoing a revolution in which all but the biggest stars will be cast aside. With her looks and popularity fading, Sonya believes she has come up with the perfect plan to save her career: if only she can maneuver a tricky path through the many dangers that beset her: a vortex of politics, sex, blackmail, and murder. Pacy and unstoppable, the second book in the The Torch Singer series takes over where the first left off, grabbing your wrist, tugging you along, refusing to let go. Evening Standard: The Torch Singer exposes the fragility of fame. The higher the edifice, the greater the risk that some element of deep-set animal emotion or human baseness will bring everything crashing down, and watching it happen is not just compulsive, it's addictive and unmissable. Event Magazine: Robert Westbrook is a born storyteller and a bit of a magician. Ally Sheedy: Ambition, blackmail, murder. THE TORCH SINGER is an unforgettable journey through the shadowlands of fame. **Venus in India** Charles Devereaux, 2020-12-08 In Venus in India, Charles Devereaux masterfully intertwines themes of colonialism, eroticism, and philosophy within a richly textured narrative. Set against the vibrant backdrop of 19th-century India, the novel explores the intersections of desire and cultural clash, presenting a provocative portrayal of Western perceptions of the East. Devereaux's literary style is characterized by lush, evocative imagery and a flowing prose that invites readers to immerse themselves in both the sensuality and the moral complexities of the characters' interactions. The book represents a unique amalgamation of travel literature and fiction, further illuminating the contradictions of an era where exploration fueled both curiosity and exploitation. Charles Devereaux, an author deeply influenced by his own experiences in colonial India, brings a keen insight into the societal dynamics at play during this turbulent period. His academic background in history and cultural studies informs his nuanced approach to character development, enabling him to present intricate psychological portraits of his protagonists. Devereaux's engaging narrative not only reflects his knowledge of the historical context but also expresses a yearning to challenge the stereotypes of identity and exoticism that pervaded Western literature. I wholeheartedly recommend Venus in India to readers seeking a thought-provoking exploration of love and identity against the backdrop of colonial encounters. This novel transcends mere romance, inviting reflection on deeper themes of power, belonging, and the human experience. A captivating read, it promises to resonate
