Miracles is a direct communication from God through Jesus Christ explaining that the apparent split between God and man is repaired now Its sole purpose is to bring enlightenment through the transformation of our minds to see what already available is here and now It IS the answer we were looking for if let it be what it says it is It is the foundation of a new way of thinking which leads us into a life of peace love and freedom INTRODUCTION This is a course in miracles It is a required course Only the time you take it is voluntary Free will does not mean that you can establish the curriculum It means only that you can elect what you want to take at a given time The course does not aim at teaching the meaning of love for that is beyond what can be taught It does aim however at removing the blocks to the awareness of love s presence which is your natural inheritance The opposite of love is fear but what is all encompassing can have no opposite This course can therefore be summed up very simply in this way Nothing real can be threatened Nothing unreal exists Herein lies the peace of God
