Journalism History Melita M. Garza,Michael Fuhlhage,Tracy Lucht,2023-09-20 The Routledge Companion to American Journalism History revisits media history across forms formats and multiple fault lines including gender ethnicity race and citizenship status Original contributions highlight areas of journalism history in desperate need of further treatment with a special focus on diversity equity and accountability Sections cover the early origins and development of journalism in the United States pivotal moments and personalities in various strands of journalism underrepresented groups and formats in journalism history and key issues in doing journalism history Authors aim to fill in the gaps left by traditional historical narratives by examining overlooked subjects such as labor reporting and overdue theoretical perspectives such as intersectionality Collectively the voices in this book offer a more inclusive paradigm for the field Written by a range of recognized journalism scholars both well established and emerging this collection offers a thought provoking starting point for researchers and advanced students seeking a critical understanding of American journalism history as conceived in the current era Convergent Journalism: An Introduction Vincent F. Filak,2024-03-04

Bringing together industry experts from across platforms and journalism specialisms Convergent Journalism An Introduction is the pioneering textbook on practicing journalism in today's multimedia landscape Convergent Journalism combines practical skills with a solid ethical framework Each chapter is written by an expert in the field and features lively examples exercises and breakout boxes to aid learning and retention Written from the perspective of a responsible and audience centric form of journalism and demonstrating ways journalists can use new media tools as both senders and receivers this fourth edition features Completely revised chapters on social media digital journalism and law Additional discussion questions and exercises in every chapter Updated examples throughout This book is an invaluable resource for students enrolled in courses such as Convergent Journalism Digital Media Online Journalism and Multimedia Journalism **The New York Times Book Review** ,1991-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback The Hybrid Media System Andrew Chadwick,2017 New

communication technologies have reshaped media and politics But who are the new power players The Hybrid Media System shows how the interactions among older and newer media technologies genres norms behaviors and organizational forms now shape power relations among political actors media and publics *Mightier than the Sword* Rodger Streitmatter,2018-04-17 In this engaging examination of the media's influence on US history and politics Rodger Streitmatter visits sixteen landmark episodes from the American Revolution to the present day fight for gay and lesbian marriage equality

In each of these cases Streitmatter succinctly illustrates the enormous role that journalism has played in not merely recording this nation's history but also in actively shaping it. Mightier than the Sword offers students and professors a highly readable and accessible alternative to journalism history textbooks. Instead of trying to document every detail in the development of US media through dry dull lists of names dates and headlines this book focuses on sixteen discrete episodes that illustrate a point that is much larger than the sum of their parts: media have played and continue to play an enormous role in shaping this nation. The fourth edition features an entirely new chapter on the way US media have championed various gay and lesbian rights initiatives from the 2003 Lawrence vs Texas sodomy case through the June 2013 Supreme Court decision striking down DOMA the Defense of Marriage Act. Balancing criticism and celebration of news media and exploring both print and electronic platforms, Mightier than the Sword provides students with a sense of the power and responsibility inherent in the institution of journalism.

Government Politics in Australia Alan Fenna, Jane Robbins, John Summers, 2013-09-05. Government and Politics in Australia 10e is the comprehensive and scholarly political science text that provides thorough and accessible content written by authorities in the field. Now in its 10th edition, Government and Politics in Australia continues to provide students with a research-based in-depth contemporary introduction to the Australian political system. A strengthened focus on government and politics ensures that this classic text remains the most comprehensive and authoritative guide to the structure and institutions of Australian government as well as political parties, representation, interest groups and the role of the media in Australian politics. The 10th edition has been thoroughly revised and updated by experts in the field, led by a new editor team, and includes a completely new chapter on Australia in the world.
