Real Story The Gap Into Conflict:

The Real Story Stephen R. Donaldson, 2009-10-21 Author of The Chronicles Of Thomas Covenant one of the most acclaimed fantasy series of all time master storyteller Stephen R Donaldson returns with this exciting and long awaited new series that takes us into a stunningly imagined future to tell a timeless story of adventure and the implacable conflict of good and evil within each of us Angus Thermopyle was an ore pirate and a murderer even the most disreputable asteroid pilots of Delta Sector stayed locked out of his way Those who didn't ended up in the lockup or dead But when Thermopyle arrived at Mallory's Bar Sleep with a gorgeous woman by his side the regulars had to take notice Her name was Morn Hyland and she had been a police officer until she met up with Thermopyle But one person in Mallory's Bar wasn't intimidated Nick Succorso had his own reputation as a bold pirate and he had a sleek frigate fitted for deep space Everyone knew that Thermopyle and Succorso were on a collision course What nobody expected was how quickly it would be over or how devastating victory would be It was common enough example of rivalry and revenge or so everyone thought The REAL story was something entirely different In The Real Story Stephen R Donaldson takes us to a remarkably detailed world of faster than light travel politics betrayal and a shadowy presence just outside our view to tell the fiercest most profound story he has ever written

The Real Story Stephen Donaldson, 1994 *The Gap Into Conflict* Stephen R. Donaldson, 1990 First in a proposed 5 vol SF adventure series Earth has colonised many worlds and the dominant trading company Com Mine is reaping the profits

The Man Who Tried to Get Away Stephen R. Donaldson, 2005-11-01 Running away from yourself never works You'll always catch up Donaldson at his trademark best fleshes out the characters to the max and it's all wrapped around a well paced cleverly plotted mystery that will leave readers wanting more Charleston Post on The Man Who Killed His Brother Mick Brew Axbrewder was once a great P I That was before he accidentally shot and killed a cop worse a cop who happened to be his own brother Then Mick's partner Ginny Fistoulari blew off her own hand protecting him from a confrontation brought on by his alcoholism Unsurprisingly Mick and Ginny aren't on great terms any more Now a week after an incident in which he was shot barely back on his feet Mick has agreed against his better judgement to join Ginny in providing security at a murder mystery camp where a dozen people stay in an isolated snowbound lodge to play at being detectives Then a real killer starts bumping people off one by one As ever Stephen Donaldson shows why he's regarded as one of America's greatest storytellers with a tale of human pain and human triumph in The Man Who Tried to Get Away At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied [The Man Who Killed His Brother](#) Stephen R. Donaldson, 2003-02-14 A wounded hero must confront his own worst enemy himself Mick Brew Axbrewder was once a great P I That was before he accidentally shot and killed a cop worse a cop who happened to be his own brother Now he only works off and on as muscle for his old partner Ginny Fistoulari It's a living And it provides an occasional opportunity for him to dry out But their latest case demands more than muscle Brew's dead brother's daughter has disappeared His brother's widow

wants him and Ginny to investigate And both of them seem to expect him to sober up Because the darkness they re finding under the surface of Sunbelt city Puerto del Sol goes beyond one missing teenager Axbrewder will need all his talents to confront that darkness Most of all he ll need to confront his own worst enemy himself Years ago bestselling author Stephen R Donaldson published three novels about Mick Axbrewder and Ginny Fistoulari as paperback originals under the pseudonym Reed Stephens Under his own name Donaldson published a new novel in the sequence The Man Who Fought Alone Now for Donaldson s millions of readers worldwide the first of the original books The Man Who Killed His Brother appears under Donaldson s own name in revised and expanded form At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Man Who Risked His Partner Stephen R. Donaldson, 2004-11-25 Stephen R Donaldson is one of America s acclaimed storytellers But in the 1980s he published three novels about private investigators Mick Axbrewder and Ginny Fistoulari as paperback originals under the pseudonym Reed Stephens In 2001 Tor published a fourth novel about these characters The Man Who Fought Alone this time in hardcover under Donaldson s own name Now Donaldson has returned to the first three novels in the sequence rewriting and expanding them The Man Who Killed His Brother was the first and The Man Who Risked His Partner is the second of the three Mick Brew Axbrewder is a P I who s seen better days Deeply into alcoholism some time back he accidentally shot and killed a cop Worse the cop turned out to be his brother Even worse in a case not long after that his partner Ginny Fistoulari blew off her own left hand protecting him and others Now Mick works mostly as hired muscle for Ginny They don t talk much But their latest client s story doesn t add up They re going to have to start working better together And Brew s going to have to face some of his own worst fears At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Leprous Man Kate Simons, 2010 This book explores the extraordinarily violent and abusive nature of Stephen Donaldson s male protagonists Thomas Covenant of The Chronicles is a leper rotten and physically collapsing In Mordant s Need and The Gap series the male characters are moral lepers The Gap offers a Janus faced male lead in the form of two men who are both multiple rapists The male hero in Mordant s Need is outwardly socially acceptable but his alter egos are overly corporeal and sexually obsessed In spite of their unappealing condition all these protagonists yearn to be loved Using the psychoanalytical theories of Julia Kristeva this book identifies reasons for Donaldson s derogatory characterization and provides an insight into why these novels cannot allow their male protagonists to establish viable love relationships This study also explains why maternal characters are jettisoned from the narratives considers the problematic nature of father figures and examines the incipient undertow of psychosis

The Man Who Fought Alone Stephen R. Donaldson, 2001-11-26 In the sprawling new novel The Man Who Fought Alone Stephen R Donaldson tells a tale of a hero s dark night of the soul Mick Axbrewder has enough problems to kill any ten lesser men He s a recovering alcoholic He s also healing painfully and slowly from a gunshot wound that nearly killed him His old partner Ginny seems to want as little to do with him as possible Years ago he and Ginny

worked side by side That was before he accidentally shot and killed a cop While drunk A cop who happened to be his brother Now Axbrewder Brew to his friends is trying to make his way back to self respect It isn't easy It doesn't help that Ginny has moved them to the sprawling heartless Sunbelt city of Carner where he can't get the feel of the streets At least he has work handling security in the booming martial arts industry centered in Carner A world of modern commercial competition and ancient resentments A world with hidden stakes over which someone is evidently willing to kill But Brew's real job isn't the one for which he's been hired His real job is regaining his own self respect At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

The Mammoth Encyclopedia of Science Fiction George Mann, 2012-03-01 This encyclopedia is the most up to date concise clear and affordable guide to all aspects of science fiction from its background to generic themes and devices from authors established and new to films Science fiction has evolved into one of the most popular cutting edge and exciting fiction genres with a proliferation of modern and classic authors themes and ideas movies TV series and awards Arranged in an A Z format and featuring a comprehensive index and cross referencing system The Mammoth Encyclopedia of Science Fiction is also the most accessible and easy to use encyclopedia of its kind currently available

Gothic Science Fiction 1980-2010 Sara Wasson, Emily Alder, 2011-01-01 Gothic fiction's focus on the irrational and supernatural would seem to conflict with science fiction's rational foundations However as this novel collection demonstrates the two categories often intersect in rich and revealing ways Analyzing a range of works including literature film graphic novels and trading card games from the past three decades through the lens of this hybrid genre this volume examines their engagement with the era's dramatic changes in communication technology medical science and personal and global politics
