"Who is a Hindu?" Lekshmana Chandra,2014-09-02 This book enumerates vividly the question Who is a Hindu This question is not properly answered presently Only after reading the Ceylon to Almora lectures of Swami Vivekananda I understood that for centuries Hinduism is based on three concrete faiths I have contemplated and wanted to understand the development of these faiths Therefore I have read many books related to Hinduism Later in my age the books of the Siddhas the ancient learned men of South India gave me some obvious understanding of the subject This understanding gave me some clear ideas regarding the subject Hinduism First it gave me an understanding that Hinduism is not a religion but a philosophy of life Unlike other philosophies of life it is founded on three systematically enumerated faiths the way of life adhering to this philosophy of life is Hinduism It is a process of development of the inner spirit or soul of man So it is called Spiritualism the book reiterates that only those who believe in these three faiths can only be called as a Hindu This book chronologies the three faiths of the Hindu and establishes them with the help of the learned men of this land India This is also done systematically In doing this it systematically discusses various philosophical points related to these faiths This is done intentionally because Hinduism contemplates the internal spiritual world of existence and not the external material world of existence This book enumerates the ultimate spiritual goal the methods leading to it and calls it as Spiritualism Therefore as this Book is a systematic analysis of this Spiritual advancement or Spiritualism it is given another name that is A manifesto of Systematic Spiritualism **God is on the Road** Paul Dixon PhD,2023-09-11 GOD IS ON THE ROAD Would you like to grow in awareness of God s presence in your life Paul Dixon shows how experiences of driving lead to reflections on living alerting us to the inner pilgrimage a journey we are all called to make Whether you are a believer or an unbeliever God is on the highway of life and He wants to journey with you This book s metaphoric use of driving and the road scene will help you to listen and respond to God who is deeply in love with you God is on the Road is written for the general reader It is a Christian spiritual book yet relevant for all seeking love The book functions like a pair of divine driving glasses helping you glimpse God s presence in your life Each chapter is packed with short reflections to be dipped into a little at a time challenging you to reflect on your life your love story with and to God God is on the Road is designed to help the reader to slow down and spend time with God There are many aphorisms that stop the reader in his her tracks This book would make

an excellent addition to the seminarian reading list Its many comparisons would provide some telling anecdotes for Sunday homilists This is an original thoughtful and helpful book Canon David Annear Ret Diocese of Plymouth United Kingdom
