So You Want to Be on Reality TV Randy R. Senna,2013-04-03 What is the Reality of Reality TV What is it like to be selected for TV shows like The Apprentice Hoarders or American Pickers Why

are those people who appear on Reality TV shows almost always sworn to secrecy by the contracts they sign to be on the show not to tell the truth about their experiences appearing on the show Here you will find many important facts about being on a Reality TV show told by someone who actually appeared on Reality TV and was even selected to be on more than one Reality TV show which is very rare The secrets of what to expect in the contract Release Agreement explained here could be life saving for someone thinking about actually going on a Reality TV show learn some of the risks involved with signing this type of Contract Release We have seen many different shows which are classified as Reality TV These type of TV shows seemed to have popped up out of no where as Television programming went from having no Reality TV shows to a point where Reality TV shows have become almost dominant on the TV listings Why Were we no longer satisfied as Television viewers with situation comedies soap operas game shows talk shows or variety shows Did someone just get the idea that you didn't need to pay actors to make a TV show Why spend money on writers or on building sets for the shoot The Television viewers will watch anything just because it is on TV right Well maybe not anything but sometimes it seems that way when we click through the wide selection of channels we have today compared to the 4 or 5 we had as kids Hundreds of channels but there are few things that you might really want to watch What happened With all the new channels came the market for inexpensive programming to fill the broadcasts Reality TV fit the bill Some of the Reality TV shows can be very entertaining but are they really Reality Could most people believe that not everything you see on TV is really happening just the way it is presented to us The intrigue that we are watching real people on these shows keeps us with the illusion that maybe just maybe everything is real Did you ever wonder how people get on Reality TV Or why they would even want to be on Reality TV Most people would like to be on TV it would be quite a thrill But Reality TV might not be a good experience for the person who appears on the show Sometimes things don't go the way those appearing on the show might expect and the way they appear on TV might not be the way they want to be remembered After all there is no script that you can learn in advance and know how it will end before the shoot even begins Still people try out to be on Reality TV shows all the time In very large part very few of all those who would like to be on Reality TV are actually selected This book will give you priceless insight into the process of being on Reality TV It might not be the same for all shows however after reading and understanding the Reality of Reality TV as explained by the author of this book's personal experiences of being selected to be on more than one reality TV show you should be in a much better position to decide if you even want to be on the show at all For the Author this is the Reality of Reality TV
