Pauline Alexander-Travis

Reas Testbuster For The Gre Cat Testbusters:

Research and Education Association's Testbuster for the GRE CAT with CD-ROM for Both Windows & Macintosh, REA's Interactive GRE TESTware Pauline Alexander-Travis, Research and Education Association, 1999-09-01
REA's new Testbuster series teaches the proven strategies and tips of the leading national coaching and review courses that help students bust today's most popular standardized tests. Each book provides the best coaching wisdom and test-taking strategies that have proven to raise test scores. Reviews are specifically tailored to the subject matter covered on the test so no time is wasted studying irrelevant material. Going beyond traditional test preparation books, REA's Testbusters will teach students how to outsmart the test with proven test-taking strategies, pinpoint a test's weaknesses, and explain how to capitalize on these weaknesses, answer questions faster and more easily, assuring the highest score possible. Included in every Testbuster is a diagnostic test and drill questions to reinforce the subject matter. Includes the complete GRE General CAT Testbuster plus CD-ROM with CAT software, computer adaptive test. In a computer adaptive test, the computer automatically adapts the test to the test taker's performance. Questions get harder or easier depending on how the preceding question is answered. Scoring is based on how many of the more difficult questions are answered correctly. REA's CAT software thoroughly prepares students for this computer adaptive test. Also includes REA's Verbal Builder software to build vocabulary and reading skills. The CD-ROM works on Windows and Macintosh computers. Suitable for any PC with 4 MB of RAM minimum. Any Macintosh with a 68020 or higher processor, 4 MB of RAM minimum. System 7.1 or later. Monitor 14" or larger.

Testbuster for the GRE, General Test with Software Pauline Alexander-Travis, 2004. REA has pioneered the development of Test Preps for a great many different tests and subjects. REA's Test Prep titles are widely acclaimed and are among Test Prep bestsellers. Many schools have adopted REA's Test Preps for their AP, college, and graduate school preparation courses. REA's Test Preps are exceptionally comprehensive, far more so than any other test preparation series. They include practice tests followed by detailed explanations to ensure that students understand the subject matter and will be well prepared for their exams. They include extensive reviews of the subject matter covered by the particular test. This allows students to brush up on the subject and to anticipate the type and depth of information they will face on the actual exam. Each REA Test Prep is continually updated and based on the most recent tests in the field. Practice test questions are accurate representations of what students can expect to encounter on the actual exam. Most Test Preps measure 6 1/2 x 10 1/2 inches (16.5 cm x 26.7 cm). *TestBuster for the GRE General Test* Pauline Alexander-Travis, 2010. Are You Ready to Outsmart the GRE? Then You Need REA's GRE General TestBuster. If you're planning to take the GRE General and get into grad school, why not let REA show you how the test works so you can beat the exam and boost your score. Higher GRE scores mean better options. Scoring well on the GRE doesn't just help you get into grad school; it helps move your career forward. So it's worth every minute of your valuable time to be knowledgeable, confident, and prepared to do your best. REA's test prep will get you ready.
