Baker, 1987 A privileged daughter of the proud clan that founded Lexington Kentucky Mary Todd 1818 1882 was raised in a world of frontier violence Subjected to her first abandonment at age six when her mother died Mary later fled a hostile stepmother for Springfield where she met and after a stormy romance married the raw Illinois attorney Abraham Lincoln For twenty five years the Lincolns forged opposing temperaments into a tolerant loving marriage Mary was at her husband's side on the night of his assassination and never recovered from that greatest in a series of grievous abandonments The desperate measures she took to win the acknowledgment she sought all her life led finally to the shock of a public insanity hearing instigated by her eldest son In this elegant biography Jean Baker uses previously untapped letters and documents to portray a woman whose will carried her across the recognized boundaries of female behavior Book jacket

Watson, 2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation's highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders *Affairs of State* is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click here To see him discuss the book on C SPAN please click here *Letters and Telegrams, Meredith to Yates, Including Messages to Congress, Military Orders, Memoranda, Etc., Relating to Individual Persons* Abraham Lincoln, 1907 *Lesbian Subjects* Martha Vicinus, 1996 Lesbian

"Answer at Once" Katrina M. Powell,2009-11-11 With the Commonwealth of Virginia s Public Park Condemnation Act of 1928 the state surveyed for and acquired three thousand tracts of land that would become Shenandoah National Park The Commonwealth condemned the homes of five hundred families so that their land could be donated to the federal government and placed under the auspices of the National Park Service Prompted by the condemnation of their land the residents began writing letters to National Park and other government officials to negotiate their rights and to request various services property and harvests Typically represented in the popular media as lawless illiterate and incompetent these mountaineers prove themselves otherwise in this poignant collection of letters The history told by the residents themselves both adds to and counters the story that is generally accepted about them These letters are housed in the Shenandoah National Park archives in Luray Virginia which was opened briefly to the public from 2000 to 2002 but then closed due to lack of funding This selection of roughly 150 of these letters in their entirety makes these documents available again not only to the public but also to scholars researchers and others interested in the region s history in the politics of the park and in the genealogy of the families Supplementing the letters are introductory text photographs annotation and oral histories that further document the lives of these individuals

Atlantic Families Sarah Pearsall,2008-11-27 The Atlantic represented a world of opportunity in the eighteenth century but it represented division also separating families across its coasts Whether due to economic shifts changing political landscapes imperial ambitions or even simply personal tragedy many families found themselves fractured and disoriented by the growth and later fissure of a larger Atlantic world Such dislocation posed considerable challenges to all individuals who viewed orderly family relations as both a general and a personal ideal The more fortunate individuals who thus found themselves all at sea were able to use family letters with attendant emphases on familiarity sensibility and credit in order to remain connected in times and places of considerable disconnection Portraying

the family as a unified affectionate and happy entity in such letters provided a means of surmounting concerns about societies fractured by physical distance global wars and increasing social stratification It could also provide social and economic leverage to individual men and women in certain circumstances Sarah Pearsall explores the lives and letters of these families revealing the sometimes shocking stories of those divided by sea Ranging across the Anglophone Atlantic including mainland American colonies and states Britain and the British Caribbean Pearsall argues that it was this expanding Atlantic world much more than the American Revolution that reshaped contemporary ideals about families as much as families themselves reshaped the transatlantic world

Your Friend Forever, A. Lincoln Charles B. Strozier, 2016-05-03 On April 15 1837 a long gawky Abraham Lincoln walked into Joshua Speed's dry goods store in Springfield Illinois and asked what it would cost to buy the materials for a bed Speed said seventeen dollars which Lincoln didn't have He asked for a loan to cover that amount until Christmas Speed was taken with his visitor but as he said later I never saw so gloomy and melancholy a face Speed suggested Lincoln stay with him in a room over his store for free and share his large double bed What began would become one of the most important friendships in American history Speed was Lincoln's closest confidant offering him invaluable support after the death of his first love Ann Rutledge and during his rocky courtship of Mary Todd Lincoln needed Speed for guidance support and empathy Your Friend Forever A Lincoln is a rich analysis of a relationship that was both a model of male friendship and a specific dynamic between two brilliant but fascinatingly flawed men who played off each other's strengths and weaknesses to launch themselves in love and life Their friendship resolves important questions about Lincoln's early years and adds significant psychological depth to our understanding of our sixteenth president
