Rebel Harvest Pauline Bentley,1992-01-01 **Rebel's Harvest. [A Novel.]**. Therese Browne,1948 **Rebel Harvest** Julian A. Maddox,1961 The Rebel Albert Camus,2012-09-19

By one of the most profoundly influential thinkers of our century The Rebel is a classic essay on revolution that resonates as an ardent eloquent and supremely rational voice of conscience for our tumultuous times For Albert Camus the urge to revolt is one of the essential dimensions of human nature manifested in man's timeless Promethean struggle against the conditions of his existence as well as the popular uprisings against established orders throughout history And yet with an eye toward the French Revolution and its regicides and deicides he shows how inevitably the course of revolution leads to tyranny Translated from the French by Anthony Bower

Rebel Harvest Bentley, Pauline,2001 *What Rebels Want* Jennifer M. Hazen,2013-03-08 How easy is it for rebel groups to purchase weapons and ammunition in the middle of a war How quickly can commodities such as diamonds and cocoa be converted into cash to buy war supplies And why does answering these questions matter for understanding civil wars In *What Rebels Want* Jennifer M Hazen challenges the commonly held view that rebel groups can get what they want when they want it and when they most need it Hazen's assessments of resource availability in the wars in Sierra Leone Liberia and Cote d'Ivoire lead to a better understanding of rebel group capacity and options for war and war termination Resources entail more than just cash they include various other economic military and political goods including natural resources arms and ammunition safe haven and diplomatic support However rebel groups rarely enjoy continuous access to resources throughout a conflict Understanding fluctuations in fortune is central to identifying the options available to rebel groups and the reasons why a rebel group chooses to pursue war or peace The stronger the group's capacity the more options it possesses with respect to fighting a war The chances for successful negotiations and the implementation of a peace agreement increase as the options of the rebel group narrow Sustainable negotiated solutions are most likely Hazen finds when a rebel group views negotiations not as one of the solutions for obtaining what it wants but as the only solution **Postharvest Disease**

Development Elazar Fallik,2021-03-19 Postharvest losses of fresh produce have always been an obstacle in agriculture About one third of global fresh fruits and vegetables are lost because their quality has dropped below an acceptance limit The postharvest quality and shelf life of fresh produce are also determined before harvest However postharvest quality is also affected by many practices during and after harvest such as temperature management controlled and modified atmosphere coatings physical treatments biocontrol and more This Special Issue on Postharvest Disease Development Pre and or Postharvest Practices gathers papers that deal with preharvest and postharvest factors that affect and maintain fresh produce quality after harvest **Special Report** ,1989 **Rebel in the Soul** Bika Reed,1997-04 This controversial text speaks to us with intriguing relevance to the problems of today Taking the form of a dialogue between a man and his soul this sacred text explores the inner discourse between doubt and mystical knowledge and deals with the rebellion and despair of
