Stevens,1999-05-01 This astonishing Civil War story follows the real life exploits of a married couple who fought side by side as soldiers for the North the South and finally for a band of marauding pro Union partisans Based on primary source material from the Watuga County North Carolina archives *Rebels in Blue* provides a fast paced gripping narrative of uncommon love and blind revenge set against the turmoil of the Civil War *Kentuckian in Blue* Dan Lee,2010-03-30 Lovell Harrison Rousseau was a distinguished Union general in the Civil War but he was more than a soldier A defense attorney Rousseau served as a state legislator in Indiana and Kentucky before the war After the war Rousseau served as a congressman before returning to the service in 1867 as a brigadier general This biography covers Rousseau's childhood challenges varied career and ambiguous attitude toward blacks **Rebel Guerrillas** Paul Williams,2018-10-29 From the hills and valleys of the eastern Confederate states to the sun drenched plains of Missouri and Bleeding Kansas a vicious clandestine war was fought behind the big battle clashes of the American Civil War In the east John Singleton Mosby became renowned for the daring hit and run tactics of his rebel horsemen Here a relatively civilized war was fought women and children usually left with a roof over their heads But along the Kansas Missouri border it was a far more brutal clash no quarter given William Clarke Quantrill and William Bloody Bill Anderson became notorious for their savagery **Post-bellum Campaigns of the Blue and Gray, 1881-1882 ...** Louis C. Gosson,1882 *Baptism at Bull Run* James P. Reger,2004 Provides a moving portrait of the commanders and men on both sides who fought and died in this inaugural clash of arms *Blue and Gray* ,1893 **The Blue Coats, and how They Lived, Fought and Died for the Union** John Truesdale,1867 Among the many productions which the late war has drawn forth the editor has thought there is room for such a volume as this which shall present a full and complete picture of the various phases of the life of a soldier his battles marches sufferings and privations and such instances of personal during the four years of our civil strife He is well aware that full justice can not be done to those brave men who on land and sea carried the Stars and Stripes in triumph throughout the entire length and breadth of that portion of the Union so lately in arms against the General government but he hopes and believes that those who wore the glorious blue coat will recognize the fidelity and truthfulness of the present volume which aims solely to present to the country in a familiar and pleasant manner the claims of our heroes to the nation's gratitude The selections herein embodied have been made carefully and faithfully from the current literature of the war a task to which the editor has devoted considerable time and research His aim has been to draw from the mass before him the most graphic and striking articles those which would most forcibly recall

to the survivors of the army and navy the stirring scenes through which they passed so bravely which would depict most truthfully their fortitude and heroism in adversity Preface **Boys Become Men Through the Eyes of War** J. Terry Hall, 2016-03-03 Boys Become Men through the Eyes of War is a story of two young boys growing up in the mountains of Western North Carolina during the turbulent years surrounding the Civil War Having become blood brothers following a Cherokee Indian tradition they promised to always have each others back Although following the declaration of war each boy had to follow his own conscience and march to a different drummer one going north one going south
