Bank Job Hilary Powell, Daniel Edelstyn, 2020-09-30 Art hacks life when two filmmakers launch a project to cancel more than 1m of high interest debt from their local community Bank Job is a white knuckle ride into the dark heart of our financial system in which filmmaker and artist duo Hilary Powell and Dan Edelstyn risk their sanity to buy up and abolish debt by printing their own money in a disused bank in Walthamstow London Tired of struggling in an economic system that leaves creative people on

the fringes the duo weave a different story both risky and empowering of self education and mutual action Behind the opaque language and defunct diagrams they find a system flawed by design but ripe for hacking This is the inspiring story of how they listen and act upon the widespread desire to change the system to meet the needs of many and not just the few And for those among us brave enough they show how we can do this too in our own communities one bank job at a time Victor Amadeus II Geoffrey Symcox,1983-01-01 **School Library Journal** ,1997 **El-Hi Textbooks and Serials in Print** ,2006 **Rebellion and Violence in Islamic Law** Khaled Abou El Fadl,2001-11-01 Khaled Abou El Fadl s book represents the first systematic examination of the idea and treatment of political resistance and rebellion in Islamic law Pre modern jurists produced an extensive and sophisticated discourse on the legality of rebellion and the treatment due to rebels under Islamic law The book examines the emergence and development of these discourses from the eighth to the fifteenth centuries and considers juristic responses to the various terror inducing strategies employed by rebels including assassination stealth attacks and rape The study demonstrates how Muslim jurists went about restructuring several competing doctrinal sources in order to construct a highly technical discourse on rebellion Indeed many of these rulings may have a profound influence on contemporary practices This is an important and challenging book which sheds light on the complexities of Islamic law and pre modern attitudes to dissidence and rebellion **Annals of the American Academy of Political and Social Science** ,1917 *Amharic-English dictionary* Thomas Leiper Kane,1990 *Revista Mexicana* George F.
