Rebirth And Destiny Of Israel:

Rebirth and Destiny of Israel David Ben-Gurion, 1959 **Rebirth and Destiny of Israel**, 1954 **Rebirth and Destiny of Israel, Etc** David Ben-Gurion, 1959 Rebirth and Destiny of Israel. Edited and Translated from the Hebrew Under the Supervision of Mordechai Nurock, Etc David Ben-Gurion, Mordechai NUROCK, 1954 **National Security and Democracy in Israel** Avner Yaniv, 1993 Contents **Israel's Public Diplomacy** Jonathan Cummings, 2016-07-27 Hasbara explaining the Israeli variant of public diplomacy is the subject of endless domestic debate Israel in the 1960s and 1970s saw many changes in its political and military international stage This was a period of unusually intensive attention to the problems of hasbara beginning with the appointment of Yisrael Galili as minister with responsibility for government communications and ending with the dismantling of the Ministry of Information in 1974 less than a year after it had been created Israel had only been able to muddle through and at the end there was no greater sophistication in Israeli thinking and no stronger administrative structure in spite of many organizational changes Accessible to anyone interested in the history of Israel as well as political history and diplomacy the book serves as a case study of how entrenched political culture can limit policy options and casts light on the emergence of public diplomacy as a feature of foreign policy *Israel's Wars* Ahron Bregman, 2003-09-02 First published in 2002 Routledge is an imprint of Taylor Francis an informa company **The Making of Modern Israel** Leslie Stein, 2013-05-20 On May 14 1948 the State of Israel was declared announced by David Ben Gurion at a small gathering that assembled in the main hall of the Tel Aviv Art Museum Within a time frame of only nineteen years culminating in the Six Day War Israel fought three separate wars But within its first four years thanks to mass immigration its population doubled Furthermore Israel had been confronted with acute economic difficulties intra Jewish ethnic tensions a problematic Arab minority and a secular religious divide Apart from defence issues Israel faced a generally hostile or at best indifferent international community rendering it hard pressed in securing great power patronage or even official sympathy and understanding Based on a wide range of sources both in Hebrew and English this book contains a judicious synthesis of the received literature to yield the general reader and student alike a reliable balanced and novel account of Israel's fateful and turbulent infancy *Israel's Wars*, 1990 **Between Ruin and Restoration** Daniel E. Orenstein, Alon Tal, Char Miller, 2012-12-30 The environmental history of Israel is as intriguing and complex as the nation itself Situated on a mere 8 630 square miles bordered by the Mediterranean Sea and Persian Gulf varying from desert to forest Israel's natural environment presents innumerable challenges to its growing population The country's conflicted past and present diverse religions and multitude of cultural influences powerfully affect the way Israelis imagine question and shape their environment Zionism from the late nineteenth onward has tempered nearly every aspect of human existence Scarcities of usable land and water coupled with border conflicts and regional hostilities have steeled Israeli's survival instincts As this volume demonstrates these powerful dialectics continue to undergird environmental policy and practice in

Israel today Between Ruin and Restoration assembles leading experts in policy history and activism to address Israel's continuing environmental transformation from the biblical era to the present and beyond with a particular focus on the past one hundred and fifty years. The chapters also reflect passionate public debates over meeting the needs of Israel's population and preserving its natural resources. The chapters detail the occupations of the Ottoman Empire and British colonialists in eighteenth and nineteenth century Palestine as well as Fellaheen and pastoralist Bedouin tribes and how they shaped much of the terrain that greeted early Zionist settlers. Following the rise of the Zionist movement the rapid influx of immigrants and ensuing population growth put new demands on water supplies pollution controls sanitation animal populations rangelands and biodiversity forestry marine policy and desertification. Additional chapters view environmental politics nationally and internationally the environmental impact of Israel's military and considerations for present and future sustainability.

Israel Warrior Shmuley Boteach, 2023-12-12 In light of the October 7th massacre of fourteen hundred Israeli and American Jews at the hands of the savage terrorists of Hamas and the brazen tsunami of antisemitism that has been overtaking the media and college campuses it's now time to fight back. It's time for the rise of the Israel Warrior. Rabbi Shmuley Boteach provides the information that will win the war for Israel in the marketplace of ideas and publicize the justice of Israel's cause. The Israel Warrior is an electrifying journey through the murky waters of Middle East muddle that allows the reader to finally understand the truth about Israel and the genocidal enemies who will stop at nothing to destroy it. The Israel Warrior is for those brave souls prepared to take up the cudgel in defense of the only democracy and human rights protecting republic of the Middle East and the first Jewish state in two thousand years.
