William Whiston

Rebuilding Of King Solomons Temple 191:

Solomon's Temple Alan Balfour, 2012-12-03 A highly original architectural history of Solomon's Temple and Islam's Dome of the Rock that doubles as a social and cultural history of the region The most extensive study of the interrelated history of two monuments Solomon's Temple and The Dome of the Rock drawing on an exhaustive review of all the visual and textual evidence Relayed as a gripping narrative allowing readers to re enter and experience the emotions and the visceral reality of the major events in its history Integrates illustration with the text to offer a highly detailed and accurate portrait of the major structures and figures involved in the history of the temple Opens up a fascinating line of questioning into the conventional interpretation of events particularly Christ's actions in the Temple Reproduces rarely seen detailed drawings of the subterranean passages beneath Temple Mount as part of the British survey in the 19th century *Recent Discoveries on the Temple Hill at Jerusalem* James King, 1891 **The Bible Unearthed** Israel Finkelstein, Neil Asher Silberman, 2002-03-06

In this groundbreaking work that sets apart fact and legend authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its neighbors In this iconoclastic and provocative work leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors They argue that crucial evidence or a telling lack of evidence at digs in Israel Egypt Jordan and Lebanon suggests that many of the most famous stories in the Bible the wanderings of the patriarchs the Exodus from Egypt Joshua's conquest of Canaan and David and Solomon's vast empire reflect the world of the later authors rather than actual historical facts Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel *The Bible Unearthed* offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today **The Complete Works of Flavius-Josephus the Celebrated Jewish Historian** William Whiston, 1895

The Complete Works of Flavius Josephus Flavius Josephus, 1895 **The Resilient City** Lawrence J. Vale, 2005-01-20 Revealing how traumatized city dwellers consistently develop narratives of resilience and how the pragmatic process of urban recovery is always fueled by highly symbolic actions The resilient city offers an informative tribute to the persistence of the city and indeed of the human spirit book cover **Introduction to the Hebrew Bible, Third Edition - The**

Writings John J. Collins, 2019-04-15 John J Collins's *Introduction to the Hebrew Bible* is one of the most popular introductory textbooks in colleges and seminary classrooms Enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments The third edition is presented in a new and engaging format with new maps and images An index has been added to the volume for the first time In order to enhance classroom use Collins's major text has now been divided into four volumes one for each major part of the Hebrew Bible This volume focuses on the Writings Here Collins explores Ezra Nehemiah and Chronicles as well as the books of poetry and

wisdom Also included are sections on Hebrew short stories Daniel and a number of the books belonging to the Apocrypha The volume also contains the introduction to Collins s major text and is now available with even more student friendly features including charts maps photographs chapter summaries and bibliographies for further reading Collins presents the current state of historical archaeological and literary understandings of the biblical text and engages the student in questions of significance and interpretation for the contemporary world

The Complete Works of Flavius-Josephus, the Celebrated Jewish Historian Comprising the History and the Antiquities of the Jews ..., 1901 Dimensions of Yahwism in the Persian Period Gard Granerød, 2016-07-25 What was Judaeen religion in the Persian period like Is it necessary to use the Bible to give an answer to the question Among other things the study argues that the religion practiced in the 5th c BCE Elephantine community and which is reflected in the so called Elephantine documents represent a well attested manifestation of lived Persian period Yahwism as religio historical sources the Elephantine documents reveal more about the actual religious practice of the Elephantine Judaeans than what the highly edited and canonised texts of the Bible reveal about the religious practice of the contemporary Yahwistic coreligionists in Judah and the image of the Elephantine Judaism emerging from the Elephantine documents can revise the canonised image of Judaeen religion in the Persian period cf A Assmann The Elephantine Yahwism should not be interpreted within a framework dependent upon theological conceptual and spatial concepts alien to it such as biblical ones The study proposes an alternative framework by approaching the Elephantine documents on the basis of N Smart s multidimensional model of religion Elephantine should not be exoticised but brought to the very centre of any discussion of the history of Judaism
