Bass, 2019-03-01 Embrace time as a gift not an obstacle Receiving the Day invites us to open the gift of time to dwell in the freedom to rest and worship that God intends for us and for all creatures In this book Dorothy C Bass shows how Christian practices for rest and worship continually welcome us into a way of life attuned to the love of God neighbor earth and self Bass does not aim to provide clear instructions for creating a schedule that solves all our puzzles about how to live in time Rather convinced that Christian faith bears great wisdom about time Bass offers an account of the weekly practice of keeping sabbath along with other practices by which Christians have sought to live faithfully in time These practices have been lived by diverse communities of faith across centuries and cultures Through them we can learn to dwell more graciously attentively and faithfully within the hours and days we have We can also learn to share the gift of time gladly and gratefully with others in and for this world God loves **Receiving the Day** Dorothy C. Bass, Lani Wright, Don C. Richter, 2001

Practical Theology Kathleen A. Cahalan, Gordon S. Mikoski, 2014-04-10 Opening the Field of Practical Theology introduces students to practical theology through an examination of fifteen different approaches ranging from feminist to liberationist Roman Catholic to evangelical Asian American to Latino a After an introduction to the field of practical theology and its broad range of practice today the book features chapters written by leading experts in the discipline Each chapter has an identical structure to facilitate comparison covering historical context key features and figures norms and sources of authority theory practice contexts interdisciplinary considerations areas of current and future research and suggested readings Opening the Field of Practical Theology is an ideal introduction to the field highlighting the diverse ways practical theology is engaged today The Church and Work Joshua Sweeden, 2014-01-31 Work is one of the most dominant and unavoidable realities of life Though experiences of work vary tremendously many Christians share a common struggle of

having to live in seemingly bifurcated spheres of work and faith Beginning with the conviction that Christian faith permeates

all aspects of life Joshua Sweeden explores Christian understandings of good work in relationship to ethics community practice and ecclesial witness In *The Church and Work* Sweeden provides a substantial contribution to the theological conversation about work by proposing an ecclesiological grounding for good work He argues that many of the prominent theological proposals for good work are too abstract from context and demonstrates how the church can be understood as generative for both the theology and practice of good work This needed ecclesiological development takes seriously the role of context in the ongoing discernment of good work and specifically explores how ecclesial life and practice shape and inform good work Christian understandings of good work are inconceivable without the church Accordingly the church is not simply the recipient and a dispenser of a theology of work but the locus of its development

Tranquility

David W. Henderson, 2015-09-01 There's never enough time So we try to cram as much as possible into what little time we have work friends play rest But what if How do I fit it all in isn't the right question Scripture has a lot to say about time Taking a cue from Ecclesiastes Better one handful with tranquility than two handfuls with toil and chasing after the wind and drawing on everything from Augustine's *Confessions* to conversations with air traffic controllers David W Henderson encourages us to move beyond merely trying to open up a bit of margin or to say no once in a while and to take a purposeful step back from our lives to examine those internal and external dynamics that propel us into busyness and hurry Sharing honest stories about his own struggles with busyness he helps readers explore the way the Scriptures frame our time understanding the

Sabbath as Resilience Kenneth J. Barnes,C. Sara Lawrence Minard,2025-03-28 People everywhere are feeling the stress of modern life in ways not seen for generations Emerging from the fog of the first pandemic in one hundred years they face economic uncertainty political acrimony war and the threat of war environmental degradation and technological advances that amaze and frighten in equal measure Time and space condense as unrelenting connectedness blurs the lines between work and play fact and fiction need and desire The devices meant to improve lives dominate them in what theologian Walter Brueggemann calls the tyranny of now People are looking for accessible solutions to complex problems People need resilience but are ill equipped to find it In this book the Fellows of the Mockler Center at Gordon Conwell Theological Seminary offer a solution not from the well trodden psychological disciplines or the lure of New Age mysticism but in a concept as old as the Scriptures themselves the divine gift of Sabbath The authors explore in detail Jesus words Sabbath was made for humanity not humanity for the Sabbath proposing five areas values time space people and faith where a more comprehensive understanding of Sabbath can build resilience by reshaping personal and professional identities in accord with God s will and purpose *Living Hope* Paul W. worship service to nothing more than entertainment Here's how to use it wisely *In the Midst of Chaos* Bonnie J. Miller-McLemore, 2019-03-01 How the daily practices of life with children can shape our faith In the Midst of Chaos explores parenting as spiritual practice building on Bonnie J Miller McLemore's fresh conceptions of children from her book Let the Children Come She questions conventional perceptions that spiritual practices require silence solitude and uninterrupted prayer and that assume a life unburdened by care of others She is both honest about the difficulties and attentive to the blessings present in everyday life and demonstrates that the life of faith encompasses children and the adults who care for them Miller McLemore explores how parents might use seven daily practices such as play reading chores and saying goodbye or goodnight as rich opportunities to shape both parent and child morally and spiritually Through these experiences she shows how the very care of children forms and reforms the faith of adults themselves contrary to the belief that adults must form children In the Midst of Chaos also goes beyond the typical focus on individual self fulfillment by tackling difficult questions of social justice and mutuality in the ways families live together Readers will find in this book an invitation to love those around them in the midst of life's craziness and to live more deeply in grace **Baptism and Christian Identity** Gordon S. Mikoski, 2009-07-02 In this book Gordon Mikoski examines how the sacrament of baptism the doctrine of the Trinity and the practice of Christian education together constitute a dynamic nexus that has the potential to foster congregations marked by the formation of both deep Christian identity and creative engagement in public arenas for the common good After establishing the necessity of holding baptism Trinity and ecclesial pedagogy together through his careful study of both Gregory of Nyssa and John Calvin Mikoski outlines how this nexus can function for contemporary Christian communities as they carry out the work of educational ministry He then explores the dynamics of faith formation in the contemporary American context concluding with a suggestive treatment of implications of the baptism Trinity pedagogy nexus for the educational ministry of a given congregation **Exploring the Old Testament** Ernest C. Lucas, 2016-08-01 Ernest C Lucas provides an informed illuminating and interactive introduction to the ancient background the literary artistry and the varied and timeless messages of the Psalms and Wisdom literature *Old Testament Wisdom Literature* Craig G. Bartholomew, Ryan P.
