Reception Of Pater In Europe:

The Reception of Walter Pater in Europe Stephen Bann, 2004-11-28 Just over a century after his death Walter Pater's critical reputation now stands as high as it has ever been In the English speaking world this has involved recovery from the widespread neglect and indifference which attended his work in the first half of the twentieth century In Europe however enthusiastic disciples such as Hugo von Hofmannsthal in the German speaking world and Charles Du Bos in France helped to fuel a growing awareness of his writings as central to the emergence of modernist literature Translations of works like *Imaginary Portraits* established his distinctive voice as an aesthetic critic and his novel *Marius the Epicurean* was enthusiastically received in Paris in the 1920s and published in Turin on the eve of the Second World War This collection traces the fortunes of Pater's writings in these three major literatures and their reception in Spain Portugal Poland Hungary and the Czech Republic Walter Pater's European Imagination Lene Østermark-Johansen, 2022 This is the first monograph that explores the work and legacy of Walter Pater from a European perspective It offers an in depth analysis of Pater's fictional imaginary portraits which trace the development of the European self over an extensive period of some two thousand years , **The Reception of Walter Pater in Europe** Stephen Bann, 2004 Just over a century after his death Walter Pater's critical reputation now stands as high as it has ever been In the English speaking world this has involved recovery from the widespread neglect and indifference which attended his work in the first half of the twentieth century In Europe however enthusiastic disciples such as Hugo von Hofmannsthal in the German speaking world and Charles Du Bos in France helped to fuel a growing awareness of his writings as central to the emergence of modernist literature Translations of works like *Imaginary Portraits* established his distinctive voice A Companion to Impressionism André Dombrowski, 2028-08-14 The 21st century's first major academic reassessment of Impressionism providing a new generation of scholars with a comprehensive view of critical conversations Presenting an expansive view of the study of Impressionism this extraordinary volume breaks new thematic ground while also reconsidering established questions surrounding the definition chronology and membership of the Impressionist movement In 34 original essays from established and emerging scholars this collection considers a diverse range of developing topics and offers new critical approaches to the interpretation of Impressionist art Focusing on the 1860s to 1890s this Companion explores artists who are well represented in Impressionist studies including Monet Renoir Degas and Cassatt as well as Morisot Caillebotte Bazille and other significant yet lesser known artists The essays cover a wide variety of methodologies in addressing such topics as Impressionism's global predominance at the turn of the 20th century the relationship between Impressionism and the emergence of new media the materials and techniques of the Impressionists and the movement's exhibition and reception history Part of the acclaimed Wiley Blackwell Companions to Art History series this important new addition to scholarship in this field Reevaluates the origins chronology and critical reception of French Impressionism Discusses Impressionism's

account of modern identity in the contexts of race nationality gender and sexuality Explores the global reach and influence of Impressionism in Europe the Middle East East Asia North Africa and the Americas Considers Impressionism s relationship to the emergence of film and photography in the 19th century Considers Impressionism s representation of the private sphere as compared to its depictions of public issues such as empire finance and environmental change Addresses the Impressionist market and clientele period criticism and exhibition displays from the late 19th century to the middle of the 20th century Features original essays by academics curators and conservators from around the world including those from France Germany the United States the United Kingdom Japan Turkey and Argentina The Wiley Blackwell Companion to

Impressionism is an invaluable text for students and academics studying Impressionism and late 19th century European art Post Impressionism modern art and modern French cultural history *Anglo-German Interactions in the Literature of the 1890s* Patrick Bridgwater,2017-12-02 This is a study of what the main aesthetic writers of late 19th century Britain made of German literature and of how Germany in turn reacted to them The impact of Anglo Scottish art nouveau in fin de siecle Austria and Germany made it predictable that Keats Pater and Rossetti among others would be well received but no one could have known in advance that by the time of their deaths Swinburne and Wilde would be more highly regarded in Germany than in Britain Bridgwater s documented study casts light on the central cultural issues of the day including ideas of morality truth and subjectivism in art comparing Pater and Wilde with Nietzsche and George Moore that chameleon of the decadent 90s with Schopenhauer **Aesthetics of Space in Nineteenth-Century British Literature, 1843-1907**

Whiteley Giles Whiteley,2020-03-02 Uncovers the link between Ruskin and the tradition of the aesthetics of spaceDiscusses a hitherto under researched tradition of city writing linking Ruskin to modernismReads comparatively five important mid to late nineteenth century writersMarries close textual analysis with historically and geographically informed contextFills a gap in the critical literature on city writing between realism and early modernismCharting an aesthetic post realist tradition of writing this book considers the significant role played by John Ruskin s art criticism in later writing which dealt with the new kinds of spaces encountered in the nineteenth century With chapters devoted to the ways in which aesthetic and decadent writers such as Walter Pater and Oscar Wilde built upon and challenged Ruskin s ideas the book links the late Dickens to the early modernism of Henry James The Aesthetics of Space in Nineteenth Century British Literature gives a vibrant vision of what an aesthetically sensitive treatment of these spaces looked like during the period **Cultivating Belief** Sebastian

Lecourt,2018-04-05 This book explores how a group of Victorian liberal writers that included George Eliot Walter Pater and Matthew Arnold became attracted to new theories of religion as a function of race and ethnicity Since the early modern period British liberals had typically constructed religion as a zone of personal belief that defined modern individuality and interiority During the 1860s however Eliot Arnold and other literary liberals began to claim that religion could actually do the most for the modern self when it came as a kind of involuntary inheritance Stimulated by the emerging science of

anthropology they imagined that religious experiences embedded in race or ethnicity could render the self heterogeneous while the individual who insisted upon selecting his or her own beliefs would become narrow and parochial By rethinking the grounds of religion this book argues these writers were ultimately trying to shift liberal individualism away from a classical Protestant liberalism that celebrated interiority and agency and toward one that valorized eclecticism and the capacity to keep multiple values in play More broadly their work offers us a new picture of secularization not as a process of religious decline but as the reinscription of religion as an ordinary feature of human life like art or politics or sex whose function could be debated

Writing for Art Stephen Cheeke, 2008-12-15 This book covers a broad chronological range of writing and theorising about ekphrasis extending the subject to include literary works on photography and prose descriptions of artworks

Yeats and Pessoa Patricia Silva-McNeill, 2017-07-05 W B Yeats and Fernando Pessoa 1888 1935 regarded style as a tool for metaphysical inquiry and consequently they adopted distinct poetic styles to convey different attitudes towards experience Silva McNeill's study examines how the poets' stylistic diversification was a means of rehearsing different existential and aesthetic stances It identifies parallels between their styles from a comparative case studies approach Their stylistic masks allowed them to maintain the subjectivity and authenticity associated with the lyrical genre while simultaneously attaining greater objectivity and conveying multiple perspectives The poets continuously transformed the fond and form of their verse creating a protean lyrical voice that expressed their multilateral poetic temperament and reflected the depersonalisation and formal experimentalism of the modern lyric
