Religion In The Liberal Polity Paperback:

Religion in the Liberal Polity Terence Cuneo, 2005 A collection of essays on the subject of religion public discourse and modern liberal democracy The essays are divided into two sections including a number of well known contributors 1 Foundations Rights and Authorities 2 Religious Reasons and Virtuous Conduct [Free Exercise of Religion in the Liberal Polity](#) Emily R. Gill, 2019-08-21 This book addresses the challenge of providing for the free exercise of religion without allowing religious exercise by some individuals and groups to impinge upon the conscientious convictions of others State neutrality toward religion is impossible because neutrality means inattention to religion for some but leveling the playing field through accommodations or exemptions for others Both formal and substantive neutrality have a place in addressing particular conflicts One such example is public funding for religiously affiliated social service programs for which neither type of neutrality is satisfactory and thus some restrictions are justifiable conversely private voluntary organizations that do not receive direct public funding should be allowed wide latitude regarding their practices This title also examines the expansive free exercise claims that are now made by those who argue that following the law impinges upon their beliefs as exemplified by the ministerial exception and the Hobby Lobby and Masterpiece Cakeshop Supreme Court cases It concludes by analyzing the relationship between neutrality and marriage as a civil status which impacts a variety of commitment types and plural marriage

Religious Conviction in Liberal Politics Christopher J. Eberle, 2002-05-02 What role should a citizen's religious convictions play in her political activities Is she for example permitted to decide on the basis of her religious convictions to support laws that criminalize abortion or discourage homosexual relations Christopher Eberle is deeply at odds with the dominant orthodoxy among political theorists about the relation of religion and politics His argument is that a citizen may responsibly ground her political commitments on religious beliefs even if her only reasons for her political commitments are religious in nature His ideal of citizenship allows citizens to engage in politics without privatizing their religious commitments and yet does not license mindless and intransigent sectarianism An inherently controversial book that offers a substantial challenge to political liberalism it will be read by students and professionals in philosophy political science law and religious studies and general readers seeking insight into the relationship between religious commitments and liberal politics

Contemporary Political Philosophy and Religion Camil Ungureanu, Paolo Monti, 2017-12-12 What is the place of religion in a pluralist democracy The continuous presence of religion in the public sphere has raised anew normative and practical issues related to the role of religion in a democratic polity generating spirited political debates in Western and non Western contexts Contemporary Political Philosophy and Religion provides an advanced introduction to and a critical appraisal of the major schools of political thought with a focus on the relationship between democracy and religion Key features of this book include Analyses of different political traditions liberalism republicanism deliberative democracy feminism postmodernism multiculturalism and interculturalism Critical discussions of

key contemporary philosophers such as John Rawls Jürgen Habermas Richard Rorty Charles Taylor Susan Moller Okin Martha Nussbaum Will Kymlicka Chandran Kukathas and Bhiku Parekh A pluralist approach that questions the strict divide between analytical and continental political philosophy Discussion on the place of religion in politics from multiple perspectives by drawing on a plurality of political contexts both Western and non Western Analyses of legal and political cases related to different religious traditions for example Islam Confucianism Buddhism Christianity and Hinduism This comprehensive text will be of great use to students of religion and politics in the fields of political and legal theory and religious and theological studies while also offering critical insights and arguments that will be of interest to the experts in the field

Liberalism's Religion Cécile Laborde, 2017-09-25 Cécile Laborde argues that religion is more than a statement of belief or a moral code It refers to comprehensive ways of life theories of justice modes of association and vulnerable collective identities By disaggregating these dimensions she addresses questions about whether Western secularism and religion can be applied more universally

Roots of Theological Anti-Semitism (paperback) Anders Gerdmar, 2008-12-31 As Adolf Hitler strategised his way to power he knew that it was necessary to gain the support of theology and the Church This study begins two hundred years earlier however looking at roots of theological anti-Semitism and how Jews and Judaism were constructed positively and negatively in the biblical interpretation of German Protestant theology Following the two main streams of German theology the salvation historical and the Enlightenment oriented traditions it examines leading exegetes from the 1750s to the 1950s and explores how theology legitimises or delegitimises oppression of Jews in part through still prevailing paradigms This is the first comprehensive analysis of its kind and the result of the analysis of the interplay between biblical exegesis and attitudes to Jews and Judaism is a fascinating and often frightening portrait of theology as a servant of power

The Politics of Patriotism Jonathan Parry, 2006-11-30 Parry offers an analysis of the ideas that influenced the Liberal political coalition between the 1830s and 1880s

Of the laws of ecclesiastical polity. Book V-VIII. A supplication made to the council by Master Walter Travers. Master Hooker's answer to the supplication that Master Travers made to the council. A learned discourse of justification, works, and how the foundation of faith is overthrown. A learned sermon of the nature of pride. A remedy against sorrow and fear, delivered in a funeral sermon. Of the certainty and perpetuity of faith in the elect: ... Two sermons upon part of St. Jude's epistle. A sermon upon Matt. vii. 7,8 Richard Hooker, 1825
