Religion Is A Queer Thing:

Religion is a Queer Thing Elizabeth Stuart, 1997 The last ten years have witnessed a sea change amongst lesbian gay bisexual and transgendered Christians Many are no longer content to beg a place at the pre existing table of the institutional Churches Rather they have found a new confidence in their ability to define their own experience and think theologically about it Queer theology is emerging as a distinctive radical and explosive theological tradition of which all in the churches will eventually have to take notice This theology exposes the heterosexist thought patterns and assumptions that underlie many Christian doctrines and practices and rescues parts of the tradition helpful to queer Christians which may have been lost along the way Most importantly of all it fashions Christian theologies untainted by homophobia and heterosexism This book makes queer theology available and accessible to a general reader and encourages the reader to become part of the ongoing development of this theology It is aimed primarily at queer people who are either new to Christianity or those who are interested in reflecting upon their Christian faith from a queer perspective It is a study guide which can be used by groups and by individuals and contains exercises and liturgies as well as explanations of queer theology Subjects covered include the bible salvation Christ body theology God the church death and ethics Christian lesbian gay bisexual and transgendered support groups churches individuals

passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible s teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one **Ecclesial Reform and Deform Movements**

Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion Theologies of the 21st Century David L. Smith,2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without

Feminism and Idoloclasm identifies religious and secular feminism's common critical moment as that of idol breaking It reads the women's liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women's consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women's being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de-realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for scholars in theology religious studies gender studies visual studies and philosophy Sexual Reformation? Manitza Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church's moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches **LGBTQ America Today** John Charles Hawley, 2008-11-30 Lesbian gay bisexual transgender and

Contemporary Drag Practices and Performers Mark Edward, Stephen Farrier, 2020-03-19 In recent years drag performance has moved from the fringes to emerge as a mainstream phenomenon showcased on TV shows in the US and the UK This collection offers a diverse range of critical engagements by drag performers makers scholars and writers reflecting on work from the UK USA Israel Germany and Australia Moving beyond discussions of gender theory the essays consider contemporary drag performance practices connecting them to the histories communities and politics that produced them Chapters range across discussions of drag kings in the US UK and drag and activism the influence of RuPaul on the generation of new forms of work in New York transfeminist critiques of drag bio faux queens engagements with race and ethnicity through drag performance drag andragogy audience concerns drag intersections with animal personas and how drag performance relates to personal narratives of history and identity Collectively the contributions focus on drag as a mode of performance that is diverse and that uncorsets the easy thought that drag is simply a cross dressing man in a dress or a woman in a suit
