## Religion Of Ancient Israel The:

**The Religion of Ancient Israel** Patrick D. Miller, 2000-01-01 The historical and literary questions about ancient Israel that traditionally have preoccupied biblical scholars have often overlooked the social realities of life experienced by the vast majority of the population of ancient Israel Volumes in the Library of Ancient Israel draw on multiple disciplines such as archaeology anthropology sociology and literary criticism to illumine the everyday realities and social subtleties these ancient cultures experienced This series employs sophisticated methods resulting in original contributions that depict the reality of the people behind the Hebrew Bible and interprets these scholarly insights for a wide variety of readers Individually and collectively these books will expand our vision of the culture and society of ancient Israel thereby generating new appreciation for its impact up to the present Patrick Miller investigates the role religion played in an expanding circle of influences in ancient Israel the family village tribe and nation state He situates Israel's religion in context where a variety of social forces affected beliefs and where popular cults openly competed with the official religion Miller makes extensive use of both epigraphic and artefactual evidence as he deftly probes the complexities of Iron Age culture and society and their enduring significance for people today *Family and Household Religion in Ancient Israel and the Levant* Rainer Albertz, Rüdiger Schmitt, 2012-04-12 During the past several decades family and household religion has become a topic of Old Testament scholarship in its own right fed by what were initially three distinct approaches the religious historical approach the gender oriented approach and the archaeological approach The first pursues answers to questions of the commonality and difference between varieties of family religion and describes the household and family religions of Mesopotamia Syria Ugarit Israel Philistia Egypt Greece and Rome Gender oriented approaches also contribute uniquely important insights to family and household religion Pioneers of this sort of investigation show that although women in ancient Israelite societies were very restricted in their participation in the official cult there were familial rituals performed in domestic environments in which women played prominent roles especially as related to fertility childbirth and food preparation Archaeologists have worked to illuminate many aspects of this family religion as enacted by and related to the nuclear family unit and have found evidence that domestic cults were more important in Israel than has previously been understood One might even conceive of every family as having actively partaken in ritual activities within its domestic environment *Family and Household Religion in Ancient Israel and the Levant* analyzes the appropriateness of the combined term family and household religion and identifies the types of family that existed in ancient Israel on the basis of both literary and archaeological evidence Comparative evidence from Iron Age Philistia Transjordan Syria and Phoenicia is presented This monumental book presents a typology of cult places that extends from domestic cults to local sanctuaries and state temples It details family religious beliefs as expressed in the almost 3 000 individual Hebrew personal names that have so far been recorded in epigraphic and biblical material The Hebrew onomasticon is further compared with 1 400 Ammonite Moabite Aramean and Phoenician names These

data encompass the vast majority of known Hebrew personal names and a substantial sample of the names from surrounding cultures In this impressive compilation of evidence the authors describe the variety of rites performed by families at home at a neighborhood shrine or at work Burial rituals and the ritual care for the dead are examined A comprehensive bibliography extensive appendixes and several helpful indexes round out the masterful textual material to form a one volume compendium that no scholar of ancient Israelite religion and archaeology can afford not to own      **The Religions of Ancient Israel**

Ziony Zevit,2003-06-01 This is the most far reaching interdisciplinary investigation into the religion of ancient Israel ever attempted The author draws on textual readings archaeological and historical data and epigraphy to determine what is known about the Israelite religions during the Iron Age 1200 586 BCE The evidence is synthesized within the structure of an Israelite worldview and ethos involving kin tribes land traditional ways and places of worship and a national deity Professor Zevit has originated this interpretive matrix through insights ideas and models developed in the academic study of religion and history within the context of the humanities He is strikingly original for instance in his contention that much of the Psalter was composed in praise of deities other than Yahweh Through his book the author has set a precedent which should encourage dialogue and cooperative study between all ancient historians and archaeologists but particularly between Iron Age archaeologists and biblical scholars The work challenges many conclusions of previous scholarship about the nature of the Israelites religion      **Religious Diversity in Ancient Israel and Judah** Francesca Stavrakopoulou,John

Barton,2010-04-15 This volume of essays draws together specialists in the field to explain illustrate and analyze this religious diversity in Ancient Israel      **The Religion of Ancient Israel** Theodoor Christiaan Vriezen,1967      Studies in the Religion of Ancient Israel G.W. Anderson,P.A.H. de Boer,G.R. Castellino,Henry Cazelles,John Emerton,E. Nielsen,H.G. May,W.

MCCARTHY Berit and Covenant in the Deuteronomistic History D J McCarthy M HARAN The Passover Sacrifice M Haran H D PREUSS Das Gottesbild der alteren Weisheit Israels H D Preuss R B Y SCOTT Wise and Foolish Righteous and Wicked R B Y Scott P R ACKROYD The Temple Vessels a continuity theme P R Ackroyd      **Love & Joy** Yochanan Muffs,1992 Studying the

interplay of figurative language law and religious thought Yochanan Muffs brings us a new understanding of both the Bible and ancient Near Eastern cultures This first single volume collection of the pivotal writings of this great religious humanist includes his studies of love and joy as metaphors the laws of war in ancient Israel the figurative nature of legal language the role of the prophet and prophetic speech and the expressions of belonging which united a culture      **Politics & Religion in**

**Ancient Israel** James Cameron Todd,1904      **Religion & Culture in Ancient Israel** John Andrew Dearman,1992      *The*

*Religion of Ancient Israel* Th. C. Vriezen, 1963      *Israelite Religions* Richard S. Hess, 2007-10-15 Archaeological excavation in the Holy Land has exploded with the resurgence of interest in the historical roots of the biblical Israelites *Israelite Religions* offers Bible students and interested lay leaders a survey of the major issues and approaches that constitute the study of ancient Israelite religion Unique among other books on the subject *Israelite Religions* takes the Bible seriously as a historical source balancing the biblical material with relevant evidence from archaeological finds      *The Religion of Ancient Israel* Th. C. Vriezen, 1969      *Did God Have a Wife?* William G. Dever, 2008-07-23 This richly illustrated non technical reconstruction of folk religion in ancient Israel is based largely on recent archaeological evidence but also incorporates biblical texts where possible      ***The Religion of Ancient Israel*** Theodor C. Vriezen, 1969      ***Politics Religion in Ancient Israel*** James Cameron Todd, 2015-06-26 Excerpt from *Politics Religion in Ancient Israel* An Introduction to the Study of the Old Testament The Bible was never more studied or less read than at the present day This paradox is true at least of the Old Testament For two generations scores of patient scholars have toiled at the text scanning each letter with microscopic care and one result of their labours has been that to the majority of educated men and women of whatever belief or no belief the open Bible has become a closed nay a sealed book It is not what it used to be what it has become they do not know and in scorn or sorrow or apathy they have laid it aside This is deplorable No one can with a light heart see such a violent break in the continuity of our religious and indeed our intellectual life The basis on which twenty centuries of Christian culture largely rest is not lightly to be rejected About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *What are They Saying about Ancient Israelite Religion?* John L. McLaughlin, 2016 This volume explores recent scholarship on ancient Israelite religion focusing on the deities of ancient Israel The scholarship begins in 1980 although some earlier works are cited      *The Early History of God* Mark S. Smith, 2002-08-03 Foreword by Patrick D Miller In this remarkable acclaimed history of the development of monotheism Mark S Smith explains how Israel's religion evolved from a cult of Yahweh as a primary deity among many to a fully defined monotheistic faith with Yahweh as sole god Repudiating the traditional view that Israel was fundamentally different in culture and religion from its Canaanite neighbors this provocative book argues that Israelite religion developed at least in part from the religion of Canaan Drawing on epigraphic and archaeological sources Smith cogently demonstrates that Israelite religion was not an outright rejection of foreign pagan gods but rather was the result of the progressive establishment of a distinctly separate Israelite identity This thoroughly revised second edition of *The Early*

History of God includes a substantial new preface by the author and a foreword by Patrick D Miller      **The Religion of Ancient Israel** Patrick D. Miller, 2000-01-01 Miller makes a contribution to the debate about the role religion played in the family village tribe and nation of ancient Israel The book situates Israel s religion in the real world where social forces affected the makeup of beliefs and where popular cults openly competed with the official religion of Israel Patrick Miller focuses on various key themes such as images of God orthodoxy cult sacrifice offering holiness and purity leadership and participation      The Religion of Ancient Israel Theodoor Christiaan Vriezen, 1967      *Exploring the Religion of Ancient Israel* Aaron Chalmers, 2012 In this new textbook Aaron Chalmers examines the major religious offices mentioned in the Old Testament including prophet priest sage and king alongside the beliefs and practices of the common people giving students a unique introduction to the religious and social world of ancient Israel
