less so when there is a familial relationship between religions The way in which Judaism and Christianity relate can be conceptualised in many different forms depending on the theory one subscribes to Did Judaism and Christianity derive from a common ancestor Did Christianity spring from Judaism and if so when Why did the final cut between the two take place Did Christianity replace Judaism If so how can the relationship between them now be described Before interaction between the two religions is possible an honest and unbiased attempt to understand each other must be mutual This is a painful and difficult exercise as Christians and Jews seem to have been at odds since forever This publication is not the final word on the relationship but perhaps it serves as an invitation to Jews and Christians for peaceful engagement *The Future of the Study of Religion* Slavica Jakelic, Lori Pearson, 2018-08-14 This volume brings together diverse voices from various fields within religious and theological studies for a conversation about the proper objects goals and methods for the study of religion in the twenty first century It approaches these questions by way of the most recent contemporary challenges debates and developments in the field and provides a forum in which contending perspectives are tested and contested by their proponents and opponents Contributors address topics such as the connection between the normative and the scientific approaches to the study of religion the meaning of religion in a context of globalization the relation between religious studies and religious traditions the viability of comparative and cultural studies of religious phenomena and the future of gender studies in religion Faith with Reason Paul Helm, 2000 Paul Helm presents a new study of the nature of religious faith investigating what makes it reasonable Religious belief needs to meet and sustain philosophical scrutiny just as any other type of belief does nothing about religion purchases immunity from this But at the same time religious epistemology must also respect the contours of religion the distinctiveness of the subject matter of religious belief Helm looks sympathetically at two currently prominent ways of defending the rationality of religious belief Reformed epistemology and the cumulative case for theism He argues that the reasonableness of faith depends not only on beliefs about the world but also on beliefs about oneself for instance about what one wants about one's hopes and fears and on what one is willing to trust Helm goes on to look at the relations between belief and trust and between faith and virtue and concludes with an exploration of one particular type of belief about oneself the belief that one is oneself a believer This is a book for anyone interested in the basis of religious faith Digital Religion Heidi A. Campbell, Ruth Tsuria, 2021-09-30 This book offers a critical and systematic survey of the study of religion and digital media It covers religious engagement with a wide range of digital media forms and highlights examples of new media engagement in all five of the major world religions From mobile apps and video games to virtual reality and social media the book provides a detailed review of major topics including ritual identity community authority and embodiment includes a series of engaging case studies to illustrate and elucidate the thematic explorations considers the theoretical ethical and theological issues raised This unique volume draws together the work of experts from key disciplinary perspectives and is the go to volume for students and scholars wanting to develop a deeper understanding of

the subject area Thoroughly updated throughout with new case studies and in depth analysis of recent scholarship and developments this new edition provides a comprehensive overview of this fast paced constantly developing and fascinating field

Theology and the Religions Viggo Mortensen, 2003 The academic study of religion is undergoing great changes in response to globalization Just as sociologists now find it necessary to think in terms of multiculturalism so religion scholars and theologians today must work in the context of multireligiosity Globalization is leading not only to multiethnic societies but also to plurality in religions and worldviews Theology and the Religions A Dialogue offers the first sustained analysis of the trend toward multireligiosity and its implications for the study of religion Drawing on the resources of cultural analysis religious studies and theology an international slate of scholars explores the relation of multiculturalism and multireligiosity the need for interreligious dialogue and the possibilities for a theology of religions This groundbreaking work is supported by case studies of various religious traditions in diverse cultures from around the world Special attention is paid to Christian theological reflection however since as a global religion Christianity is particularly challenged by multireligiosity Offering an engaging wide angle view of religion worldwide Theology and the Religions makes a vital contribution to our understanding of the forces shaping the future of religious and social life Contributors Kajsa Ahlstrand Theodor Ahrens Jan Martin Berentsen Ulrich Dehn Helene Egnell Marianne C Qvortrup Fibiger Patrik Friedlund Virginia Garrard Burnett Geomon K George Elisabeth Gerle Friedrich Wilhelm Graf Hans Hauge Ulf Hedetoft S Mark Heim Chris Hewer Klaus Hock Michael Ipgrave Andrew J Kirk Lene K hle Volker K ster Aasulv Lande Oddbjorn Leirvik Ole Skjerk b Madsen Hiromasa Mase Mogens S Mogensen Viggo Mortensen Johannes Nissen Klaus N rnberger Caleb Oladipo Tinu Ruparell Risto Saarinen Lamin Sanneh Olaf Schumann Notto R Thelle Joachim Track V tor Westhelle H S Wilson
