Religious Dimension In Hegels Thought

Emil L. Fackenheim

Religious Dimension In Hegels Thought:

The Religious Dimension in Hegel's Thought Emil L. Fackenheim, 1968 **The Religious Dimension in Hegel's Thought** Daniel James Crampton, 1975 **The Philosopher as Witness** Michael L. Morgan, Benjamin Pollock, 2009-01-01

Emil Fackenheim 1916 2003 one of the most important Jewish philosophers of the twentieth century called on the world at large not only to bear witness to the Holocaust as an unprecedented assault on Judaism and on humanity but also to recognize that the question of what it means to philosophize indeed what it means to be human must be raised anew in its wake The Philosopher as Witness begins with two recent essays written by Fackenheim himself and includes responses to the questions that Fackenheim posed to philosophy Judaism and humanity after the Holocaust The contributors to this book dare to extend that questioning through a critical examination of Fackenheim's own thought and through an exploration of some of the ramifications of his work for fields of study and realms of religious life that transcend his own **Alain Badiou and the Book of Revelation** Bruce Worthington, 2024-05-29 Using many key philosophical concepts based on the work of Alain Badiou this book outlines the relationship between an event and the emergence of a truth which serves as a helpful organizing principle from which to study the origins of Christianity Alain Badiou and the Book of Revelation argues that despite what postmodern philosophy says truths still appear and their immanent character can be known in the world through a militant subject one who is willing to declare the consequences of an event that has happened The second half of the book applies Badiou's theory of the event to the book of Revelation a book that draws out radical even terrifying consequences from an event the victory of the Lamb particularly in the logic of a new world and a political body that is to come Based on several new insights following the completion of Badiou's The Immanence of Truths the book is a full length treatment of Badiou's philosophy to the study of Christian origins and the book of Revelation **Metaphysics to Metafictions** Paul S. Miklowitz, 1998-08-06 Examines the key role played by Nietzsche in the undoing of the Hegelian system of totality Hegel's Hermeneutics Paul Redding, 1996 An advance on recent revisionist thinking about Hegelian philosophy this book interprets Hegel's achievement as part of a revolutionary modernization of ancient philosophical thought initiated by Kant Relationality and the Concept of God Henry Jansen, 2025-02-10 Classical theism the dominant tradition in Christian theology has stressed the metaphysical concept of God i.e. God's ontological transcendence and independence from the world In this century however this concept of God has increasingly met with criticism On the basis of the Bible and new philosophical considerations it is argued that a relational concept of God better answers the fundamental concerns of the Christian faith In this book the author investigates the questions of whether one can conceive of God apart from the metaphysical attributes and whether reflection on the biblical depiction of God leads necessarily to a relational concept of God The author explores the questions by examining the relational concepts of God found in two contemporary German theologians Jürgen Moltmann and Wolfhart Pannenberg and uses the divine attribute of immutability as a focus for the

discussion He argues that the relational concept of God presupposes another metaphysical conception of God which raises problems as serious as those in classical theism and that the Bible itself because of its nature as a narrative text is ambiguous in many respects as far as God is concerned A truly Christian doctrine of God must take both the metaphysical and relational aspects of God into account *Social Domains of Truth* Lambert Zuidervart, 2023-03-10 Truth is in trouble In response this book presents a new conception of truth It recognizes that prominent philosophers have questioned whether the idea of truth is important Some have asked why we even need it Their questions reinforce broader trends in Western society where many wonder whether or why we should pursue truth Indeed some pundits say we have become a post truth society Yet there are good reasons not to embrace the cultural Zeitgeist or go with the philosophical flow reasons to regard truth as a substantive and socially significant idea This book explains why First it argues that propositional truth is only one kind of truth an important kind but not all important Then it shows how propositional truth belongs to the more comprehensive process of truth as a whole This process is a dynamic correlation between human fidelity to societal principles and a life giving disclosure of society The correlation comes to expression in distinct social domains of truth where either propositional or nonpropositional truth is primary The final chapters lay out five such domains science politics art religion and philosophy Anyone who cares about the future of truth in society will want to read this pathbreaking book **Reason and Revelation before Historicism** Sharon Jo Portnoff, 2012-01-30 Can contemporary religion and particularly Judaism exist without being informed by history This question was debated in 1940s New York by two German refugees who later rose to prominence Leo Strauss one of the twentieth century s most significant political philosophers and Emil L Fackenheim an important post Holocaust Jewish theologian There has been little consensus however on the definitive meaning of their work Reason and Revelation before Historicism the first full length comparison of Strauss and Fackenheim places the informal teacher and student in conversation alongside sections of their analyses of notable thinkers Sharon Portnoff suggests that both saw historicism as the nexus of the intersection and tension between philosophy and religion and raised the possibility of the persistence of the permanent in the modern world Portnoff illuminates our understanding of Strauss s relationship with Judaism Fackenheim s oft overshadowed great philosophical depth and the function and character of Jewish thought in a secular post Holocaust world *The Legacy of Hegel* J.J. O'Malley, K.W. Algozin, H.P. Kainz, L.C. Rice, 2012-12-06 The present volume represents the proceedings of the Marquette Hegel Symposium held at Marquette University Milwaukee Wisconsin on June 2 5 1970 The Symposium celebrating the two hundredth anniversary of Hegel s birth was presented under the combined sponsorship of the Philosophy Department of Marquette University the American Council of Learned Societies and the Johnson Foundation of Racine Wisconsin Its general theme embraced not only specific topics of interest in contemporary Hegel studies but also the wider aspects of the influences and impact of Hegel s thought upon contemporary philosophical political and social problems Principal contributors and panelists were selected for their scholarly

achievements in Hegel studies and also in keeping with the broad view of the Hegelian legacy in current thought All sessions of the Symposium were plenary and designed for maximum discussion and in terchange among participants The Symposium Committee regrets that it has not been feasible to incorporate the transcript of the discussions except for the round table discussion on editing and translating Hegel into this volume The papers presented in each day s sessions are published here with editorial changes and corrections made by their respective authors The papers by Professors Otto Poggeler and Eric Weil were originally translated by members of our Committee the present versions incorporate many changes and corrections made by their authors The comments on each paper were brought into their present form only after the Symposium and in the light of the discussions which took place during it

Hegel and Canada Susan M. Dodd, Neil G. Robertson, 2018-01-01 Hegel and Canada is a collection of essays that analyses the real but under recognized role Hegel has played in the intellectual and political development of Canada The volume focuses on the generation of Canadian scholars who emerged after World War Two James Doull Emil Fackenheim George Grant Henry S Harris and Charles Taylor

Eclipse of Grace Nicholas Adams, 2013-02-19 Eclipse of Grace offers original insights into the roots of modern theology by introducing systematic theologians and Christian ethicists to Hegel through a focus on three of his seminal texts Phenomenology of Spirit Science of Logic and Lectures on the Philosophy of Religion Presents brilliant and original insights into Hegel s significance for modern theology Argues that theologically Hegel has been misconstrued and that much more can be gained by focusing on the logic that he develops out of an engagement with Christian doctrines Features an original structure organized as a set of commentaries on individual Hegel texts and not just presenting overviews of his entire corpus Offers detailed engagement with Hegel s texts rather than relying on generalizations about Hegelian philosophy Provides an illuminating accessible and lucid account of the thinking of the major figures in modern German philosophy and theology

German Philosophers Roger Scruton, 2001 German Philosophers contains studies of four of the most important German theorists Kant arguably the most influential modern philosopher Hegel whose philosophy inspired an enduring vision of a communist society Schopenhauer renowned for his pessimistic preference for non existence and Nietzsche who has been appropriated as an icon by an astonishingly diverse spectrum of people

Christology of Hegel James Yerkes, 1983-06-30 James Yerkes undertakes a systematic exploration of the full range of Hegel s works to discover what philosophical religious and historical significance Hegel attributed to the Christian witness that Jesus of Nazareth was the Christ

Philosophy without Foundations William Maker, 1994-10-11

Stations on the Journey of Inquiry Mary Budde Ragan, 2017-03-23 In this collection Stations on the Journey of Inquiry David Burrell launches a revolutionary reinterpretation of how any inquiry proceeds boldly critiquing presumptuous theories of knowledge language and ethics While his later publications Analogy and Philosophical Language 1973 and Aquinas God and Action 1979 elucidate Aquinas s linguistic theology these early writings show what often escapes articulation how one comes to understanding and takes a judgment Although Aquinas serves as an

axial figure for Burrell's expansive corpus of scholarship spanning more than fifty years this selection of essays presents other positions and counterpositions to whom his own philosophical theology is beholden Plato Aristotle Cajetan Kant Peirce Moore Wittgenstein Sellars Weiss Ross McInerney and Lonergan With renewed interest in philosophy of language by postmodern thinkers as well as in the wake of Mulhall's Stanton Lectures on Wittgenstein and Grammatical Thomism the publication of these formative writings proves timely for the academy at large Burrell invites us to reconsider not only the way in which we conduct an inquiry but what it is we take language to be and how we take responsibility for what we say

The Devil's Redemption : 2 Volumes Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone **The Phenomenology**

of Spirit Reader Jon Bartley Stewart, 1998-01-01 The most complete collection of essays on Hegel's Phenomenology of Spirit available in any language with essays by distinguished international Hegel scholars Hegel and the Tradition Henry Silton Harris, 1997-01-01 Georg Wilhelm Friedrich Hegel 1770-1831 is considered a philosopher of the Tradition both in the sense that his work is rooted in the political artistic religious and philosophical traditions of European culture and in the sense that he takes up the notion of tradition as an object of philosophical investigation This collection examines Hegel's philosophy as it bears on the meaning and relevance of tradition historical legal aesthetic religious and philosophical The thirteen original essays draw upon and celebrate the work of H. S. Harris who is considered by many to be the most influential interpreter of Hegel in the English speaking world The collection as a whole examines Hegel's rich and nuanced relation to his own traditions including his creative reworking of the legacies of Greece Rome Christianity the Middle Ages early modernity and his immediate predecessors It also shows how Hegel's thought has direct relevance for us today as we seek to understand ourselves in relation to our inherited traditions The volume concludes with an afterword by H. S. Harris and a comprehensive bibliography of Harris's published works This important anthology represents the first rigorous and systematic effort to apply Harris's seminal and innovative style of Hegel scholarship to a wide variety of philosophical and historical issues It functions both as a study of Hegel's philosophy and as a commentary on Harris's vast contribution to Hegel scholarship **Eduard Gans and the Hegelian Philosophy of Law** M.H. Hoffheimer, 1995-04-30 This volume provides the first sustained treatment of the legal theory of Eduard Gans 1789-1839 and the first translation of Gans's Systems of Roman Civil Law in Outline 1827 Hegel's close personal friend and recognized leader of the Hegelian movement Gans posthumously edited

Hegel's Philosophy of Law and Philosophy of History As Professor of Law in Berlin Gans championed legal codification in opposition to Savigny and the Historical School of Jurisprudence Hoffheimer argues that Gans's legal writings especially his systematic exposition of Roman Law combined a brilliant application of Romanist legal scholarship with a creative original vision of Hegelian methodology The teacher of Karl Marx and Felix Mendelssohn Gans promoted a liberal interpretation of Hegel and influenced an important generation of German thinkers

Right here, we have countless books **Religious Dimension In Hegels Thought** and collections to check out. We additionally meet the expense of variant types and then type of the books to browse. The welcome book, fiction, history, novel, scientific research, as capably as various other sorts of books are readily approachable here.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religious Dimension In Hegels Thought full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religious Dimension In Hegels Thought eBooks, including some popular titles.

FAQs About Religious Dimension In Hegels Thought Books

What is a Religious Dimension In Hegels Thought PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Dimension In Hegels Thought PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Dimension In Hegels Thought PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious Dimension In Hegels Thought PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Dimension In Hegels Thought PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
