series Dynamics in the History of Religions reviews the opening conference of the K te Hamburger Kolleg at the Ruhr  
University Bochum The first section concentrates on the formation of what later come to be termed world religions through  
inter religious contact the second part focuses on the significance of interreligious contacts also during their expansive phase  
Methodological problems of multi perspective research and especially the lack of a general religious terminology are  
discussed in the third chapter while the final papers outline various aspects of secularization and re sacralisation in the age  
of globalisation as an effect of multicultural contacts in a world wide web of religious interferences Contributors include

Johannine Belief and Graeco-Roman Devotion Chris Seglenieks, 2020-09-29 In this volume Christopher Seglenieks offers a  
study of the complex meaning in John s Gospel of genuine belief arguing it includes cognitive relational ethical ongoing and  
public aspects He compares it with Graeco Roman religious practices and highlights the distinctiveness of Johannine belief  
whose features are motivated by John s picture of Jesus **Studies in Hellenistic Religions** Luther H. Martin, 2018-02-26  
This selection of essays by Luther Martin brings together studies from throughout his career both early as well as more  
recent in the various areas of Graeco Roman religions including mystery cults Judaism Christianity and Gnosticism It is  
hoped that these studies which represent spatial communal and cognitive approaches to the study of ancient religions might  
be of interest to those concerned with the structures and dynamics of religions past in general as well as to scholars who  
might with more recent historical research confirm evaluate extend or refute the hypotheses offered here for that is the way  
scholars work and by which scholarship proceeds *Communication in the Jewish Diaspora* Menahem Blondheim, Hananel  
Rosenberg, 2020-09-16 The Jewish diasporic experience stands out in its remarkable scope duration and cohesiveness  
Communication is the dynamic mechanism that negotiates the interplay of these factors hence this volume on Jewish  
Diasporic Communications The Jewish Diaspora is unique in another way too through most of their exilic experience Jews did  
not have a geographical center to which they could orient themselves The perspective guiding this volume is that the center  
of the Jewish Diaspora has been the communicative network linking its scattered communities in space and the media  
serving its continuity through historical time This Diasporic network has sustained a common flow of shared content between

Jews and Jewish communities let alone the imagination of connectedness Thus Diaspora Jews as Jews and the People they comprise existed to invoke John Dewey in communication The studies in this volume spanning antiquity and modernity and crossing disciplinary boundaries provide together a broad ranging and in depth account of how a People can survive for millennia without a homeland but in communication

**Jesus and the Gospels (2nd Edition)** Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg s award winning Jesus and the Gospels prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament

**The Oxford Handbook of Nineteenth-Century Christian Thought** Joel Rasmussen, Judith Wolfe, Johannes Zachhuber, 2017-06-22 Through various realignments beginning in the Revolutionary era and continuing across the nineteenth century Christianity not only endured as a vital intellectual tradition contributed importantly to a wide variety of significant conversations movements and social transformations across the diverse spheres of intellectual cultural and social history The Oxford Handbook of Nineteenth Century Christian Thought proposes new readings of the diverse sites and variegated role of the Christian intellectual tradition across what has come to be called the long nineteenth century It represents the first comprehensive examination of a picture emerging from the twin recognition of Christianity s abiding

intellectual influence and its radical transformation and diversification under the influence of the forces of modernity Part one investigates changing paradigms that determine the evolving approaches to religious matters during the nineteenth century providing readers with a sense of the fundamental changes at the time Section two considers human nature and the nature of religion It explores a range of categories rising to prominence in the course of the nineteenth century and influencing the way religion in general and Christianity in particular were conceived Part three focuses on the intellectual cultural and social developments of the time while part four looks at Christianity and the arts a major area in which Christian ideas stories and images were used adapted changes and challenged during the nineteenth century Christianity was radically pluralized in the nineteenth century and the fifth section is dedicated to Christianity and Christianities The chapters sketch the major churches and confessions during the period The final part considers doctrinal themes registering the wealth and scope through broad narrative and individual example This authoritative reference work offers an indispensable overview of a period whose forceful ideas continue to be present in contemporary theology *Heterodoxy Within Second-Temple Judaism and Sectarian Diversity Within the Early Church* Peter J. Russell, 2008 This work overturns previously accepted theories about the rise of the first-century Church by arguing that it maintained a religious culture of diversity because of its roots in Judaism *Fieldnotes in the Critical Study of Religion* Richard Newton, Vaia Touna, 2023-05-18 This book introduces students to the so called classics of the field from the 19th and 20th centuries whilst challenging readers to apply a critical lens Instead of representing scholars and their works as virtually timeless each contributor provides sufficient background on the classic work in question so that readers not only understand its novelty and place in its own time but are able to arrive at a critical understanding of whether its approach to studying religion continues to be useful to them today Scholars discussed include Muller Durkheim Freud and Eliade *Fieldnotes in the Critical Study of Religion Revisiting Classical Theorists* therefore offers a novel way into writing both a history and ethnography of the discipline helping readers to see how it has changed and inviting them to consider what if anything endures and thereby unites these diverse authors into a common field

**Paul in the Greco-Roman World: A Handbook** J. Paul Sampley, 2016-10-06 This landmark handbook written by distinguished Pauline scholars and first published in 2003 remains the first and only work to offer lucid and insightful examinations of Paul and his world in such depth Together the two volumes that constitute the handbook in its much revised form provide a comprehensive reference resource for new testament scholars looking to understand the classical world in which Paul lived and work Each chapter provides an overview of a particular social convention literary or rhetorical topos social practice or cultural mores of the world in which Paul and his audiences were at home In addition the sections use carefully chosen examples to demonstrate how particularly features of Greco Roman culture shed light on Paul's letters and on his readers possible perception of them For the new edition all the contributions have been fully revised to take into account the last ten years of methodological change and the helpful chapter bibliographies fully updated Wholly new

chapters cover such issues as Paul and Memory Paul's Economics honor and shame in Paul's writings and the Greek novel

**Sharing and Hiding Religious Knowledge in Early Judaism, Christianity, and Islam** Mladen Popović, Lautaro Roig Lanzillotta, Clare Wilde, 2018-08-21 Few studies focus on the modes of knowledge transmission or concealment or the trends of continuity or change from the Ancient to the Late Antique worlds In Antiquity knowledge was cherished as a scarce good cultivated through the close teacher student relationship and often preserved in the closed circle of the initiated From Assyrian and Babylonian cuneiform texts to a Shi'ite Islamic tradition this volume explores how and why knowledge was shared or concealed by diverse communities in a range of Ancient and Late Antique cultural contexts From caves by the Dead Sea to Alexandria both normative and heterodox approaches to knowledge in Jewish Christian and Muslim communities are explored Biblical and quranic passages as well as gnostic rabbinic and esoteric Islamic approaches are discussed In this volume a range of scholars from Assyrian studies to Jewish Christian and Islamic studies examine diverse approaches to and modes of knowledge transmission and concealment shedding new light on both the interconnectedness as well as the unique aspects of the monotheistic faiths and their relationship to the ancient civilisations of the Fertile Crescent
