Religious Liberty Questioned:

Religious Liberty Questioned Marcel Lefebvre, 2002 **Challenges to Religious Liberty in the Twenty-First Century** Gerard V. Bradley, 2012-03-12 Almost everyone today affirms the importance and merit of religious liberty But religious liberty is being challenged by new questions for example use of the niqab or church adoption services for same sex couples and new forces such as globalization and Islamism Combined these make the meaning of religious liberty in the twenty first century uncertain This collection of essays by ten of the world s leading scholars on religious liberty takes aim at these issues The book is arranged around five specific challenges to religious liberty today the state s responsibility to prevent coercion and intimidation of believers by others within the same faith community the US s basic moral responsibilities to promote religious liberty abroad how to understand and apply the traditional right of conscientious objection in today s circumstances the distinctive problems presented by globalization and the viability today of an originalist interpretation of the First Amendment religion clauses **Debating Religious Liberty and Discrimination** John Corvino, Ryan T. Anderson, Sherif Girgis, 2017-04-14 Virtually everyone supports religious liberty and virtually everyone opposes discrimination But how do we handle the hard questions that arise when exercises of religious liberty seem to discriminate unjustly How do we promote the common good while respecting conscience in a diverse society This point counterpoint book brings together leading voices in the culture wars to debate such questions John Corvino a longtime LGBT rights advocate opposite Ryan T Anderson and Sherif Girgis prominent young social conservatives Many such questions have arisen in response to same sex marriage How should we treat county clerks who do not wish to authorize such marriages for example or bakers florists and photographers who do not wish to provide same sex wedding services But the conflicts extend well beyond the LGBT rights arena How should we treat hospitals schools and adoption agencies that can t in conscience follow antidiscrimination laws healthcare mandates and other regulations Should corporations ever get exemptions Should public officials Should we keep controversial laws like the Religious Freedom Restoration Act or pass new ones like the First Amendment Defense Act Should the law give religion and conscience special protection at all and if so why What counts as discrimination and when is it unjust What kinds of material and dignitary harms should the law try to fight and what is dignitary harm anyway Beyond the law how should we treat religious beliefs and practices we find mistaken or even oppressive Should we tolerate them or actively discourage them In point counterpoint format Corvino Anderson and Girgis explore these questions and more Although their differences run deep they tackle them with civility clarity and flair Their debate is an essential contribution to contemporary discussions about why religious liberty matters and what respecting it requires The Council in Question Moyra Doorly, Aidan Nichols, 2013-03-28 The resurgence of Catholic tradition is rekindling devotion zeal and we pray sanctity But do some place traditionalism before Mother Church herself This is the issue of our time a unique time 50 years after Vatican II when much though not all of the misapplication of the Council s

teachings and liturgical aberrations have settled In The Council in Question journalist Moyra Doorly an SSPX attendee and Dominican Aidan Nichols vibrantly discuss the key issues of division between the Church and the Society A must read for a lover of Tradition Religion and Equality Law Nelson Tebbe,2017-07-05 The essays selected for this volume address topics at the intersection of religion and equality law including discrimination against religion discrimination by religious actors and discrimination in favor of religious groups and traditions The introduction provides a conceptual guide to these types of inequality which are often misunderstood or conflated and it offers an analysis of different species of discrimination within each broad category Each section of the volume contains both theoretical essays which set out frameworks for thinking about the relevant type of inequality and essays that examine real world disputes For example the articles address the conflicts over headscarf laws in France and Turkey the place of so called traditional religions in Africa the display of Roman Catholic crucifixes in Italian classrooms and the ability of American religious organizations to be free of employment laws in their treatment of clergy This volume brings together classic articles which are otherwise difficult to access enables students to study key articles side by side and provides instructors with a valuable teaching resource *101 Questions and Answers on Vatican II* Maureen Sullivan, Maureen O'Sullivan (O.P.),2002 An informative and accessible guide to everything you want to know about Vatican II **Research Handbook on Law and Religion** Rex Ahdar,2018-09-28 Offering an interdisciplinary international and philosophical perspective this comprehensive Research Handbook explores both perennial and recent legal issues that concern the modern state and its interaction with religious communities and individuals **John Henry Newman on Truth and its Counterfeits** Reinhard Hutter,2020-02-21 Reinhard Hutter's main thesis in this third volume of the Sacra Doctrina series is that John Henry Newman in his own context of the nineteenth century a century far from being a foreign one to our own faced the same challenges as we do today the problems then and now differ in degree not in kind Hence Newman's engagement with these problems offers us a prescient and indeed prophetic diagnosis of what these problems or errors if not corrected will lead to consequences which have more or less come to pass and furthermore an alternative way which is at once thoroughly Catholic and holds contemporary relevance The introduction offers a survey of Newman's life and works and each of the subsequent four chapters addresses one significant aspect of Christianity that is not only contested or rejected by secular unbelief but also has a counterfeit for which not only Christians but even Catholics have fallen The counterfeit of conscience is the conscience of the sovereign subject Ch 1 the counterfeit of faith is the faith of one who does not submit to the living authority through which God communicates but rather adheres to the principle of private judgment in matters of revealed religion Ch 2 the counterfeit of doctrinal development is twofold i paying lip service to development while only selectively accepting its consequences on the grounds of a specious antiquarianism and ii invoking development theory to justify all sorts of contemporary changes according to the present Zeitgeist Ch 3 Finally the counterfeit of the university are all those universities whose end is not to educate and thereby to perfect the intellect but

rather to feed more efficiently the empire of desire that is informed by the techno consumerism of today Ch 4 The book concludes with an epilogue on H tter s journey to Catholicism A manual of political questions of the day [extr. from A handbook to political questions]. (Lond. and counties Liberal union). Sydney Charles Buxton (1st earl.),1891 **My Final Word** Charles W. Colson,2015-08-04 One of the most respected and influential Christian leaders of the last several decades Chuck Colson engaged millions through his books public speaking and radio broadcasts In My Final Word longtime Colson coauthor Anne Morse has selected and arranged pieces Colson wrote mostly during the last decade of his life spotlighting what he saw as key topics of ongoing importance for Christian cultural engagement Some of these issues include crime and punishment natural law Islam same sex marriage the persecution of Christians and more Longtime readers and new readers alike will be struck by the power and immediacy of Colson s arguments My Final Word is a fitting end to Colson s distinguished publishing career a behind the scenes encounter with an influential thinker and a needed call to an ongoing and relevant Christian public witness **Speeches of Henry Lord Brougham, Upon Questions Relating to Public Rights, Duties, and Interests** Henry Brougham Baron Brougham and Vaux,1841 *The Agnostic Age* Paul Horwitz,2011-02-02 The Agnostic Age Law Religion and the Constitution is a book for lawyers law professors law students lawmakers and any citizen who cares about church state conflict and about the relationship between religion and liberal democracy It provides a way to understand and balance the conflicts that inevitably arise when neighbors struggle with neighbors and when liberal democracy tries to reach common ground with religious beliefs and practices Paul Horwitz argues that the fundamental reason for the church state conflict is our aversion to questions of religious truth By trying to avoid the question of religious truth law and religion has ultimately only reached a state of incoherence He asserts that the answer to this dilemma is to take the agnostic turn to take an empathetic and imaginative approach to questions of religious truth one that actually confronts rather than avoids these questions but without reaching a final judgment about what that truth is This book offers a sensitive and sensible approach to questions of church state conflict justifying what the courts have done in some cases and demanding new results in others It explains how the church state conflict extends beyond law and religion itself and goes to some of the central questions at the heart of the troubled relationship between religion and liberal democracy in a post 9 11 era The Oxford Handbook of Church and State in the United States Derek Davis,2010-11-18 21 essays present a scholarly look at the intricacies and past and current debates that frame the American system of church and state within 5 main areas history politics sociology theology philosophy and law , **Political Questions** Larry Arnhart,2015-08-28 In this enhanced edition Larry Arnhart continues to ask thought provoking questions that illuminate the philosophies of some of the most prominent political thinkers throughout history This clear well written guide is an ideal supplement to the original texts he recommends at the beginning of each chapter In addition to his analysis of Plato Aristotle Augustine Aquinas Machiavelli Descartes Rousseau Hegel Marx Nietzsche and Rawls the author s well

organized and insightful approach provides an even more comprehensive overview than the earlier editions Supplementing the discussion of Leviathan the chapter on Thomas Hobbes covers Behemoth The chapter on John Locke includes his Letter Concerning Toleration as well as the original discussion of Second Treatise of Government A chapter on Adam Smith has been added which discusses Theory of Moral Sentiments and Wealth of Nations Leo Strauss is featured with an examination of Persecution and the Art of Writing and Natural Right and History A final chapter analyzes Steven Pinker s The Better Angels of Our Nature
