Warren Askins,2020-11-01 No matter how strong or invulnerable you believe yourself to be this forest has ways of proving you wrong The Lord Commander of the Royal Court has grown bored but her curiosity is piqued when she hears of a savage killer loose in her city An orphan ripped from her village finds herself suddenly connected to a vicious string of murders but all she wants to do is return home so she can bury her mother Oh and there s a werewolf knight ORPHAN S RITE is a companion novel set in the DEAD MEN ARE DYING universe In a world where humans born with a celestial mark are instilled with powerful game changing abilities And those without survive as best they can **The Reluctant Orphan. Orphan Bride** Sara Seale,1964

Reaching Out to Africa's Orphans K. Subbarao,Diane Coury,2004-01-01 This title makes a substantial contribution to our understanding of the many risks and vulnerability faced by orphans and the ameliorating role played by the actions of governments and donors From Orphan to Adoptee SooJin Pate,2014-03-01 Since the 1950s more than 100 000 Korean children have been adopted by predominantly white Americans they were orphans of the Korean War or so the story went But begin the story earlier as SooJin Pate does and what has long been viewed as humanitarian rescue reveals itself as an exercise in expanding American empire during the Cold War Transnational adoption was virtually nonexistent in Korea until U S military intervention in the 1940s Currently it generates 35 million in revenue an economic miracle for South Korea and a social and political boon for the United States Rather than focusing on the families made whole by these adoptions this book identifies U S militarism as the condition by which displaced babies became orphans some of whom were groomed into desirable adoptees normalized for American audiences and detached from their past and culture Using archival research film and literary materials including the cultural work of adoptees Pate explores the various ways in which Korean children were employed by the U S nation state to promote the myth of American exceptionalism to expand U S empire during the burgeoning Cold War and to solidify notions of the American family In *From Orphan to Adoptee* we finally see how Korean adoption became the crucible in which technologies of the U S empire were invented and honed **All the King's Orphans** Lynette Carpenter,2015-10-23 When I was asked to edit *All the King's Orphans* I was honored as I always am to do this work Little did I know so much of the book would apply to me Along the way I started reading for what I could glean from the expansive knowledge contained in these pages It explained so much about myself and why I do some of the things I do This is

one of those books whose pages will be underlined highlighted dog eared and coffee stained If you do not find yourself in these pages then you will learn how to love others who operate from an orphan frame of mind So thankful for this book and Lynette s courage to write it Sheila Harper author of *Survivor A Journey Through Abortion and Back* founder and president of *SaveOne* Why am I different Where do I belong How did I get in this situation What is my purpose Who am I These are the questions that plague many followers of Jesus Though adopted into His kingdom millions still carry the spirit of an orphan unwilling or unable to see themselves as true sons and daughters of the King of Kings The orphan spirit manifests itself in various ways but our Abba invites us to live free of care in the security of knowing who we are in Him *Orphan's Journey* Robert Buettner, 2008-04-01 In the years since the last *Slug War* Jason s command style hasn t made him any friends in the Army Now in an effort to keep him out of trouble the Army has sent Jason to the vast Earth orbiting resort called New Moon At the core of this enormous space station is a starship a relic from the last war When a test run of the ship goes wrong Jason along with a handful of others will be torn from orbit and thrust into space Now stranded on an alien planet Jason realizes that not only are his friends are looking to him for rescue but an entire planet sees him as their only hope

*Passion's Fortune* Joseph McAleer, 1999-10-28 This is the first history of Mills Boon the British publishing phenomenon which has become a household name synonymous with romantic fiction On the firm s 90th anniversary Joseph McAleer has written the first history of Mills Boon drawing upon a long lost archive of over 50 000 letters which reveal the intricate relationship between editorial policy social attitudes and sales McAleer examines the dictates of the Mills Boon formula and demonstrates how novels were Managed by the firm to ensure maximum sales and to nurture a cadre of loyal readers in Britain and throughout the Commonwealth The result is a cultural phenomenon whose product reflected the attitudes and morals of the age while offering women an addictive escape from everyday life It s a fascinating read for anyone who s ever wondered about writing a Mills Boon or wants to understand the story behind one of the most successful British firms of the twentieth century **The Orphan's Father** Daniel Balogh, *The Orphan s Father* is a story a dream a vision It is an honest stack of imagery about hope and coping It is a collection of thoughts and fears and abandonment What it isn t is a straightforward classic read with a clear sequence of events lined up to please the brain Instead it was written to be felt seen and lived Leo Brown is a lonely middle aged man who tries to survive by escaping into the past and by seeking approval from the ones who once mattered but after all he is just a man like millions of his kind a wrinkled faded red balloon that was left to shrink in a corner of his youth *The Orphan's Gift* Renita D'Silva, 2020-04-29 She allows herself to kiss her perfect child just once She wraps the baby in her last gift a hand knitted cardigan embroidered with a water lily pattern You re better off without me she whispers and although every step breaks her heart she walks away 1910 India Young and curious Alice with her spun gold hair grows up in her family s sprawling compound with parents as remote as England the cold country she has never seen It is Raju son of a servant with whom she shares her secrets Together their love grows like roses but leaves deep

thorns Because when they get too close Alice's father drags them apart sending Raju far away and banishing Alice to England
