The Greatest American Mark Skousen,2025-05-27 I have sometimes almost wished it had been my destiny to have been born two or three centuries hence Ben Franklin Was Benjamin Franklin an indispensable public servant or a cunning chameleon A hard headed entrepreneur or an opportunistic privateer A devoted family man or a notorious womanizer A scientist and inventor or a hoaxer and self promoter A believer or a heretic The first civilized American or the most dangerous man in America Read this book and you decide In The Greatest American Dr Mark Skousen America s Economist and a direct descendant of the old man reveals many new features and little known facts about Ben Franklin such as Why Franklin was a free trader No nation was ever ruined by trade The surprising benefits of inflation to pay for the American Revolution How the War of Independence transformed him from a religious heretic to a believing theist Why he hated party politics How he changed his mind about slavery and became a devote abolitionist The truth about his love affairs with women Did he really abandon his wife Deborah or did she abandon him Why he never applied for any patents for his famous inventions Why George Washington loved Franklin and John Adams despised him Why he turned against his beloved son William and never forgave him His preference for private welfare and charities rather than state run social programs and welfare Benjamin Franklin was the oldest of the founding fathers he was indeed a whole generation ahead of George Washington John Adams and Thomas Jefferson and yet he was the most forward looking of the group and the most modern of the founders The Greatest American shows just how much of an impact Benjamin Franklin had on American politics and daily life Few scholars today know Benjamin Franklin as well or as intimately as Mark Skousen That familiarity is on full display in The Greatest American Skousen a direct descendant of his subject ranges nimbly across the remarkable breadth of Franklin s life from his views on business and economics to education and yes sex Along the way he

makes a compelling case not only for Franklin's greatness but also for his relevance today. He is the most modern of founders and the most fun. Eric Weiner, author of *Ben and Me* and former foreign correspondent for NPR, Mark Skousen lucidly, delightfully, and successfully lays out the life of one of the most extraordinary figures in American and indeed world history. Franklin personified and promoted the characteristics and culture that made America great, especially the drive for self-improvement and inventiveness. His genius for diplomacy was absolutely essential for the success of the American Revolution. The significance of his astonishing scientific achievements, insights, and research are only now being fully appreciated. One can only exclaim: What a man! Steve Forbes, chairman and editor in chief of Forbes magazine. If anyone embodies the Renaissance man, it's Ben Franklin: printer, scientist, musician, inventor, author, activist, statesman, and diplomat. Mark Skousen delves into every facet of his remarkable life, including Franklin's surprisingly active love life into his eighties. In this lively and entertaining book, Highly recommended. Alexander Green, chief investment strategist, The Oxford Club, and author of *Beyond Wealth*. Ben Franklin Sarah Gilman, 2016-07-15. Many students know the story of Ben Franklin's famed electricity experiment, but do they understand how influential he was in the formation of the United States? Through simple but engaging narrative, this fully illustrated volume leads readers through Franklin's childhood, his diverse interests and accomplishments, and the role he played in the American Revolution and creation of an independent nation. *Benjamin Franklin* John S. C. Abbott, 2014-01. PREFACE CHAPTER I Parentage and Early Life CHAPTER II Developments of Character CHAPTER III Excursion to England CHAPTER IV Mental and Moral Conflicts CHAPTER V The Dawn of Prosperity CHAPTER VI Religious and Philosophic Views CHAPTER VII The Tradesman becomes a Philosopher CHAPTER VIII The Rising Storms of War CHAPTER IX Franklin's Mission to England CHAPTER X Franklin's Second Mission to England CHAPTER XI The Intolerance of King and Court CHAPTER XII The Bloodhounds of War Unleashed CHAPTER XIII Progress of the War, both of Diplomacy and the Sword CHAPTER XIV The Struggles of Diplomacy CHAPTER XV Life's Closing Scenes. Next to George Washington, we must write upon the Catalogue of American Patriots the name of Benjamin Franklin. He had so many virtues that there is no need of exaggerating them; so few imperfections that they need not be concealed. The writer has endeavored to give a perfectly accurate view of his character and of that great struggle in which he took so conspicuous a part, which secured the Independence of the United States. Probably there can nowhere be found within the same limits so vivid a picture of Life in America over two hundred years ago as the career of Franklin presents. Benjamin Franklin, notwithstanding his imperfections, was one of the wisest and best of all the fallen children of Adam. From his dying hour to the present day, his memory has been justly cherished with reverence and affection throughout the civilized world. And there is no fear that this verdict will ever be reversed. *BENJAMIN FRANKLIN* BENJAMIN. FRANKLIN, 2018. **Benjamin Franklin** Ryan P. Randolph, 2002-12-15.
