Winifred Holtby, "A Woman In Her Time" Lisa Regan, 2009-12-14 Winifred Holtby A Woman In Her Time Critical Essays brings together for the first time a range of scholarly perspectives on one of Britain's best loved regional authors Remembered for her vivid portrayal of 1930s rural Yorkshire in her final novel South Riding 1936 and for her friendship with Vera Brittain Winifred Holtby 1898 1935 has become a key figure for those interested in British literature politics and culture between the wars Epitomising the professional independence and political passion which we have come to associate with the newly emancipated women of her era Holtby's was a life devoted to myriad causes and directed to the pressing issues of her day With fresh perspectives on Holtby's better known novels alongside new critical forays into her short stories drama journalism and historical writing Winifred Holtby A Woman In Her Time sheds new light on a woman who not only spoke out in support of feminism peace and racial equality at a time when fascism and war loomed but who also shared with us her views on a wide spectrum of topical concerns from Virginia Woolf D H Lawrence H G Wells psychology spinsters mothers and the B B C to her delight in clothes films and village gossip Remember, Remember! Winifred Holtby, Marion Shaw, Paul Berry, 1999 This selection of Winifred Holtby's short stories is drawn from her two published volumes TRUTH IS NOT SOBER and PAVEMENTS OF ANDERBY which were published posthumously by her two friends Vera Brittain and Hilda Reid and have been collected here in one volume for the first time Brightly written in an unselfconscious matter of fact style these stories are irreverent and entertaining fulfilling what she saw as the short story's purpose in a reader's life nice for chance guests easy to pick up and more tantalising for one's bedside than a novel Many of these stories are autobiographically based and feature the Yorkshire farming community in Rudston where she was brought up This was the setting for her most famous novel SOUTH RIDING also published posthumously Some of the stories relate to the last years of her life when she was contending with the incessant headaches and nausea of Bright's disease Winifred Holtby's Social Vision Lisa Regan, 2015-10-06 Winifred Holtby 1898 1935 is best known today for her friendship with fellow feminist and pacifist Vera Brittain and for her last novel South Riding This is the first monograph to provide a literary criticism of Holtby's social philosophy and presents in depth readings of all her major works as well as some of her less well known writing **The Clear Stream** Marion Shaw, 2012-01-19 Winifred Holtby was a prolific journalist and writer whose most famous work South Riding is on many university courses She was an active campaigner for several progressive causes during the inter war period such as pacifism feminism and most important to her racial equality and harmony in South Africa She was the subject of Vera Brittain's Testament of Friendship She was essentially a woman in her time and yet could also be seen as an index to many of the progressive movements which were around in the pre war days and in this sense she was indeed a clear stream Written in a wonderfully accessible style interspersed with excellent research as well as warmth from one born in the same district as Winifred herself this is the definitive biography of a woman ahead of her time *Remember, remember Holtby,*

Winifred, 2011-01-15 Diez relatos sobre mujeres en distintas etapas de la vida y diferentes opciones La prosa de Holtby se desarrolla sin sentimentalismo en beneficio de la complejidad y el análisis de sentimientos y pasiones contenidas pero muy poderosas Sus cuentos están repletos de comprensión y conocimiento de la psicología femenina y sus trampas Una variedad de estilos los recorren sirviéndose de puntos de vista narrativos a menudo sorprendentes En esta selección realizada y traducida por Gora Zaragoza Holtby escenifica el final de una etapa y el comienzo de una nueva era en la posición de las mujeres Frente a las mujeres obsesionadas con preservar y transmitir el legado de una poca pasada Holtby opone a esas protagonistas un grupo de mujeres reivindicativas libres con voz propia y más poderosas como ocurre en los relatos Los acreedores La justicia de la reina o La mujer engañada A resaltar por su agudeza la implacable actitud de la anciana de Acudate que da título al libro
