Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service,2002 One Nation Under Therapy Christina Hoff Sommers,Sally Satel,2025-08-22 Americans have traditionally placed great value on self reliance and fortitude In recent decades however we have seen the rise of a therapeutic ethic that views Americans as emotionally underdeveloped psychically frail and requiring the ministrations of mental health professionals to cope with life s vicissitudes Being in touch with one s feelings and freely expressing them have become paramount personal virtues Today with a book for every ailment a counselor for every crisis a lawsuit for every grievance and a TV show for every conceivable problem we are at risk of degrading our native ability to cope with life s challenges Drawing on established science and common sense Christina Hoff Sommers and Dr Sally Satel reveal how therapism and the burgeoning trauma industry have come to pervade our lives Help is offered everywhere under the presumption that we need it in children s classrooms the workplace churches courtrooms the media the military But with all the help comes a host of troubling consequences including The myth of stressed out homework burdened hypercompetitive and depressed or suicidal schoolchildren in need of therapy and medication The loss of moral bearings in our approach to lying crime addiction and other foibles and vices The unasked for grief counselors who descend on bereaved families schools and communities following a tragedy offering dubious advice while billing plenty of money The expansion of Post Traumatic Stress Disorder from an affliction of war veterans to nearly everyone who has experienced a setback Intelligent provocative and wryly amusing One Nation Under Therapy demonstrates that talking about problems is no substitute for confronting them **Catalog of Copyright Entries** Library of Congress.
