*Joss Whedon's Dollhouse* Sherry Ginn, Alyson R. Buckman, Heather M. Porter, 2014-05-08 Although it lasted barely more than a season *Dollhouse* continues to intrigue viewers as one of Joss Whedon's most provocative forays into television. The program centered on men and women who have their memories and personalities repeatedly wiped and replaced with new ones by a shadowy corporation dedicated to fulfilling the whims of the rich. This chilling scenario was used to tell stories about big issues: power and resistance, freedom and servitude, class and gender, while always returning to its central themes of identity and individuality. In *Joss Whedon's Dollhouse: Confounding Purpose, Confusing Identity* Sherry Ginn, Alyson R. Buckman, and Heather M. Porter bring together fourteen diverse essays that showcase the series' complex vision of the future. Contributors probe deeply into the fictional universe of the show by considering the motives of the wealthy clients and asking what love means when personalities are continually remade. Other essays consider the show's relations to politics, philosophy, and psychology, and its representations of race and gender. Several essays explore the show's complex relationship to transhumanism, considering the dark potential for dehumanization and abuse that lurks beneath the promise of turning bodies into temporary vessels for immortal, downloadable personalities. Though a short-lived series, *Dollhouse* has been hailed as one of television's most thoughtful explorations of classic science fiction themes. As the first serious treatment of this landmark show, this collection will interest science fiction scholars and Whedon fans alike.

**Saving Midnight** Emma Holly, 2009-08-04 Graham Fitz Clare became a vampire to save his adoptive father from a deadly enemy. Sadly, the price of that rescue may have been too high. Edmund's captors are at large again and are amassing the sort of power that could make them unstoppable. In the end, the love the Fitz Clares share with each other could be all that stands between them and a desperate storm of destruction.

*Lifesaving Letters* Milena Roth, 2004 Milena learned only after the war that her parents were deported from Czechoslovakia in July 1943 and died at Auschwitz. Milena's guardian had been fond of Milena's mother and preserved her old friend's letters. These she gave to Milena, and they form the heart of this book.

*The Haunted Dolls' House* M. R. James, 2008-10-02 Evil comes with many different faces. A macabre human drama is re-enacted in a Gothic dolls' house: one night a whistle awakens a force of unspeakable malevolence; an ancient curse is passed from person to person; a grisly crime is avenged from beyond the grave; the tomb of a Swedish count will not rest quietly. M. R. James's chilling ghost stories reveal a world where the familiar becomes diabolical; the smallest object can lead to unimaginable horror; and evil brushes against everyday life in the most unexpected and sinister of ways.
